Independent Auditors' Report

The Plan Administrator and Participants Citadel Communications, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Citadel Communications, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits (liquidation basis) as of October 29, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits (liquidation basis) for the period from January 1, 2024 to October 29, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institutions").

Management has obtained certifications from a qualified institution as of October 29, 2024 and December 31, 2023 and for the period from January 1, 2024 to October 29, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, On November 7, 2023, it was adopted to terminate the Plan effective December 31, 2023, and all assets were distributed by October 29, 2024. As a result of termination, the Plan changed its basis of accounting from the ongoing basis to the liquidation basis on December 31, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Plan Administrator and Participants
Citadel Communications, LLC
401(k) Plan
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of the Plan

The following description of the Citadel Communications, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions.

General and Eligibility

The Plan was a defined contribution plan sponsored by Citadel Communications, LLC (the "Company" or "Employer") for the benefit of its employees who had at least three months of service and were age 18 or older. Related employers who also participated in the Plan include Coronet Communications Company, Inc., Capital Communications Company, Inc. and Citadel Communications, LLC. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On November 7, 2023, it was adopted to terminate the Plan effective December 31, 2023. All participants become fully vested in their account balance as of December 31, 2023, and the Employer will not make any contribution in the Plan. All terminated participants fully vested account balance less notes receivable and accrued interest through October 29, 2024 were distributed their full account balances from the Plan. As of October 29, 2024, the date of the final plan distribution, the Plan ceased to exist. Accordingly the financial statements as of October 29, 2024 and December 31, 2023 and for the period January 1, 2024 to October 29, 2024, are presented on the liquidation basis of accounting.

Contributions

Each year, participants could contribute up to 100% of their eligible compensation on a pretax or Roth basis, as defined in the Plan. Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions. Employees were automatically enrolled on their entry date as an initial per-tax deferral contribution of 3%. The deferral rate would then increase annually at a rate of 1% per year until it reaches 6%. Transfers from qualified plans (rollover contributions) were also permitted. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions were subject to certain limitations.

The Company could elect each year to make a contribution at the discretion of the Company's partners. For the period January 1, 2024 to October 29, 2024, there was no contributions made to the Plan as a result of the Plan termination

Participant Accounts

Each participant's account was credited with the participant's contributions and allocations of (a) the Employer's contribution and (b) Plan earnings (losses) thereon. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account. All investments were participant directed.

1. Description of the Plan (continued)

Vesting

Participants were immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon was based on years of continuous service. Employees vest in the company contributions according to the following schedule:

<u>Years of Vesting Service</u>	<u>Percent Vested</u>
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Effective December 31, 2023, all participants became 100% vested in their Plan accounts.

Forfeitures

If a participant terminates his or her employment with the Employer, the non-vested contributions plus allocated earnings thereon could be used to reduce future Employer contributions. At October 29, 2024 and 2023, the forfeited non-vested account had a balance of \$0 and \$302. During 2024, no forfeitures were used to reduce either employer contributions or administrative expenses.

Notes Receivable from Participants

Loans of up to 50 percent of a participant's vested account balance that are not less than \$1,000 or no more than \$50,000, were permitted subject to the approval of a loan application. Participants could not have more than one loans outstanding at any time. Loans were repaid through payroll deductions over a period of between one and five years, unless the loan was made to acquire a primary residence, in which case the loan could be repaid over a ten year period.

Payments of Benefits

Upon termination of service, a participant would elect to receive either a lump-sum amount equal to the value of his account or may elect to rollover the vested balance. In-service distributions were available to participant who had reached age 59 ½. Benefits could also be distributed in the event of a participant's immediate and heavy financial need.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). As of December 31, 2023, the investments are presented at fair value and contract value which approximated the expected distributions to occur subsequent to December 31, 2023.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP required management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan followed U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy. As a result of the distribution of all Plan assets, no investments were held by the Plan at October 29, 2024.

Investment Valuation and Income Recognition

The Plan's investments were stated at fair value. Mutual funds held by the Plan were valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds were open-ended and were registered with the Securities and Exchange Commission. The mutual funds are required to publish their daily NAV and to transact at that price. The mutual funds are deemed to be actively traded. The common/collective trust was valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities were recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance was reduced and a benefit payment is recorded.

Payment of Benefits

Benefits were recorded when paid.

Expenses

The Plan's administrative expenses were paid by either the Plan or the Company, as provided by the Plan's provisions. Fees related to the administration of notes receivable from participants were charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in the NAV of the respective investment vehicles and, consequently, those expenses are not separately reflected but are a component of net appreciation in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is August 5, 2025.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements including investments and notes receivable from participants held at October 29, 2024 and December 31, 2023, and net appreciation in value of investments, interest and dividends on investments, and interest on notes receivable from participants for the period from January 1, 2024 to October 29, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, qualified institution.

4. Investments

The following tables set forth, the fair value hierarchy, the Plan's investments at fair value as of :

	October 29, 2024		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ -	\$ -	\$ -
Common/collective trust	-	-	-
	\$ -	\$ -	\$ -

	December 31, 2023		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ 1,043,506	\$ -	\$ 1,043,506
Common/collective trust	-	2,868	2,868
	\$ 1,043,506	\$ 2,868	\$ 1,046,374

(*) As discussed in Note 2, investments that were measured using the practical expedient were not classified within the fair value hierarchy.

5. Common/Collective Trust

The PIMCO Stable Income Fund (the "Fund") is a common/collective trust. The Fund is an actively managed, diversified investment strategy which invests primarily in investment grade fixed income investments including, but not limited to, U.S. government securities, corporate bonds, mortgage-backed securities, asset-backed securities, and derivative instruments, including futures and swaps. The average duration of the Fund's investments will vary over time, but is typically expected to be between two to three years. Other Fund investments may include a variety of stable value investment contracts issued by insurance companies, banks, and other financial institutions, which are intended to help reduce principal volatility of, while providing steady income from, any associated fixed income investments. The Fund may also invest in cash or other liquid investments, such as a money market strategy or short-term investment fund, to help meet participant liquidity needs.

The net asset value of the Fund is determined daily. Units are issued and redeemed at the latest net assets value. Net investment income and realized and unrealized gains on investments are not distributed.

6. Plan Termination

Effective December 31, 2023, the Plan was approved for termination. All participants were made 100% vested in their Company contributions. All plan assets were distributed on October 29, 2024.

7. Income Tax Status

The Plan was formed using a prototype plan which the Internal Revenue Service ("IRS") has determined and informed the applicant by letter dated June 30, 2020 that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Party-in-interest Transactions

Certain Plan investments were managed by Fidelity Management Trust Company. Fidelity Management Trust Company was the trustee of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who were active employees could borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans were recorded as notes receivable from participants in the statement of net assets available for benefits.
