## Independent Auditors' Report

---

### **Plan Administrators**

#### **Extra Space Management, Inc. 401(k) Plan**

### **Opinion**

We have audited the financial statements of the Extra Space Management, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the assets available for benefits of the Extra Space Management, Inc. 401(k) Plan as of December 31, 2024 and 2023, and the changes in its assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

---

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter—Supplemental Schedules Required by ERISA**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

---

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Extra Space Management, Inc. 401(k) Plan  
Notes to Financial Statements**

**1. DESCRIPTION OF PLAN**

The following description of the Extra Space Management, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, adoption agreement, and summary plan description for a more complete description of the Plan’s provisions.

**General**

The Plan is a qualified 401(k) defined contribution plan, covering all employees of Extra Space Management, Inc. (“Sponsor”) who have reached age 18. Employees are eligible after 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Extra Space Storage, Inc. (the “Company”) appoints a committee to administer the Plan (the “Plan Administrative Committee”). As of December 31, 2024, the Plan Administrative Committee was comprised of three members of management, with Fidelity Management Trust Company (“Fidelity” or “Trustee”) acting as Trustee.

**Contributions**

Contributions are made to the Plan by both employees and the Sponsor. Employee contributions to the Plan are deferrals of the employee’s compensation made through a direct reduction of compensation in each payroll period. Participating employees may contribute a percentage of their annual compensation up to 75% of eligible compensation, subject to the limitations of the Internal Revenue Code (IRC). The Plan also provides participants who are age 50 or older by the end of the calendar year, and who are making deferral contributions to the Plan, the option to make catch-up contributions, subject to the limitations of the IRC. The Sponsor matches 100% of the first 3% of the participant’s eligible contribution and 50% of the next 2%. The Sponsor, at its discretion, may make an additional matching contribution, not to exceed 4% of the employee’s compensation. Participants direct the investment of their contributions and the Sponsor’s match into various investment options offered by the Plan.

Participants may also contribute to the Plan amounts representing distributions from other qualified plans.

**Participant Accounts**

Each participant’s account is adjusted for the participant’s contributions, the Sponsor’s matching contributions, expenses, and earnings and losses specifically identified with the participant’s investment account. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately vested in their contributions and the Sponsor’s matching contributions.

**Notes Receivable from Participants**

Participants may borrow from their Plan accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their account balance. These loans are subject to a repayment period of no more than five years, unless the loan is withdrawn for the purchase of a participant’s primary residence, in which case the repayment period may not extend beyond 10 years. Certain loans exceed the 10-year repayment period for participants who came over to the Plan as part of an acquisition, which allowed loans with a longer repayment period. All loans are secured by the balance in the participant’s account, and principal and interest payments are paid ratably by the participant through payroll deductions.

**1. DESCRIPTION OF PLAN - *Continued***

**Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event the Plan is terminated, all participant accounts would be distributed among the participants in accordance with the terms set forth in the Plan.

**Payment of Benefits**

Upon termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the vested benefits in his or her account. Under certain circumstances, including financial hardship, participants may withdraw their contributions prior to the occurrence of these events. Vested accounts for terminated employees which do not exceed \$7,000 but are greater than \$1,000 are automatically rolled over into an individual retirement account. Accounts which are less than \$1,000 are automatically distributed in a lump sum.

**Forfeitures**

As of December 31, 2024 and 2023, there was a balance in the forfeiture account related to unallocated amounts of excess employer contributions totaling \$20,410 and \$30,526, respectively. These amounts will be used to reduce employer contributions or pay administrative expenses of the Plan. During the year ended December 31, 2024, excess contributions totaled \$10,381.

**Administrative Expenses**

The Sponsor pays all administrative expenses of the Plan, except for loan processing fees, record keeping fees and the fees associated with additional participant services provided by Global Retirement Partners, LLC ("Advisor"). The fees associated with loan processing, record keeping and additional services by the Advisor are paid by the participant's account. Total administrative fees paid by the Plan were \$396,952 for the year ended December 31, 2024.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Investment Options**

The Plan's assets are invested in various investment options offered by the Trustee and in stock of the Sponsor, as directed by Participants. Participants may change their investment options at will.

**Basis of Accounting**

The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with U.S. generally accepted accounting principles ("U.S. GAAP").

**Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrators to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued**

**Investment Valuation and Income Recognition**

*Common collective trusts:* The Great Gray Collective Investment Trust and the Great Gray Collective Investment Trust II (collectively, the "Great Gray Trusts") are common collective trusts maintained by Great Gray Trust Company LLC ("Great Gray"), the trustee. Great Gray generally determines the fair value of the Great Gray Trusts' units each day the New York Stock Exchange is open for trading. The NAV per unit is computed based on the fair value of the underlying assets owned by the fund, minus its liabilities, divided by the number of units outstanding at the time of such computation. The Trusts have (1) no unfunded commitments, (2) a daily redemption frequency, and (3) no redemption notice period as of December 31, 2024 and 2023.

*Mutual funds:* Valued at the quoted net asset value ("NAV") of shares held by the Plan at year-end or the last reported sales on an active market prior to close of the Plan year. The mutual funds held by the Plan are deemed to be actively traded.

*Common stocks:* The Plan's valuation methodology used to measure the fair value of common stocks was derived from quoted market prices as all of these instruments have active markets.

*Brokerage account holdings:* These are composed of money market funds, mutual funds, and common stocks. The valuation for these is consistent with the above mentioned items.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net appreciation in the fair value of investments includes realized and unrealized gains (losses) on investments, and is recognized in income currently. Net unrealized gains (losses) represent the difference between the book value (which represents the prior year ending fair value, or cost if the investment was purchased during the year) and the fair value of investments held at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Dividends and interest are reinvested as earned.

**Payment of Benefits**

Benefits are recorded when paid by the Plan.

**Notes Receivable from Participants**

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized over the terms of the notes at the rate specified in the loan documents. As of December 31, 2024, outstanding loans totaled \$3,895,505 with interest rates ranging from 4.25% to 10.25% and maturity dates ranging from January 2025 to June 2052. Fees related to notes receivable from participants are recorded as administrative expenses when incurred. If a participant defaults, the carrying amount of the note receivable from the participant is eliminated and a benefit payment is recorded at the time the participant has a distributable event. Notes receivable from participants are considered delinquent when payments are not made in accordance with the terms of the note and are evaluated to determine if they are in default.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued**

**Fair Value Measurements**

The Plan reports investments in accordance with established authoritative guidance, which requires a three-level valuation hierarchy for disclosure of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date.

The three levels are defined as follows:

Level 1 inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that are accessible at the measurement date.

Level 2 inputs are from other than quoted market prices included in Level 1 that are observable for the asset or liability, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 inputs are unobservable and significant to the valuation methodology.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables classify the investment assets measured at fair value by level within the fair value hierarchy as of December 31, 2024 and 2023:

**Fair Value Measurement as of December 31, 2024**

	Level 1	Level 2	Level 3	Fair Value as of December 31, 2024
Mutual funds	148,833,883	—	—	148,833,883
Common stock of the Sponsor	7,405,810	—	—	7,405,810

Investments at net assets*				6,793,853
<b>Total Investments</b>				<b>164,516,922</b>

**Fair Value Measurement as of December 31, 2023**

	Level 1	Level 2	Level 3	Fair Value as of December 31, 2023
Mutual funds	116,556,723	—	—	116,556,723
Common stock of the Plan Sponsor	7,698,781	—	—	7,698,781

<b>Total Investments</b>				<b>133,401,443</b>

\* The investment in common collective trusts are measured at fair value using the net asset value per share (or its equivalent) practical expedient and has not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of assets available for benefits.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - *Continued***

**Subsequent Events**

The plan administrator has evaluated subsequent events through June 27, 2025, the date the financial statements were available to be issued. No subsequent events were noted during this evaluation that require recognition or disclosure in these financial statements.

**3. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

As of December 31, 2024, the Plan's assets consisted of mutual funds issued by the Trustee and participant loans extended to participants. The Trustee is considered a party-in-interest because it manages the Plan's assets. Participants are also considered parties-in-interest. Both of these transactions are considered exempt party-in-interest transactions.

Transactions associated with the shares of common stock of the Sponsor are also considered exempt party-in-interest transactions. As of December 31, 2024, the Plan held 49,487 shares of the Sponsor's common stock. Total outstanding number of shares of common stock of the Sponsor as of December 31, 2024 was 211,995,510 shares.

**4. RISKS AND UNCERTAINTIES**

The Plan provides for investment in various investment securities. In general, these securities are exposed to various risks, such as interest rate, market, and credit in addition to changes in economic conditions. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying statements of assets available for benefits.

**5. INCOME TAX STATUS**

The Plan has adopted a non-standardized prototype plan for which the Internal Revenue Service has issued an opinion letter dated June 30, 2020, covering the qualification of the Plan under the appropriate sections of the Internal Revenue Code. The plan administrators believe that the Plan continues to operate in accordance with the requirements to qualify for tax-exempt status. Accordingly, no provision for income taxes is included in the accompanying financial statements.

Management evaluates tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by taxing authorities. Plan management has concluded that as of December 31, 2024, there are no uncertain tax positions that require either recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities for tax years for which the applicable statutes of limitations have not expired. To the plan administrator's knowledge there are currently no audits for any tax periods in progress.

**6. SECURE 2.0**

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 CARES Act. All mandatory SECURE 2.0 provisions have been put into effect in 2024. One optional provision has been implemented that increased the cashout limit from \$5,000 to \$7,000.
