INDEPENDENT AUDITOR'S REPORT

To the Trustees
Midwest Management Group, Inc.
Retirement Savings Plan

Opinion

We have audited the accompanying financial statements of Midwest Management Group, Inc., Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Midwest Management Group, Inc., Retirement Savings Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Midwest Management Group, Inc., Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Management Group, Inc., Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records

with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Midwest Management Group, Inc., Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Management Group, Inc., Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H line 4i- Schedule of Assets Held At End of Year, as of December 31, 2023 and Schedule line 4a-Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and

reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MIDWEST MANAGEMENT GROUP, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Midwest Management Group, Inc. Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Midwest Management Group, Inc. is a professional employee organization servicing various client organizations in the Metropolitan Detroit Area. The plan was adopted in order to strengthen its relationship with its client organizations and employees.

General

The Plan is a defined contribution, multiple employer 401(K) plan covering substantially all employees of participating client organizations of Midwest Management Group, Inc. ("Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, subject to certain limits imposed by law, participants may elect to contribute a portion of annual pretax compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit plans. The client organizations may make discretionary matching and non-elective contributions to the plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) client organization contributions, (c) plan earnings allocable to the participant's account, and (d) forfeitures of any nonvested portion of terminated participants of the client organization. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Vesting

Participants are immediately 100% vested in participant contributions plus actual earnings thereon. Vesting of client organization contributions and actual earnings thereon is based on years of continuous service at the client organization. Participants become 100 percent vested in client organization contributions after five or six years of credited service, depending on the option chosen by each participating client organization.

Participant Loans

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as transfers to (from) the investment funds from (to) the participant loan funds. Loan terms range up to five years, or longer if the funds are used to acquire a primary residence. The loans are collateralized by the balance in the participant's vested account or primary residence, if applicable, and bear interest at a rate commensurate with local prevailing rates. Payments of principal and interest are made through regular payroll deductions. For the period after March 27, 2020 the Plan adopted special loans and terms under the Cares Act as allowed by law.

NOTE 1 – DESCRIPTION OF THE PLAN-CONTINUED

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest. For the period after March 27, 2020 the Plan adopted the distribution provisions for the Cares Act as allowed by law.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts during the reporting period and at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Assets

The Plans investments are valued at fair market value. See Note 5 for discussion of fair value measurements.

Payment of Benefits

Benefits are recorded when paid.

Funding Policy

The Sponsor deposits employee contributions based on voluntary withholdings from the earnings of eligible participants on a weekly basis. Matching contributions and discretionary non-elective contributions are funded currently.

Subsequent Events

Management has evaluated events and transactions for potential recognition or disclosure through 07/25/2025, which is the same date the financial statements were available to be issued.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants will become fully vested in their account balances.

MIDWEST MANAGEMENT GROUP, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 4 – INVESTMENTS

The Plan's investments are held by Charles Schwab Trust Bank (Schwab). Schwab maintains the Plan assets in various participant directed mutual funds.

The accounts are credited with earnings from the underlying investments and charged for administrative expenses and, at the discretion of the Plan's administrator, withdrawals to pay benefits to named participants or their beneficiaries. All investments held by the Plan are participant directed.

NOTE 5 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles (GAAP) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

Valued at the daily closing price as reported by the Mutual Fund. Mutual Funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily Net Asset Value (NAV) and to transact at the price. The Mutual Funds held by the Plan are deemed to be actively traded.

MIDWEST MANAGEMENT GROUP, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 5 – FAIR VALUE MEASUREMENTS-CONTINUED

Principal common collective trust funds

The initial pricing input is the quoted price obtained for the underlying mutual fund which is then adjusted to apply the expense factor disclosed in the annuity contract. The formula-calculated unit value is then compared to an accounting-driven unit value the following morning. The accounting unit value is determined in a manner similar to a mutual fund NAV calculation: dividing the net assets by the number of units outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value;

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,579,135	\$ -	\$ -	\$ 7,579,135
Collective trust accounts	-	5,496	-	5,496
Mutual funds	\$ 7,579,135	\$ 5,496	\$ -	\$ 7,584,631
	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,394,494	\$ -	\$ -	\$ 6,394,494
Collective trust accounts	-	-	-	-
Mutual funds	\$ 6,394,494	\$ -	\$ -	\$ 6,394,494

NOTE 6 – CONTINGENCY

The underlying investments of many of the fund choices are mutual funds. While these funds invest primarily in equity and debt securities traded on national exchanges, they also invest in certain derivative financial instruments such as options, warrants and repurchase agreements which may carry an increased level of investment risk.

NOTE 7 – PLAN ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan have been paid by the Plan sponsor during the year ended December 31, 2023.

MIDWEST MANAGEMENT GROUP, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 8 – RELATED PARTY TRANSACTIONS

Certain Plan investments are held by Schwab(custodian), at the direction of the Plan's participants. Ameritas serves as the Plan's third-party administrator. Midwest Management Group, Inc. serves as the Plan's administrator. Related transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and plan administration amounted to \$120,954 for the year ended December 31, 2023.

NOTE 9 – PLAN TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status, the Volume Submitter Plan from which the Plan was drafted received a favorable advisory from the IRS effective June 2020. Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11 – NONEXEMPT TRANSACTIONS

As reported on the supplemental schedule of delinquent participant contributions (Schedule H, Line 4a), certain contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt transactions between the Plan and the client organizations for the year ended December 31, 2023. The client organizations are in the process of correcting the delinquent contributions of Plan year 2023 through a calculation of lost earnings for affected participants.

INDEPENDENT AUDITOR'S REPORT

To the Trustees
Midwest Management Group, Inc.
Retirement Savings Plan

Opinion

We have audited the accompanying financial statements of Midwest Management Group, Inc., Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Midwest Management Group, Inc., Retirement Savings Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Midwest Management Group, Inc., Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Management Group, Inc., Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records

with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Midwest Management Group, Inc., Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Management Group, Inc., Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H line 4i- Schedule of Assets Held At End of Year, as of December 31, 2023 and Schedule line 4a-Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and

reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MIDWEST MANAGEMENT GROUP, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Midwest Management Group, Inc. Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Midwest Management Group, Inc. is a professional employee organization servicing various client organizations in the Metropolitan Detroit Area. The plan was adopted in order to strengthen its relationship with its client organizations and employees.

General

The Plan is a defined contribution, multiple employer 401(K) plan covering substantially all employees of participating client organizations of Midwest Management Group, Inc. ("Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, subject to certain limits imposed by law, participants may elect to contribute a portion of annual pretax compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit plans. The client organizations may make discretionary matching and non-elective contributions to the plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) client organization contributions, (c) plan earnings allocable to the participant's account, and (d) forfeitures of any nonvested portion of terminated participants of the client organization. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Vesting

Participants are immediately 100% vested in participant contributions plus actual earnings thereon. Vesting of client organization contributions and actual earnings thereon is based on years of continuous service at the client organization. Participants become 100 percent vested in client organization contributions after five or six years of credited service, depending on the option chosen by each participating client organization.

Participant Loans

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as transfers to (from) the investment funds from (to) the participant loan funds. Loan terms range up to five years, or longer if the funds are used to acquire a primary residence. The loans are collateralized by the balance in the participant's vested account or primary residence, if applicable, and bear interest at a rate commensurate with local prevailing rates. Payments of principal and interest are made through regular payroll deductions. For the period after March 27, 2020 the Plan adopted special loans and terms under the Cares Act as allowed by law.

NOTE 1 – DESCRIPTION OF THE PLAN-CONTINUED

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest. For the period after March 27, 2020 the Plan adopted the distribution provisions for the Cares Act as allowed by law.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts during the reporting period and at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Assets

The Plans investments are valued at fair market value. See Note 5 for discussion of fair value measurements.

Payment of Benefits

Benefits are recorded when paid.

Funding Policy

The Sponsor deposits employee contributions based on voluntary withholdings from the earnings of eligible participants on a weekly basis. Matching contributions and discretionary non-elective contributions are funded currently.

Subsequent Events

Management has evaluated events and transactions for potential recognition or disclosure through 07/25/2025, which is the same date the financial statements were available to be issued.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants will become fully vested in their account balances.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – INVESTMENTS

The Plan's investments are held by Charles Schwab Trust Bank (Schwab). Schwab maintains the Plan assets in various participant directed mutual funds.

The accounts are credited with earnings from the underlying investments and charged for administrative expenses and, at the discretion of the Plan's administrator, withdrawals to pay benefits to named participants or their beneficiaries. All investments held by the Plan are participant directed.

NOTE 5 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles (GAAP) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

Valued at the daily closing price as reported by the Mutual Fund. Mutual Funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily Net Asset Value (NAV) and to transact at the price. The Mutual Funds held by the Plan are deemed to be actively traded.

MIDWEST MANAGEMENT GROUP, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 5 – FAIR VALUE MEASUREMENTS-CONTINUED

Principal common collective trust funds

The initial pricing input is the quoted price obtained for the underlying mutual fund which is then adjusted to apply the expense factor disclosed in the annuity contract. The formula-calculated unit value is then compared to an accounting-driven unit value the following morning. The accounting unit value is determined in a manner similar to a mutual fund NAV calculation: dividing the net assets by the number of units outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value;

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,579,135	\$ -	\$ -	\$ 7,579,135
Collective trust accounts	-	5,496	-	5,496
Mutual funds	\$ 7,579,135	\$ 5,496	\$ -	\$ 7,584,631
	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,394,494	\$ -	\$ -	\$ 6,394,494
Collective trust accounts	-	-	-	-
Mutual funds	\$ 6,394,494	\$ -	\$ -	\$ 6,394,494

NOTE 6 – CONTINGENCY

The underlying investments of many of the fund choices are mutual funds. While these funds invest primarily in equity and debt securities traded on national exchanges, they also invest in certain derivative financial instruments such as options, warrants and repurchase agreements which may carry an increased level of investment risk.

NOTE 7 – PLAN ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan have been paid by the Plan sponsor during the year ended December 31, 2023.

MIDWEST MANAGEMENT GROUP, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 8 – RELATED PARTY TRANSACTIONS

Certain Plan investments are held by Schwab(custodian), at the direction of the Plan's participants. Ameritas serves as the Plan's third-party administrator. Midwest Management Group, Inc. serves as the Plan's administrator. Related transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and plan administration amounted to \$120,954 for the year ended December 31, 2023.

NOTE 9 – PLAN TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status, the Volume Submitter Plan from which the Plan was drafted received a favorable advisory from the IRS effective June 2020. Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11 – NONEXEMPT TRANSACTIONS

As reported on the supplemental schedule of delinquent participant contributions (Schedule H, Line 4a), certain contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt transactions between the Plan and the client organizations for the year ended December 31, 2023. The client organizations are in the process of correcting the delinquent contributions of Plan year 2023 through a calculation of lost earnings for affected participants.
