INDEPENDENT AUDITOR'S REPORT

TO THE BENEFITS COMMITTEE
WOODSMAN ESOP

Opinion

We have audited the accompanying financial statements of Woodsman ESOP, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Woodsman ESOP as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Woodsman ESOP and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Phone 904.421.0690
Fax 904.421.0691**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodsman ESOP's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MJW Consolidated, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MJW Consolidated, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Statement of Assets Held as of December 31, 2024 and 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WOODSMAN ESOP

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN**

The following description of the Woodsman ESOP provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

Woodsman Kitchens & Floors, Inc. (the "Plan Sponsor") established the Woodsman ESOP (the "Plan") on January 1, 2023. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan is administered by an ESOP Committee appointed by the Woodsman ESOP Board of Directors.

Administration of Plan Assets

In 2023, the Company appointed Stephen C. James as Trustee. Plan assets, which consist principally of Woodsman Kitchens & Floors, Inc. common shares, are held by the Trustee.

Funding

The Plan purchased Company common shares directly and using the proceeds of loans from the Company (see Note 7). Borrowings are generally repaid by Company contributions to the Plan. As the Plan makes each payment of principal, an appropriate percentage of stock is allocated to eligible employees' accounts.

The financial statements of the Plan present separately the assets, liabilities, and changes therein pertaining to:

1. Accounts of employees with vested rights in allocated stock (Allocated)
2. Stock not allocated to employees (Unallocated)

Eligibility

All employees on the effective date of the Plan were eligible, thereafter the quarter after obtaining age 18 and credited with at least 1,000 hours during a 6-month consecutive period.

WOODSMAN ESOP

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN** – (Continued)

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each plan year with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account, cash contributions and forfeitures of terminated participants' non-vested accounts. Only those participants who are eligible employees of the Company as of the last day of the plan year receive an allocation. Allocations are a uniform amount per participant based on the portion of the year they are eligible. If a participant is eligible any part of a quarter, then a participant receives credit for that quarter.

Vesting

Employees become 100% vested after 5 years or more of service.

Payment of Benefits

Distributions are made when a participant retires, dies, or otherwise terminates employment with the Company. Participant shares are purchased by the Plan based upon the prior year's estimated fair value.

Participants are entitled to a benefit at normal retirement age (later of 65 or 5th anniversary of participation), death, or total and permanent disability. Account balances are paid in five annual installments unless there is sufficient cash accelerate payment. Payments begin after the end of the plan year in which the qualifying event occurs.

If an employee terminates employment for circumstances other than listed above, distributions are paid in annual installments of three or five years based upon the participant's account balance.

Account balances of \$5,000 or less are paid in a single sum distribution.

Expenses and Fees

Expenses and fees associated with the Plan are paid by the Plan Sponsor. Such expenses and fees include the compensation of consultants, loan fees, attorney fees, third party administrator, and costs related to Plan accounting. During the years ended December 31, 2024 and 2023, expenses and fees were \$46,599 and \$1,005,398, respectively. Fees associated with the audit for the Plan were paid by the Plan Sponsor and are not included in expenses in these financial statements.

WOODSMAN ESOP

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN** – (Continued)

Put Option

Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. There are two 60-day put options. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current appraised value of the stock. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Diversification

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company common stock into investments that are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a 6-year period. In each of the first 5 years, a participant may diversify up to 25 percent of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50 percent. The election to diversify is made subsequent to year-end based upon the shares of employer stock in the participant's account at year-end.

Voting Rights

The Trustee will vote all shares of Company stock held by it as part of the Plan assets. Participants are entitled to direct the Trustee in confidence to vote the shares of Company stock allocated to their Company stock account with respect to the approval or disapproval of certain corporate mergers or consolidations, the re-capitalization or re-classification of Company stock, or the liquidation, dissolution or sale of substantially all of the assets of the Company. The Trustee will, as directed by the Committee, vote shares of Company stock for which no instructions have been received, shares with respect to which instructions were not received in a timely or proper manner, shares which have not been allocated to participants' accounts and on all matters on which participants are not entitled to direct the Trustee.

WOODSMAN ESOP

NOTES TO FINANCIAL STATEMENTS

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of accounting policies of the Woodsman ESOP is presented to assist in understanding the Plan's financial statements.

Basis of Accounting

The Plan uses the accrual method of accounting. Under this method of accounting, contributions to the Plan are recognized when approved by the Employer. Revenues are recognized when earned, and expenses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities. Actual results could differ from reported amounts of additions to and deductions from net assets during the reporting period.

Investment Valuation

Investments are recorded at the fair value on the last business day of the Plan year. Quoted market prices are used to value investments. Increases and decreases in market value of the investments are reflected in the statement of changes in net assets available for benefits.

Income Taxes

Woodsman Kitchens & Floors, Inc. has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. In lieu of corporation income taxes, the shareholders of an S corporation are taxed on their proportionate share of the Company's taxable income.

The Company has filed but not yet received an Internal Revenue Service determination that Woodsman ESOP is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

WOODSMAN ESOP

NOTES TO FINANCIAL STATEMENTS

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** – (Continued)

Operating Expenses

Certain administrative functions are performed by officers or employees of the Company or its subsidiaries without compensation from the Plan.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate fluctuations, market changes and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. **PLAN TERMINATION**

The Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon termination of the Plan, the interest of each participant account will become fully vested and non-forfeitable. The share value will be determined as of the effective date of the termination. Each participant's account will be adjusted proportionately to reflect any charges or fees resulting from the termination of the Plan.

4. **FAIR VALUE MEASUREMENTS**

Fair value as defined under generally accepted accounting principles ("GAAP") is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1: Observable inputs such as quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 may also include insignificant adjustments to market observable inputs.

WOODSMAN ESOP

NOTES TO FINANCIAL STATEMENTS

4. **FAIR VALUE MEASUREMENTS** – (Continued)

Level 3: Unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

Following is a description of the valuation methodologies used for assets measured at fair values.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Woodsman Kitchens & Floors, Inc. common stock value is determined by an annual independent appraisal. This appraisal was based on a combination of the market and income valuation methods consistent with prior years.

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2024 and 2023:

4. FAIR VALUE MEASUREMENTS – (Continued)

The fair value amounts presented are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.

For the years ended December 31, 2024 and 2023, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

5. INVESTMENTS
