For the Period from January 1, 2023 to September 21, 2023

## Independent Auditors' Report

### **The Plan Administrator of The Children's Medical Group, PLLC Profit-Sharing Trust**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of The Children's Medical Group, PLLC Profit-Sharing Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of September 21, 2023 (liquidation basis) and December 31, 2022 (ongoing basis), and the related statement of changes in net assets available for benefits (liquidation basis) for the period from January 1, 2023 to September 21, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of September 21, 2023 and December 31, 2022, and for the period from January 1, 2023 to September 21, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Emphasis of Matters – Basis of Accounting and Distribution of Assets***

As discussed in Note 1 to the financial statements, the Plan was terminated effective May 31, 2023. As a result of this amendment, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. In addition, all assets of the Plan were distributed by September 21, 2023 and, therefore, the Plan ceased to exist as of that date. Our opinion is not modified with respect to these matters.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For the Period from January 1, 2023 to September 21, 2023

**1. Description of Plan**

The following description of The Children's Medical Group, PLLC Profit-Sharing Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

***General***

The Plan was a defined contribution plan established on January 1, 1997 covering all eligible employees of The Children's Medical Group, PLLC (the "Employer" or "Company"). The Plan excluded employees who were: union employees, non-resident aliens, and leased employees. Employees were eligible to participate and make elective deferrals and receive all employer contributions upon attainment of age 21 and completion of 1 year of service. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was terminated and all contributions to the Plan ceased effective May 31, 2023. As a result of this Plan amendment, the Plan has changed its basis of accounting from the ongoing basis to the liquidation basis as of that date. In addition, all assets of the Plan were distributed by September 21, 2023 and, therefore, the Plan ceased to exist as of that date.

***Contributions***

Eligible participants could elect to defer a portion of their eligible compensation on a pre-tax or Roth basis, as defined in the Plan document, up to the statutorily permitted amount. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified plans.

The Plan included an automatic enrollment feature whereby eligible employees were automatically enrolled in the Plan, unless they affirmatively elected not to participate, with a default rate set at 2% of their eligible compensation. The amount was deducted on a pre-tax basis.

The Company made an annual safe harbor contribution to eligible participants equal to 3% of their compensation totaling approximately \$112,000. The Company could make a discretionary matching contribution to the Plan based on a percentage of each participant's elective deferral contribution. During 2023, the Company did not make any discretionary matching contributions to the Plan. The Company could also make a profit-sharing contribution to eligible participants based on each participant's classification. During 2023, the Company made profit-sharing contributions to the Plan totaling approximately \$7,600.

***Participant Accounts***

Each participant's account was credited with the participant's contribution, allocations of: (a) Employer contributions and (b) Plan earnings (losses) thereon. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. All investments were participant directed.

**1. Description of Plan (continued)**

***Vesting***

Participants are one hundred (100%) vested immediately in all elective contributions, safe harbor contributions, plus earnings thereon. Through May 31, 2023, participants vested in Employer discretionary matching contributions and profit-sharing contributions based on the following table:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
3	20%
4	40%
5	60%
5	80%
6	100%

As a result of the Plan's termination effective May 31, 2023 (see General Section of Note 1), participants became 100% vested in their Employer contributions at that time.

***Forfeitures***

At September 21, 2023 and December 31, 2022, there were no forfeited non-vested accounts. These accounts were been used to reduce future Employer contributions or to pay Plan expenses. For the period from January 1, 2023 to September 21, 2023, no amounts were used to reduce Employer contributions or to pay Plan expenses.

***Payment of Benefits***

Upon termination of service due to death, disability, retirement or separation from service, a participant could elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Withdrawals from the Plan were also be granted based upon circumstances of financial hardship or after attaining age 59 1/2, in accordance with provisions specified in the Plan document.

***Notes Receivable from Participants***

The Plan offered a loan feature whereby a participant enrolled in the Plan could have borrowed a minimum of \$1,000 up to a maximum amount of 50% of their vested account balance or \$50,000 (whichever was less). The loans were secured by the participant's vested account balance and bore interest at the prime rate plus 1%. Principal and interest were paid ratably through payroll deductions. The borrower also paid a loan origination and record-keeping fee. The loan must have been repaid within a five year period, unless the loan was used for the purchase of a primary residence.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting and Use of Estimates***

As a result of the Plan termination effective May 31, 2023 (see Note 1), in accordance with accounting principles generally accepted in the United States of America, the Plan changed its basis of accounting from the ongoing basis for the 2022 financial statements to the liquidation basis for the 2023 financial statements. The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Fair Value Measurements***

The Plan followed U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. As a result of the distributions of all Plan assets, no investments were held by the Plan as of September 21, 2023.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value (“NAV”) per share as a practical expedient are not categorized within the fair value hierarchy.

***Investment Valuation and Income Recognition***

The Plan’s investments were stated at fair value. The mutual funds were valued at the daily closing price as reported by the fund. The funds held by the Plan were open-end and were registered with the Securities and Exchange Commission. These funds were required to publish their daily NAV and to transact at that price. These funds were deemed to be actively traded. The common/collective trust was valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the fund less their liabilities.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation in fair value of investments included the Plan’s gains and losses on investments bought and sold as well as held during the year.

**2. Summary of Significant Accounting Policies (continued)**

***Notes Receivable from Participants***

Notes receivable from participants were measured at their unpaid principal balance plus any accrued interest. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

***Payment of Benefits***

Benefits were recorded when paid.

***Administrative Expenses***

The Plan’s administrative expenses were paid by either the Plan or the Employer, as provided by the Plan’s provisions. Expenses that were paid by the Employer were excluded from these financial statements. Investment related fees were included in net appreciation in fair value of investments.

***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is July 17, 2025.

**3. Information Certified (Unaudited)**

Certain information related to investments disclosed in the accompanying financial statements, including investments held at December 31, 2022, and net appreciation in fair value of investments and interest and dividends for the period from January 1, 2023 to September 21, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, a qualified institution.

**4. Investments**

The following tables set forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2022:

	Level 1	Other Investments Measured at NAV*	Total
Mutual funds	\$ 13,899,832	\$ -	\$ 13,899,832
Common/collective trust	-	525,437	525,437
	\$ 13,899,832	\$ 525,437	\$ 14,425,269

(\*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

**5. Common/Collective Trust**

The Goldman Sachs Stable Value Collective Trust (the "Fund") was an investment option offered to participants under the Plan. The objective of the fund was to earn income, while seeking to preserve capital and stability of principal. The Fund was managed and distributed by Goldman Sachs Trust Company, N.A. The Fund attempted to accomplish its investment objective by investing primarily in stable value investment contracts. The price of the Fund's units was based on the NAV of each portfolio in which it invested. The NAV per unit of the Fund equaled the total value of its assets, less its liabilities, divided by the number of its outstanding units. The Fund had no unfunded commitments.

Purchases of the Fund were accepted daily and were credited based upon the NAV per unit as of the close of business on the date the purchase was received by the trustee. Withdrawals generally were permitted daily for the Fund, at a redemption price equal to the NAV per unit redeemed as determined by the trustee.

There were no unfunded commitments as of September 21, 2023.

**6. Income Tax Status**

The Internal Revenue Service ("IRS") issued an opinion letter, dated June 30, 2020, which states that the Plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan was terminated after receiving the letter. Plan management believes that the Plan was being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

**7. Party-In-Interest Transactions**

Participants who were active employees could borrow from their accounts and such loans qualified as exempt party-in-interest transactions under ERISA. These loans were recorded as notes receivable from participants in the statement of net assets available for benefits.

Certain employees of the Employer, who may have been participants in the Plan, performed administrative services for the Plan at no cost to the Plan.
