INDEPENDENT AUDITORS' REPORT

Board of Directors
Concrete Industries, Inc. and Related Companies Retirement Plan
Tupelo, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Concrete Industries, Inc. and Related Companies Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Concrete Industries, Inc. and Related Companies Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and December 31, 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Concrete Industries, Inc. and Related Companies Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Concrete Industries, Inc. and Related Companies Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Concrete Industries, Inc. and Related Companies Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Concrete Industries, Inc. and Related Companies Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its

form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

CONCRETE INDUSTRIES, INC. AND RELATED COMPANIES RETIREMENT PLAN

December 31, 2024

NOTE 1. DESCRIPTION OF PLAN

The following brief description of Concrete Industries, Inc. and Related Companies Retirement Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

- A. *General.* The Plan is a defined contribution plan covering substantially all employees of B & B Concrete Company, Inc., Concrete Industries, Inc., and Mississippi – Itawamba Gravel Co., Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. *Contributions.* Each year, participants may contribute up to the maximum percentage allowable, not to exceed the limits of Code Sections 401(k), 404 and 415 of the Internal Revenue Code, and elect to classify these contributions as pre-tax 401(k) or Roth. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at an initial rate of 3 percent of eligible compensation. For participants with two or more months of service, the employer makes a matching contribution of 100% of the first 3% of compensation and 50% of the next 2% of compensation that a participant contributes to the Plan. The Plan also allows the Employer to contribute a discretionary nonelective contribution which is subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.
- C. *Participant Accounts.* Each participant's account is credited with the participant's contribution, the employer matching contributions, employer profit sharing contributions and plan earnings. Each participant's account is also charged with an allocation of administration expenses, when applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. *Vesting.* Participants are immediately 100% vested in all contributions and actual earnings thereon.
- E. *Investment Options.* Upon enrollment in the Plan, a participant directs the investment of their contributions into various investment options offered by the Plan.
- F. *Payment of Benefits.* Upon termination of service with the employer, a participant will receive a lump-sum distribution of his or her account.
- G. *Notes receivable from participants.* Participants may borrow from their fund accounts a maximum equal to the lesser of \$ 50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is determined at the date of the loan based roughly on the prime rate for loans. Principal and interest is paid ratably through monthly payroll deductions.

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. *Basis of Accounting.* The financial statements of the Plan are prepared under the accrual method of accounting.
- B. *Investment Valuation and Income Recognition.* The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee.
- Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
- C. *Payment of Benefits.* Benefits are recorded when paid.
- D. *Expenses.* Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.
- E. *Estimates.* The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- F. *Subsequent Events.* In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through the date of the Independent Auditors' Report, which is the date the financial statements were available to be issued.
- G. *Notes receivable from participants.* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default in accordance with the Plan's Loan Policy, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 and the methodologies used for assets measured at fair value are described as follows:

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 3. FAIR VALUE MEASUREMENTS - (Continued)

Level 1. Fair value inputs include unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority. The fair value of mutual funds and money market funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2. Fair value inputs include significant other observable inputs other than Level 1 inputs such as quoted prices for similar assets, quoted prices in markets that are not active or other observable inputs that can be corroborated by observable market data. There were no Plan investments valued using Level 2 inputs.

Level 3. Fair value inputs include unobservable inputs that are supported by little or no market activity such as pricing models, discounted cash flow methodologies or similar techniques. Level 3 inputs have the lowest priority. There were no Plan investments valued using Level 3 inputs.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value.

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 1	\$ -	\$ -	\$ 1
Mutual funds	<u>9,568,457</u>	<u>-</u>	<u>-</u>	<u>9,568,457</u>
Total assets at fair value	<u>\$ 9,568,458</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,568,458</u>

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 22,935	\$ -	\$ -	\$ 22,935
Mutual funds	<u>8,513,802</u>	<u>-</u>	<u>-</u>	<u>8,513,802</u>
Total assets at fair value	<u>\$ 8,536,737</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,536,737</u>

NOTE 4. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2024 and 2023, the schedule of assets held for investment purposes at December 31, 2024, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 5. FEDERAL INCOME TAX STATUS

The Company adopted a 401(k) savings plan using a prototype 401(k) plan document. The prototype plan sponsor is Fidelity Management & Research Company. The Company is relying on the opinion letter dated June 30, 2020, as obtained and updated by the sponsor and has not applied for an individual determination letter. The Company believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that therefore the plan qualifies under the section 401(a) and the related trust is tax exempt. Therefore no provision for income taxes has been included in the plan's financial statements.

NOTE 5. FEDERAL INCOME TAX STATUS - (Continued)

The Plan's Form 5500 information returns are subject to examination by the Department of Labor generally for three years after they are filed. Management has evaluated the tax positions taken, and has not identified any positions that are not more likely than not to be sustained upon examination.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan at any time to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7. RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments include units of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The plan made direct payments to the third party administrator of \$ 54,278 which were not covered by revenue sharing.
