INDEPENDENT AUDITOR'S REPORT

To the Participants and the Employee Benefits Committee of the
H&R Block Retirement Savings Plan
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of H&R Block Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we

have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

H&R BLOCK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

1. DESCRIPTION OF THE PLAN

The following description of the H&R Block Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General – The Plan is a defined contribution plan sponsored by H&R Block Management, LLC (the Company or Plan Sponsor), which is a wholly owned subsidiary of H&R Block, Inc. for its eligible employees and the eligible employees of its participating affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated twice during the year ended December 31, 2024, which were effective January 1, 2024 to incorporate certain changes set out in SECURE Act 1.0 and SECURE Act 2.0, as well as other administrative and compliance changes.

The Company is the plan administrator for purposes of reporting and disclosure under ERISA. The Plan also provides for an administrative committee, the members of which are appointed by the Chief People Officer of the Company. The administrative committee is responsible for the general administration of the Plan and the interpretation of its provisions. Fidelity Management Trust Company (Fidelity) is the Plan's trustee.

Eligibility – The timing of an employee's eligibility for participation in the Plan depends on whether the employee is classified as a nonseasonal employee or seasonal employee. With respect to participant contributions and employer matching contributions: (a) nonseasonal employees are eligible to participate in the Plan beginning the first day of the month following or coinciding with the date they complete 90 "Days of Service," as such term is defined in the Plan, and (b) seasonal employees are eligible to participate in the Plan beginning with the first participation date (January 1 or July 1) following or coinciding with the date they complete one "Year of Service for Participation," or three consecutive "Years of Part-Time Service" as such terms are defined in the Plan.

Contributions – Participants may make elective deferrals (pre-tax contributions and/or Roth contributions) up to seventy-five percent of their eligible compensation, as defined in the Plan document, subject to Internal Revenue Code (IRC) limitations. Participants age 50 and over may make elective deferrals (pre-tax contributions and/or Roth contributions) from zero to one-hundred percent of their compensation, subject to IRC limitations. The Plan automatically enrolls all newly eligible employees at a pre-tax contribution rate of five percent of eligible compensation unless the employee elects not to participate in the Plan or elects a different deferral rate. For participants eligible to receive employer matching contribution as defined in the Plan, the Company may make employer matching contributions of up to one hundred percent of the first five percent of each participant's elective deferrals based on eligible compensation. For the year ended December 31, 2024, employer matching contributions were \$22,502,972.

Vesting – Participant contributions, employer matching contributions and earnings thereon, are fully vested and nonforfeitable at all times.

Participant Accounts – Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the employer's matching contribution, if any, rollovers from other eligible retirement plans, and investment earnings. Participant accounts are charged with withdrawals, investment losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Investments – Participants direct the investment of their contributions and employer matching contributions, if any, into various investment options offered by the Plan. The Plan currently offers mutual funds, collective investment trusts, the Morley Stable Value Fund collective trust, and a self-directed brokerage account. Participants can purchase shares of mutual funds and money market funds through the self-directed brokerage account. Certain participants hold investments in the H&R Block, Inc. common stock fund, however, effective January 2, 2014, the H&R Block, Inc. common stock fund was frozen and is no longer an investment option for participants.

Notes Receivable From Participants – Participants may borrow from their fund accounts a minimum of \$1,000 and are limited to the lesser of \$50,000 less their highest outstanding loan balance in the previous twelve months or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest equal to the prime lending rate established by the Federal Reserve on the first business day of the month in which the loan is requested plus 1%. Interest rates on loans outstanding as of December 31, 2024, range from 4.25% to 9.50% with varying maturity dates through December 2034. The loans are payable over one to five years except for loans for the purchase of a residence, which may be longer.

Payment of Benefits – Generally, distributions are made to a participant, or in the case of death, a participant's beneficiary, as soon as administratively feasible following the earliest of the participant's death, disability, retirement or severance from employment. Distributions are in the form of a lump sum cash payment, unless the participant elects distribution in the form of H&R Block, Inc. common stock (to the extent the participant's account is invested in the H&R Block, Inc. common stock fund) or elects to defer payment.

Highly Compensated Employees – The Plan has some specific provisions for Highly Compensated Employees primarily relating to eligibility, employer matching contributions and limitations on elective deferrals.

Forfeited Accounts – Amounts held in the forfeiture account as of December 31, 2024 and 2023 totaled \$2,306 and \$97,545, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties – Investment securities, in general, are exposed to various risks such as interest rate risk, credit risk, and overall market volatility, which could be impacted by domestic or global events. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation – The Plan's investments in mutual funds, collective investment trusts, the H&R Block, Inc. common stock fund, and the self-directed brokerage account are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds and money market funds, including those in self-directed brokerage accounts, are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Fair value of the H&R Block, Inc. common stock fund is determined by the trustee based on the fair market value of the underlying investments within the fund. Interests in collective investment trusts are stated at fair value as

determined by the investment manager of the trusts on the fair market value on the underlying investments, which is valued at net asset value (NAV). The Morley Stable Value Fund (the Fund) is a collective trust that is composed primarily of fully benefit-responsive investment contracts and is reported at fair value using net NAV as a practical expedient. This NAV represents the Plan's fair value since this is the NAV at which the Plan transacts with the Fund.

H&R Block, Inc. Common Stock Fund – The H&R Block, Inc. common stock fund, which is made up of H&R Block, Inc. common stock and a money market fund, is maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawal payments from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant. The H&R Block, Inc. common stock is no longer an investment option for participants.

The Morley Stable Value Fund – The Fund is a collective trust designed for retirement trusts exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986, as amended. There are no unfunded commitments to the Fund. The objective of the Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. The Fund seeks to achieve this objective by investing in a variety of high quality stable value investment contracts (the performance of which may be predicated on underlying fixed income securities), as well as cash and cash equivalents. Investment contracts include guaranteed investment contracts (GICs) issued by insurance companies and synthetic investment contracts or wrap contracts issued by insurance companies or banks.

Withdrawals from the Fund for benefit payments and participant transfers to noncompeting options to be paid to plan participants will be made as soon as practicable after written notification has been received. Eliminating the Fund as an investment option would require a twelve month advance written notice.

Investment Purchases and Sales – Purchases and sales of investments are recorded on a trade-date basis.

Net appreciation (depreciation) in the fair value of investments – Net appreciation (depreciation) in the fair value of investments primarily represents the gains and losses on participant's investments. Management fees and operating expenses charged to the Plan for investments are included in investments appreciation (depreciation).

Interest and Dividend Income – Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on the notes is recorded on an accrual basis. Loans are considered in default if any scheduled loan repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a scheduled repayment was initially due. Defaulted participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses – Administrative expenses incurred related to participant investments are paid by the participant and reflected in the Plan's Statement of Changes in Net Assets Available for Benefit. Administrative expenses incurred by the Plan were \$1,136,925 for the year ended December 31, 2024. Certain regulatory, compliance, and administrative expenses are paid by the Company on behalf of the Plan which are not reflected in the Plan's Statement of Changes in Net Assets Available for Benefit.

Contributions – Employer matching contributions are recorded in the financial statements when earned by the participant.

Payment of Benefits – Benefit payments to participants are recorded upon distribution. Accounts of persons who have elected to withdraw from the Plan but have not yet been paid were \$55,314 and \$49,688 as of December 31, 2024 and 2023, respectively.

3. FAIR VALUE MEASUREMENTS

The fair values of investments are classified based on the lowest level of any input that is significant to the fair value measurement. The Plan used the following methods to determine fair value:

Level 1 – Inputs to the valuation are quoted prices in an active market for identical assets.

Level 2 – Inputs to the valuation include quoted prices for similar assets in active markets utilizing a third-party pricing service to determine fair value.

Level 3 – Valuation is based on significant inputs that are unobservable in the market and our own estimates of assumptions that we believe market participants would use in pricing the asset. As of December 31, 2024 and 2023, there were no Level 3 investments.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables provide the amounts and their corresponding level of hierarchy for the Plan's investments that are measured at fair value:

As of December 31, 2024	Total	Level 1	Level 2	Level 3
Mutual funds	\$244,754,433	\$ 244,754,433	\$ —	\$ —

4. INFORMATION CERTIFIED BY THE TRUSTEE

Information related to investments and notes receivable from participants disclosed in the statements of net assets available for benefits as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants in the statement of changes in net assets available for benefits for the year ended December 31, 2024 and the supplemental schedule including investments held and notes receivable from participants at December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity, the trustee of the Plan. All investment balances and investment information in [Note 3, Fair Value Measurements](#), and [Note 5, Exempt Party-in-Interest Transactions](#), have been certified by the trustee, except for the classification and level of investments.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of a mutual fund managed by Fidelity. Fidelity is the record keeper and trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts, and therefore, these transactions also qualify as exempt party-in-interest transactions. In addition, the H&R Block, Inc. common stock fund includes investments in the common stock of H&R Block, Inc., and therefore, these transactions also qualify as exempt party-in-interest transactions. The fair value of the H&R Block, Inc. common stock fund was \$7,943,961 and \$7,732,037 as of December 31, 2024 and December 31, 2023, respectively, with a cost basis of \$3,402,262 and \$3,496,357, respectively. Certain investments in the self-directed brokerage account are funds managed by Fidelity and qualify as exempt party-in-interest transactions.

The following table represents the balance included in the statement of net assets available for benefits of all exempt party-in-interest transactions:

As of December 31,	2024
Fidelity-managed mutual fund	\$ 273,628
Loans to participants	8,687,911
H&R Block, Inc. common stock fund ⁽¹⁾	7,738,918
Fidelity funds within the self-directed brokerage account	12,118,336

⁽¹⁾ Excludes cash balances that are recorded in the fund

6. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA.

7. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated February 18, 2016, that the Plan and related trust are designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter. The Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

As of December 31,	2024	2023
Net assets available for benefits per the financial statements	\$ 1,055,735,121	\$ 935,374,719
Amounts allocated to withdrawing participants	(55,314)	(49,688)
Total investments (current value column) per Form 5500 schedule of assets (held at end of year)	\$ 1,055,679,807	\$ 935,325,031

The following is a reconciliation of the change in net assets per the financial statements to net income on the Form 5500:

For the year ended December 31,	2024

9. SUBSEQUENT EVENT

Effective January 1, 2025, the Plan was restated and amended to incorporate certain changes imposed by SECURE Act 2.0, as well as other administrative and compliance changes. These changes related to SECURE Act 2.0 are expected to increase the number of eligible participants in the Plan. The administrative and compliance changes are not expected to have a material impact to the Plan's financial statements.

The Plan has evaluated subsequent events through June 30, 2025, which is the date the financial statements were available to be issued. There were no other events or transactions that occurred during the period that materially affected the amounts or disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Participants and the Employee Benefits Committee of the
H&R Block Retirement Savings Plan
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of H&R Block Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we

have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

H&R BLOCK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

1. DESCRIPTION OF THE PLAN

The following description of the H&R Block Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General – The Plan is a defined contribution plan sponsored by H&R Block Management, LLC (the Company or Plan Sponsor), which is a wholly owned subsidiary of H&R Block, Inc. for its eligible employees and the eligible employees of its participating affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated twice during the year ended December 31, 2024, which were effective January 1, 2024 to incorporate certain changes set out in SECURE Act 1.0 and SECURE Act 2.0, as well as other administrative and compliance changes.

The Company is the plan administrator for purposes of reporting and disclosure under ERISA. The Plan also provides for an administrative committee, the members of which are appointed by the Chief People Officer of the Company. The administrative committee is responsible for the general administration of the Plan and the interpretation of its provisions. Fidelity Management Trust Company (Fidelity) is the Plan's trustee.

Eligibility – The timing of an employee's eligibility for participation in the Plan depends on whether the employee is classified as a nonseasonal employee or seasonal employee. With respect to participant contributions and employer matching contributions: (a) nonseasonal employees are eligible to participate in the Plan beginning the first day of the month following or coinciding with the date they complete 90 "Days of Service," as such term is defined in the Plan, and (b) seasonal employees are eligible to participate in the Plan beginning with the first participation date (January 1 or July 1) following or coinciding with the date they complete one "Year of Service for Participation," or three consecutive "Years of Part-Time Service" as such terms are defined in the Plan.

Contributions – Participants may make elective deferrals (pre-tax contributions and/or Roth contributions) up to seventy-five percent of their eligible compensation, as defined in the Plan document, subject to Internal Revenue Code (IRC) limitations. Participants age 50 and over may make elective deferrals (pre-tax contributions and/or Roth contributions) from zero to one-hundred percent of their compensation, subject to IRC limitations. The Plan automatically enrolls all newly eligible employees at a pre-tax contribution rate of five percent of eligible compensation unless the employee elects not to participate in the Plan or elects a different deferral rate. For participants eligible to receive employer matching contribution as defined in the Plan, the Company may make employer matching contributions of up to one hundred percent of the first five percent of each participant's elective deferrals based on eligible compensation. For the year ended December 31, 2024, employer matching contributions were \$22,502,972.

Vesting – Participant contributions, employer matching contributions and earnings thereon, are fully vested and nonforfeitable at all times.

Participant Accounts – Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the employer's matching contribution, if any, rollovers from other eligible retirement plans, and investment earnings. Participant accounts are charged with withdrawals, investment losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Investments – Participants direct the investment of their contributions and employer matching contributions, if any, into various investment options offered by the Plan. The Plan currently offers mutual funds, collective investment trusts, the Morley Stable Value Fund collective trust, and a self-directed brokerage account. Participants can purchase shares of mutual funds and money market funds through the self-directed brokerage account. Certain participants hold investments in the H&R Block, Inc. common stock fund, however, effective January 2, 2014, the H&R Block, Inc. common stock fund was frozen and is no longer an investment option for participants.

Notes Receivable From Participants – Participants may borrow from their fund accounts a minimum of \$1,000 and are limited to the lesser of \$50,000 less their highest outstanding loan balance in the previous twelve months or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest equal to the prime lending rate established by the Federal Reserve on the first business day of the month in which the loan is requested plus 1%. Interest rates on loans outstanding as of December 31, 2024, range from 4.25% to 9.50% with varying maturity dates through December 2034. The loans are payable over one to five years except for loans for the purchase of a residence, which may be longer.

Payment of Benefits – Generally, distributions are made to a participant, or in the case of death, a participant's beneficiary, as soon as administratively feasible following the earliest of the participant's death, disability, retirement or severance from employment. Distributions are in the form of a lump sum cash payment, unless the participant elects distribution in the form of H&R Block, Inc. common stock (to the extent the participant's account is invested in the H&R Block, Inc. common stock fund) or elects to defer payment.

Highly Compensated Employees – The Plan has some specific provisions for Highly Compensated Employees primarily relating to eligibility, employer matching contributions and limitations on elective deferrals.

Forfeited Accounts – Amounts held in the forfeiture account as of December 31, 2024 and 2023 totaled \$2,306 and \$97,545, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties – Investment securities, in general, are exposed to various risks such as interest rate risk, credit risk, and overall market volatility, which could be impacted by domestic or global events. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation – The Plan's investments in mutual funds, collective investment trusts, the H&R Block, Inc. common stock fund, and the self-directed brokerage account are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds and money market funds, including those in self-directed brokerage accounts, are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Fair value of the H&R Block, Inc. common stock fund is determined by the trustee based on the fair market value of the underlying investments within the fund. Interests in collective investment trusts are stated at fair value as

determined by the investment manager of the trusts on the fair market value on the underlying investments, which is valued at net asset value (NAV). The Morley Stable Value Fund (the Fund) is a collective trust that is composed primarily of fully benefit-responsive investment contracts and is reported at fair value using net NAV as a practical expedient. This NAV represents the Plan's fair value since this is the NAV at which the Plan transacts with the Fund.

H&R Block, Inc. Common Stock Fund – The H&R Block, Inc. common stock fund, which is made up of H&R Block, Inc. common stock and a money market fund, is maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawal payments from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant. The H&R Block, Inc. common stock is no longer an investment option for participants.

The Morley Stable Value Fund – The Fund is a collective trust designed for retirement trusts exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986, as amended. There are no unfunded commitments to the Fund. The objective of the Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. The Fund seeks to achieve this objective by investing in a variety of high quality stable value investment contracts (the performance of which may be predicated on underlying fixed income securities), as well as cash and cash equivalents. Investment contracts include guaranteed investment contracts (GICs) issued by insurance companies and synthetic investment contracts or wrap contracts issued by insurance companies or banks.

Withdrawals from the Fund for benefit payments and participant transfers to noncompeting options to be paid to plan participants will be made as soon as practicable after written notification has been received. Eliminating the Fund as an investment option would require a twelve month advance written notice.

Investment Purchases and Sales – Purchases and sales of investments are recorded on a trade-date basis.

Net appreciation (depreciation) in the fair value of investments – Net appreciation (depreciation) in the fair value of investments primarily represents the gains and losses on participant's investments. Management fees and operating expenses charged to the Plan for investments are included in investments appreciation (depreciation).

Interest and Dividend Income – Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on the notes is recorded on an accrual basis. Loans are considered in default if any scheduled loan repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a scheduled repayment was initially due. Defaulted participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses – Administrative expenses incurred related to participant investments are paid by the participant and reflected in the Plan's Statement of Changes in Net Assets Available for Benefit. Administrative expenses incurred by the Plan were \$1,136,925 for the year ended December 31, 2024. Certain regulatory, compliance, and administrative expenses are paid by the Company on behalf of the Plan which are not reflected in the Plan's Statement of Changes in Net Assets Available for Benefit.

Contributions – Employer matching contributions are recorded in the financial statements when earned by the participant.

Payment of Benefits – Benefit payments to participants are recorded upon distribution. Accounts of persons who have elected to withdraw from the Plan but have not yet been paid were \$55,314 and \$49,688 as of December 31, 2024 and 2023, respectively.

3. FAIR VALUE MEASUREMENTS

The fair values of investments are classified based on the lowest level of any input that is significant to the fair value measurement. The Plan used the following methods to determine fair value:

Level 1 – Inputs to the valuation are quoted prices in an active market for identical assets.

Level 2 – Inputs to the valuation include quoted prices for similar assets in active markets utilizing a third-party pricing service to determine fair value.

Level 3 – Valuation is based on significant inputs that are unobservable in the market and our own estimates of assumptions that we believe market participants would use in pricing the asset. As of December 31, 2024 and 2023, there were no Level 3 investments.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables provide the amounts and their corresponding level of hierarchy for the Plan's investments that are measured at fair value:

4. INFORMATION CERTIFIED BY THE TRUSTEE

Information related to investments and notes receivable from participants disclosed in the statements of net assets available for benefits as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants in the statement of changes in net assets available for benefits for the year ended December 31, 2024 and the supplemental schedule including investments held and notes receivable from participants at December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity, the trustee of the Plan. All investment balances and investment information in [Note 3, Fair Value Measurements](#), and [Note 5, Exempt Party-in-Interest Transactions](#), have been certified by the trustee, except for the classification and level of investments.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of a mutual fund managed by Fidelity. Fidelity is the record keeper and trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts, and therefore, these transactions also qualify as exempt party-in-interest transactions. In addition, the H&R Block, Inc. common stock fund includes investments in the common stock of H&R Block, Inc., and therefore, these transactions also qualify as exempt party-in-interest transactions. The fair value of the H&R Block, Inc. common stock fund was \$7,943,961 and \$7,732,037 as of December 31, 2024 and December 31, 2023, respectively, with a cost basis of \$3,402,262 and \$3,496,357, respectively. Certain investments in the self-directed brokerage account are funds managed by Fidelity and qualify as exempt party-in-interest transactions.

The following table represents the balance included in the statement of net assets available for benefits of all exempt party-in-interest transactions:

As of December 31,	2024
Fidelity-managed mutual fund	\$ 273,628
Loans to participants	8,687,911
H&R Block, Inc. common stock fund ⁽¹⁾	7,738,918
Fidelity funds within the self-directed brokerage account	12,118,336

⁽¹⁾ Excludes cash balances that are recorded in the fund

6. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA.

7. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated February 18, 2016, that the Plan and related trust are designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter. The Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

9. SUBSEQUENT EVENT

Effective January 1, 2025, the Plan was restated and amended to incorporate certain changes imposed by SECURE Act 2.0, as well as other administrative and compliance changes. These changes related to SECURE Act 2.0 are expected to increase the number of eligible participants in the Plan. The administrative and compliance changes are not expected to have a material impact to the Plan's financial statements.

The Plan has evaluated subsequent events through June 30, 2025, which is the date the financial statements were available to be issued. There were no other events or transactions that occurred during the period that materially affected the amounts or disclosures in the financial statements.
