## INDEPENDENT AUDITOR'S REPORT

To the Independent Fiduciary/Trustee of the  
Amalgamated Meat Cutters and Retail Food Store  
Employees Union Local 342 Pension Fund

### Qualified Opinion

We have audited the financial statements of the Amalgamated Meat Cutters and Retail Food Store Employees Union Local 342 Pension Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (in liquidation) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (in liquidation) for the years then ended, and the related notes to the financial statements.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (in liquidation) as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

### Basis for Qualified Opinion

As more fully described in Note 8 to the financial statements, the future collectability of the withdrawal liability receivables is uncertain. Due to this uncertainty, an allowance for credit losses for the entire withdrawal liability receivables totaling \$29,626,166 and \$37,468,825 was recorded as of December 31, 2024 and 2023, respectively.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit qualified opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year and Schedules of Administrative Expenses, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

**NOTE 1. DESCRIPTION OF THE PLAN**

The following brief description of the Amalgamated Meat Cutters and Retail Food Store Employees Union Local 342 Pension Fund (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

The Plan was established December 8, 1955 pursuant to collective bargaining agreements between individual employers and the United Food and Commercial Workers Local Union 342 (Local 342) and predecessor labor unions. The Plan is a multiemployer defined benefit pension plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides normal, disability, deferred vested, and death benefits. Under current provisions of the Plan, participants may be entitled to a regular pension benefit if they attain normal retirement age with at least 5 vesting credits.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Method of Accounting** - The financial statements are prepared using the liquidation basis of accounting.

**Investments and Income Recognition** - Investments in hedge fund of funds are valued at net asset value (NAV) of units held at estimated fair value as determined by the investment managers. The NAV is used as a practical expedient to estimate fair value. The NAV is used on the fair value of the underlying investments held by the fund less liabilities.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during year.

**Withdrawal Liability Receivable** - Allowance for credit losses is provided for all withdrawal liability amounts not yet collected. The total allowance as of December 31, 2024 and 2023 was \$29,626,166 and \$37,468,825, respectively.

## **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Payment of Benefits** - Benefit payments to participants are recorded upon distribution.

**Actuarial Present Value of Accrued Vested Benefits** - Accumulated plan benefits are those future periodic payments, including lump-sum distributions, that are attributable under the Plan's provisions to the service which employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

## **NOTE 3. TERMINATION**

In 2010, the Plan was terminated by mass withdrawal as defined by ERISA Section 4041A(a)(2). The Trustees have exercised their right to terminate the Plan. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the pensioners, beneficiaries and participants. The net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a participant will receive full benefits after the Plan terminated in 2010 will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

The Trustees of the Plan notified the Pension Benefit Guaranty Corporation (PBGC) that the Plan had terminated by mass withdrawal in 2010. Based on actuarial calculations, the Trustees believe that the existing level of Plan assets is sufficient to maintain the existing level of benefits under the Plan for a number of years. In the event that the Plan becomes unable to pay benefits provided under the Plan, the Trustees will be required to limit payment of benefits to the level guaranteed by the PBGC and to seek financial assistance from PBGC to continue to provide guaranteed benefits under the Plan.

Effective October 2022, the Plan began receiving quarterly contributions from the PBGC so that the Plan could continue to operate and pay benefits. Based on the present PBGC regulations, the Plan expects each participant's pension benefits to be guaranteed by the PBGC.

## **NOTE 4. TAX STATUS**

The Plan obtained its latest determination letter on June 9, 2015 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) and was, therefore, exempt from Federal income taxes under the provisions of Section 501(a). The Plan Trustees and Plan Counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

**NOTE 4. TAX STATUS (continued)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

**NOTE 5. RISKS AND UNCERTAINTIES**

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Withdrawal liability payments are calculated and recorded and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and participant demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

**NOTE 6. ACTUARIAL INFORMATION**

An actuarial valuation, in the format of mass-withdrawal-terminated plans, was made by the consulting actuary. Information in the report included the following:

	<u>January 1, 2024</u>
Actuarial present value of accumulated plan benefits	
Vested benefits:	
Participants currently receiving benefits	\$ 78,820,629
Other vested benefits	18,051,685
Expense liability	<u>1,308,043</u>
Total vested benefits	<u>\$ 98,180,357</u>

The Plan's present value of accrued vested benefits as of December 31, 2023 totaled \$98,180,357. The net assets available for benefits as of the same date amounted to \$1,223,332. The value of nonforfeitable benefits exceeds the value of Plan assets by \$96,957,025 at December 31, 2023.

## **NOTE 6. ACTUARIAL INFORMATION (continued)**

The Trustees of the Plan are required under Section 4281(b) of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, to determine annually whether the value of nonforfeitable benefits exceed the value of Plan assets including claims for withdrawal liability owed to the Plan. When the value of the benefits exceeds the value of assets, the Plan shall be amended to reduce benefits to the extent necessary to ensure that the Plan's assets are sufficient to discharge, when due, all of the Plan's obligations with respect to nonforfeitable benefits.

Benefits are computed in accordance with the terms and provisions of the Plan on the date the participant left employment of the participating employer.

At date of termination, the normal retirement benefit was \$40.00 for full-time and \$4.00 for part time members multiplied by number of Pension Credits. No benefits accrue after 2010.

The Plan's present value of accrued vested benefits was determined in accordance with Pension Benefit Guaranty Corporation (PBGC) Regulation Part 4281, Subpart B-Valuation of Plan Benefits and Plan Assets Following Mass Withdrawal. The interest rates, mortality tables and loading assumptions are set out in that regulation. For the valuation in December 2023, the interest rate used was 5.06% for the first 20 years and 4.37% thereafter. The mortality assumption is prescribed by Appendix A of PBCG regulation 4044.

The Plan became insolvent during the year beginning January 1, 2022.

## **NOTE 7. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

### **Basis of Fair Value Measurement:**

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**NOTE 7. FAIR VALUE MEASUREMENTS (continued)**

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2024 and 2023, there were no transfers in or out of levels 1, 2 or 3.

The following tables set forth by level within the fair value hierarchy, the major categories of the Plan's assets measured at fair value at December 2024 and 2023:

	Fair Value Measurements at December 31, 2024			
	Total	Level 1	Level 2	Level 3
Investments measured at NAV	\$ 34,452	\$ -	\$ -	\$ -

  

	Fair Value Measurements at December 31, 2023			
	Total	Level 1	Level 2	Level 3
Investments measured at NAV	\$ 18,034	\$ -	\$ -	\$ -

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**NOTE 7. FAIR VALUE MEASUREMENTS (continued)**

The following table summarizes investments measured at fair value based on the net asset value (NAV) per share as December 31, 2024 and 2023:

	December 31, 2024			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

	December 31, 2023			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>Hedge fund of funds:</u>

- (a) EnTrust Capital Diversified Fund Ltd. & EnTrust Capital Diversified Fund QP Ltd. - The hedge fund of funds investment objective to seek above-average rates of return and long-term capital growth through an investment in EnTrust Capital Diversified Fund Ltd, a fund of funds with a diversified portfolio of private investment entities and/or separately managed accounts managed by investment managers. The fund of funds is a feeder fund to EnTrust Capital Diversified Fund Ltd. Shareholders have the right to redeem Shares having a value of up to a maximum of 50% of the NAV of their Shares as of the last day of any calendar quarter. A shareholder is required to provide not less than 90 days' prior written notice.

**NOTE 8. WITHDRAWAL LIABILITIES**

The Plan was terminated and is currently financed by withdrawal liability contributions. Withdrawal liability for each employer was calculated by the Plan's actuary. As employers settle to pay their liability in lump sum payment, a large portion of original assessment might be written off. Employers have been and continue to make quarterly withdrawal liability payments to the Plan. Since the Plan is in mass withdrawal, quarterly withdrawal payments are due in perpetuity

Due to the perpetual duration of the payment schedules it is uncertain that all payments will be collected. Due to the uncertainty in the future collectability of the withdrawal liability assessments, an allowance for the credit losses is provided for the entire balance of withdrawal liabilities receivable as of December 31, 2024 and 2023.

**NOTE 8. WITHDRAWAL LIABILITIES (continued)**

Following is a chart showing the withdrawal liability activity:

<u>Year of Assessment</u>	<u>Assessed Amount</u>	<u>Withdrawal Liability Receipts</u>	<u>Withdrawal Liability Adjustments</u>	<u>Balance at Year End</u>
2021	\$ -	\$ (2,003,957)	\$ 57,606,545	\$ 97,261,737
2022	-	(1,562,265)	(32,286,522)	63,412,950
2023	-	(2,353,852)	(23,590,273)	37,468,825
2024	-	(1,735,778)	(6,106,881)	29,626,166

An allowance for credit losses is provided for all withdrawal liability amounts not yet collected.

**NOTE 9. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through June 13, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
