## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
**Penn Veterinary Supply, Inc. Group Health Plan**  
Lancaster, Pennsylvania

### ***Opinion***

We have audited the accompanying financial statements of **Penn Veterinary Supply, Inc. Group Health Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits - modified cash basis as of October 31, 2024 and 2023, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits - modified cash basis of **Penn Veterinary Supply, Inc. Group Health Plan** as of October 31, 2024 and 2023, and the changes in its net assets available for benefits - modified cash basis for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of **Penn Veterinary Supply, Inc. Group Health Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***auditors' Responsibilities for the Audits of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Penn Veterinary Supply, Inc. Group Health Plan s** internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Penn Veterinary Supply, Inc. Group Health Plan s** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) - modified cash basis as of October 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES to FINANCIAL STATEMENTS

### NOTE 1 - DESCRIPTION of the PLAN

The following description of the **Penn Veterinary Supply, Inc. Group Health Plan** (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

#### **General and Plan Amendment**

The Plan provides medical and prescription health benefits covering all eligible employees of Penn Veterinary Supply, Inc. (the Corporation). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was amended January 17, 2023 to waive the waiting period for employees transferring from part-time to full-time employment status to the extent that they were already employed part-time.

#### **Benefits**

The Plan provides medical and prescription health benefits covering full-time employees, scheduled to work at least 30 hours per week, of the Corporation, their lawful spouses, and their dependents. Employees hired on the first through the third day of the month are eligible upon date of hire. Employees hired on the fourth day of the month through the end of the month are eligible on the first day of the month following 30 days of active service. New employees must enroll within 30 days of eligibility or enrollment is not permitted until an annual enrollment period that is held each year. An eligible employee who has terminated employment with the Corporation and is later rehired within 90 days, will be offered enrollment of the same election of benefits upon rehire.

#### **Self-Insured Benefits**

The medical and prescription health benefits are self-insured by the Corporation. The claims for these self-insured benefits are processed by the Plan's third-party administrators (TPAs) under administrative services only (ASO) arrangements. The TPAs pay claims directly to or on behalf of participants. The payments for these claims are paid by the Plan's trust account, which is funded by the general assets of the Corporation and employee payroll deductions. Despite the Plan's utilization of TPAs for claims processing, the ultimate responsibility for payments to providers and participants is retained by the Plan.

#### **Health Savings Account**

Participants in the Plan can contribute to a health savings accounts (HSA). The associated activity of the HSA accounts for Plan participants is excluded from these financial statements because the Plan is not obligated to pay the benefits.

#### **Stop-Loss Coverage**

The Corporation has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount) as well as its aggregate exposure for all claims.

#### **Contributions**

The Corporation shall periodically deliver to the Plan such amounts of money as shall be necessary for timely payment of all claims and reasonable administrative expenses of the Plan. The Corporation provides for stop-loss insurance over a specified amount as per agreement with the excess loss carrier, with the premiums being paid from the general assets of the Plan Sponsor. Participant contributions represent a percentage of participant and dependent costs. The Plan is contributory.

### NOTE 1 - DESCRIPTION of the PLAN (Continued)

#### **Consolidated Omnibus Budget Reconciliation Act (COBRA)**

Generally effective for Plan years beginning on or after July 1, 1986, the Plan is required to offer continuation of benefits for a specified period of time to qualified participants and their dependents who would not otherwise be eligible for continued coverage because of a particular qualifying event as required by law. Each qualifying individual pays his/her premium directly to the third-party administrators, which is shown as COBRA deposits. COBRA claims and other COBRA expenses are paid by the TPAs.

#### **Termination of the Plan**

The Corporation has the right under the Plan to modify the benefits provided to and contributions required of participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Corporation must pay the claims incurred and expenses of the Plan due up to the date of termination plus extended benefits, if any, provided under the Plan. Also, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Corporation or be used for purposes other than that for the exclusive benefit to the Plan's participants.

### NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting**

The Plan follows the practice of presenting its financial statements in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (US GAAP). Under the modified cash basis of accounting, only revenues collected, costs and expenses paid, and assets and liabilities arising as a result of cash transactions or from the recognition of income due from insurance companies for claims paid or deferred employer contributions are recognized. Investments are recorded at fair value. Therefore, accrued income and expenses, payables, and deferred expenses, which may be material in amount, are not reflected on the accompanying financial statements.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Interest income is recorded when received by the custodian. Net appreciation (depreciation), if any, includes the Plan's gains and losses on investments bought and sold, as well as held during the period.

#### **Payment of Benefits**

Claims payments are recorded when paid by the TPAs. Out of network fees associated with claims are recorded in benefit payments.

Excess loss premiums paid are recorded as payments in the accompanying statements of changes in net assets available for benefits - modified cash basis.

### NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Administrative Expenses

Administrative fees paid by the Corporation are recorded in the accompanying statements of changes in net assets available for benefits - modified cash basis.

Certain indirect administrative expenses associated with the Plan are paid by the Corporation.

#### Stop-Loss

Premiums for stop-loss insurance are paid by the Corporation and recorded in the accompanying statements of changes in net assets available for benefits - modified cash basis. Stop-loss refunds totaling \$782,121 and \$531,039 for the years ended October 31, 2024 and 2023, respectively, have been netted with claims paid in the accompanying statements of changes in net assets available for benefits - modified cash basis. Stop-loss refund receivables totaling \$123,466 and \$37,148 for the years ended October 31, 2024 and 2023, respectively have been netted with employer contributions in the accompanying statements of changes in net assets available for benefits - modified cash basis.

#### Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those amounts.

#### Benefit Obligations

Plan obligations at October 31, 2024 and 2023, for health claims incurred by participants are estimated by analyzing actual subsequently paid claims that have dates of service during the reporting period are reported by the third-party administrators.

#### Income Taxes

The trust established under the Plan to hold the Plan's assets is a taxable trust account. No income taxes were due and payable for the periods presented.

Plan Management evaluates tax positions taken by the Plan and discloses a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2024 and 2023 there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### NOTE 3 - INVESTMENTS

The Plan's investments consist solely of a money market deposit account. The following table presents the fair value of investments.

	October 31, 2024	October 31, 2023
<b>Investments at Fair Value:</b>		
Money Market Deposit Account:	201,373	94,028

Interest income for the years ended October 31, 2024 and 2023, totaled \$6,138 and \$3,679, respectively.

### NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets.

Quoted prices for identical or similar assets or liabilities in inactive markets.

Inputs other than quoted prices that are observable for the asset and liability.

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 31, 2024 and 2023:

*Money Market Deposit Fund:* The money market deposit account held by the Plan is an interest-bearing bank account, rather than an SEC registered money market fund and is FDIC insured up to \$250,000. The fair value is based on original cost plus reinvested interest.

### NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of October 31, 2024:

	Level 1	Level 2	Level 3	Total
Money Market Deposit Account	201,373	-0-	-0-	201,373

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of October 31, 2023:

	Level 1	Level 2	Level 3	Total
Money Market Deposit Account	94,028	-0-	-0-	94,028

#### Level 3 Gains and Losses

There were no Level 3 investments as of October 31, 2024 and 2023.

### NOTE 5 - BENEFIT OBLIGATIONS

The following are the Plan's benefit obligations at October 31, 2024 and 2023.

	2024	2023
Claims Payable and Currently Due for Active Participants	84,695	7,521
Claims Incurred but not Reported to the Plan for Active Participants	<u>223,002</u>	<u>462,319</u>
	<b>307,697</b>	<b>469,840</b>

The assumed health care cost-trend rates used for the years ended October 31, 2024 and 2023, to measure the expected cost of benefits claims payable and currently due and claims incurred but not reported to the Plan for the next Plan year, was 3.29% and (0.77%), respectively.

The Plan does not offer postretirement benefits and, thus, they are not included in the above calculations.

<b>Balance at October 31</b>	<b>307,697</b>	<b>469,840</b>

### NOTE 6 - PARTY-in-INTEREST TRANSACTIONS

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

There were no prohibited transactions involving a known party-in-interest for the years ended October 31, 2024 and 2023.

### NOTE 7 - SUBSEQUENT EVENTS

Effective January 1, 2025, the Plan Sponsor terminated the Plan's Health Benefit Trust Agreement. Claims subsequent to this date will be paid via the general assets of the Plan Sponsor. The trust account will remain open to fund the run-out payment of claims incurred through December 31, 2024. Any remaining Plan assets at the time the trust account is ultimately closed will not revert to the Plan Sponsor and will be used to fund benefits or administrative costs of the Plan.

Subsequent events have been evaluated through August 7, 2025, which represents the date the financial statements were available to be issued.
