Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) for the year ended December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 - DESCRIPTION OF PLAN:

The following description of the Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of Huron Casting, Inc. and its subsidiaries, Axis Machining, Inc., Arenac Casting, Inc., Blue Diamond Steel Casting, LLC, Blue Chip Machining LLC and Berne Enterprises, LLC ("Company"). Since all of the companies are related by common ownership, the plan is considered a single employer plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's management oversees governance of the Plan. The Plan's Administrative Committee determines the appropriateness of the Plan's investments, monitors investment performance, and reports to the company's management.

Contributions. Each year, participants may contribute a percentage of their pretax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust fund as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate of 3% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant.

The Company contributes 50% of the first 6% of base compensation that a participant contributes to the plan, plus 25% of the next 8% of base compensation that a participant contributes. Employees who are not employed on the last day of the Plan year or did not complete at least 1,000 hours of service during the plan year are not eligible for the Plan Sponsor matching contribution. Contributions are subject to certain statutory limitations.

Participant Accounts. Each participant's account is credited with the participant's voluntary contributions and an allocation of (1) the employer's contribution (2) plan earnings and (3) trustee fees. Allocations are based on participants' annual compensation or account balances, as defined per the Plan agreement. Allocations are also made in accordance with the investment account elections made by each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting. Participants are 100% vested in their contributions immediately upon their effective date of participation. Vesting of the employer matching contribution of each participant's account balance is as follows:

<u>Years of service</u>	<u>Vesting %</u>
1	0%
2	25%
3	50%
4	75%
5 or more	100%

Vesting service is obtained for each year of service during which a minimum of 1,000 hours have been worked. Participants are also fully vested in employer contributions upon the occurrence of any of the following events: death, permanent and total disability, attainment of the normal retirement age of 65.

Notes Receivable from Participants. Participants may borrow against their Plan account balance in accordance with the Plan agreement. The loans must bear reasonable rates of interest which are generally consistent with local borrowing rates as of the date of each loan. Interest payments made on the loans are credited as earnings to the participant's account balance.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 - DESCRIPTION OF PLAN: (CONTINUED)

Payment of Benefits. The Plan provides for payment of 100% of the account balance to participants upon normal retirement at age 65, death, or total and permanent disability. Early retirement is at age 55 with at least 10 years of service, at which time the employee is entitled to 100% of their account balance.

Participants terminating employment for any other reason are entitled to receive 100% of their vested account balances and the remaining non-vested portions would be forfeited.

Participants may elect to receive their benefits in the form of a single lump-sum payment or installment payments over a period of not more than their assumed life expectancy, based upon the Plan agreement.

Forfeited Accounts. For the years ended December 31, 2024 and 2023, forfeited non-vested accounts amounted to \$22,957 and \$33,187, respectively, which were used to reduce the employer matching contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting which conforms to accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant loan is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. For the years ended December 31, 2024 and 2023, there were no excess contributions payable recorded.

Payment of Benefits. Benefits are recorded when paid.

Plan Expenses. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Administrative expenses for the audit fees and other items are paid by the Plan.

Date of Management's Review. Subsequent events were evaluated through July 3, 2025, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Plan Administrative Committee determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of the mutual funds and collective investment funds are based on the closing price reported in the active market where the individual funds are traded, when available.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Balance at December 31,
2024		
Assets		
Mutual funds	\$41,981,283	\$41,981,283
Collective investment funds	<u>435,479</u>	<u>435,479</u>
Investments at fair value	<u>\$42,416,762</u>	<u>\$42,416,762</u>
2023		
Assets		
Mutual funds	\$40,627,363	\$40,627,363
Collective investment funds	<u>727,304</u>	<u>727,304</u>
Investments at fair value	<u>\$41,354,667</u>	<u>\$41,354,667</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

The Plan's investment information has been certified by JP Morgan Chase (Empower Trust Company, LLC).

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 4 - RELATED PARTY TRANSACTIONS:

Certain Plan investments are shares of mutual funds managed by JP Morgan Chase (Empower Trust Company, LLC). JP Morgan Chase (Empower Trust Company, LLC) is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The fees paid to JP Morgan Chase (Empower Trust Company, LLC) are built into the individual mutual funds as a percentage of the balances in the individual funds. The fees are estimated to be \$159,400 and \$154,300 for the plan years 2024 and 2023 and are built into the investment earnings associated with each fund and are not presented separately on the statements of changes in net assets available for benefits.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 6 - TAX STATUS:

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

NOTE 7 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500:

For the years ended December 31, 2024 and 2023, there are no differences in the net assets available for benefits or the changes in net assets available for benefits between the Plan's financial statements and the amounts reported on the Form 5500.

July 3, 2025

To the Plan Administrative Committee
Huron Casting, Inc./Axis Machining/Arenac Casting/
Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan

We have audited the financial statements of the Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the year ended December 31, 2024, and we will issue our report thereon dated July 3, 2025. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated April 22, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Your estimate of the fair values of the Plan's assets is based on quoted market prices. We evaluated the key factors and assumptions used to develop the fair values of the Plan's assets in determining that they are reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of the fair values of the Plan's assets in Note 3 to the financial statements provides information on the methods used to determine the fair values of the investments.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Any accounting, business or tax advice contained in this communication, including attachments and enclosures, is not intended as a thorough, in-depth analysis of specific issues, nor a substitute for a formal opinion, nor is it sufficient to avoid tax-related penalties.

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated July 3, 2025.

Other Matters

With respect to the ERISA-required supplementary information accompanying the financial statements, we made certain inquiries of you and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan Administrative Committee of the Huron Casting, Inc./Axis Machining/Arenac Casting/Blue Diamond/Blue Chip Machining/Berne Enterprises 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
