## Independent Auditors' Report

To the Plan Administrator  
Agape Child & Family Services, Inc. Tax Sheltered Annuity Plan  
Memphis, Tennessee

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Agape Child & Family Services, Inc. Tax Sheltered Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## AGAPE CHILD & FAMILY SERVICES, INC. TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### Note 1 - Description of Plan

The following description of Agape Child & Family Services, Inc. Tax Sheltered Annuity Plan (the "Plan") provides only general information. Participants should refer to the plan document or summary plan description for a more complete description of the Plan's provisions which are available from the plan administrator.

#### General

The Plan is a defined contribution 403(b) plan sponsored by Agape Child and Family Services, Inc. (the "Organization") for the benefit of its employees. Employees are eligible to participate immediately upon their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Contributions

Participants may elect to defer up to one-hundred percent (100%) of their eligible compensation subject to Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants over age of fifty (50) are eligible to make catch-up contributions. Participants who have worked a minimum of 15 years for the Organization may contribute additional amounts under the Special 403(b) Catch-Up Rule. The Plan allows the Organization to make discretionary matching contributions. The Plan also allows the Organization to make discretionary non-elective contributions. For the years ended December 31, 2024 and 2023, the Organization matched one-hundred percent (100%) of the first one percent (1%) of eligible compensation that a participant contributed to the Plan. If a participant elected to defer an amount greater than one percent (1%), the Organization automatically matched three percent (3%) of eligible compensation. There were no non-elective contributions made for 2024 or 2023.

Effective January 1, 2023, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at two percent (2%) of pre-tax of eligible compensation.

#### Participant investment account options

The Plan allows participants to direct varying portions of their contributions and account balances among the different investment options offered by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, Empower) for the years ended December 31, 2024 and 2023, which includes a diversified selection of mutual funds and a short term index fixed fund.

### Note 1 - Description of Plan (continued)

#### Participant accounts

Each participant's account is credited with the participant's deferral contributions, the Organization's discretionary matching contributions, and an allocation of the Organization's non-elective contribution, if any, plus a proportionate interest in the investment earnings or losses of the funds in which the contributions are invested, and charged with an allocation of administrative expenses.

Allocations are based upon the participant's eligible compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in all contributions plus earnings thereon.

#### Notes receivable from participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. The minimum amount that can be borrowed is \$1,000. The loans are secured by the balance in the participant's account and bear interest rates which are commensurate with prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions.

#### Payment of benefits

Upon termination of service for any reason, a participant may request to receive the value of the vested interest in his or her account as a distribution in the form of a lump sum payment. Withdrawals by a participant while employed are limited to those requested due to events of financial hardship as defined by the plan document or upon the attainment of age 59½.

### Note 2 - Summary of significant accounting policies

#### Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions which affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

### Note 2 - Summary of significant accounting policies (continued)

#### Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Contributions

Contributions from Plan participants and the matching contributions from the Organization are recorded in the year in which the employee contributions are withheld from compensation.

#### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

#### Payment of benefits

Benefits are recorded when paid.

#### Administrative expenses

Certain expenses of the Plan are paid by the Organization and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of benefit payments are charged directly to the respective participant's account. Certain investment related expenses are included in the net appreciation in fair value of investments.

### Note 3 - Information prepared and certified by the custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

## AGAPE CHILD & FAMILY SERVICES, INC. TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements (Continued)  
December 31, 2024 and 2023

Note 3 - Information prepared and certified by the custodian (continued)

- Investments at fair value
- Fully benefit-responsive investment contract at contract value
- Net appreciation in fair value of investments
- Dividend income
- Notes receivable from participants
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described below.

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**AGAPE CHILD & FAMILY SERVICES, INC. TAX SHELTERED ANNUITY PLAN**

Notes to Financial Statements (Continued)  
December 31, 2024 and 2023

Note 4 - Fair value measurements (continued)

Following is a description of the valuation methodologies used for investments measured at fair value.

*Mutual funds:* Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023.

	<u><b>Investments at Fair Value as of December 31, 2024</b></u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>1,729,614</u>	\$ <u>          </u> -	\$ <u>          </u> -	\$ <u>1,729,614</u>

	<u><b>Investments at Fair Value as of December 31, 2023</b></u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>1,379,221</u>	\$ <u>          </u> -	\$ <u>          </u> -	\$ <u>1,379,221</u>

Note 5 - Fully benefit-responsive investment contract

The Plan has a fully benefit-responsive investment contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based upon a formula established by the contract issuer but may not be less than zero percent. The crediting interest rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The investment contract is presented in the statements of net assets available for benefits at contract value.

## AGAPE CHILD & FAMILY SERVICES, INC. TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements (Continued)  
December 31, 2024 and 2023

---

---

### Note 5 - Fully benefit-responsive investment contract (continued)

The Plan's ability to receive amounts due was dependent upon the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendment to the Plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that events which would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

### Note 6 - Related party transactions and party-in-interest transactions

Plan investments include certain mutual funds offered by Empower and a guaranteed investment contract managed by Empower. Empower is the custodian of the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Certain fees incurred by the Plan for investment management services are included in net appreciation in the fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Plan made payments to parties-in-interest of \$16,697 and \$10,333 in 2024 and 2023, respectively, for other investment management and record-keeping services which were not covered by revenue sharing. The plan sponsor pays directly any other fees related to the Plan's operations.

### Note 7 - Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

### Note 8 - Tax status

The IRS issued an opinion letter dated November 14, 2022 stating that the Volume Submitter 403(b) Plan, which the Plan adopted, was designed in accordance with IRC requirements. Although the Plan has been amended since receiving the original determination letter, the plan administrative committee believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

## AGAPE CHILD & FAMILY SERVICES, INC. TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements (Continued)  
December 31, 2024 and 2023

---

---

### Note 8 - Tax status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

### Note 9 - Risks, uncertainties and concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of the investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2024, approximately 19% of the Plan's investments were invested in the JP Morgan Large Cap Growth Fund R6 and 15% of the Plan's investments were invested in the JP Morgan Large Cap Value Fund Class R6. At December 31, 2023, approximately 19% of the Plan's investments were invested in the JP Morgan Large Cap Growth Fund R6.

### Note 10 - Delinquent participant contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. Contributions relating to loan repayments of \$911 were not remitted within the required time period for the year ended December 31, 2023. The Company has remitted these delinquent loan repayments during 2023. The Company has submitted lost earnings associated with the 2023 delinquent contributions in July 2025.

### Note 11 - Subsequent events

Plan management has evaluated subsequent events through July 30, 2025, which is the date that the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
