**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditors' Report

Plan Administrator  
Candid Care Co. 401(k) Plan  
Sanford, North Carolina

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Candid Care Co. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Candid Care Co. 401(k) Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

**1. Plan Description**

The following description of the Candid Care Co. 401(k) Plan (the "Plan") is provided for financial reporting purposes only. Participants of the Plan should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

**General**

The Plan was established April 1, 2019, amended and restated as of October 1, 2024, and is a defined contribution plan as defined by Section 401 of the Internal Revenue Code ("IRC") covering all eligible employees of Candid Care Co. (the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Eligibility**

Employees are eligible immediately upon hire. Plan entry dates are the first day of employment.

**Contributions**

Participants may contribute up to 90 percent of pretax annual compensation, as defined in the plan document, not to exceed certain dollar limits established by the IRC. Certain participants, as defined in the plan document, are automatically enrolled at three percent of eligible compensation unless they affirmatively decline participation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan does not allow Plan Sponsor contributions.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the Plan's earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Candid Care Co. 401(k) Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

**Vesting and Forfeitures**

Participants are vested immediately in their contributions plus actual earnings thereon.

The balance in the forfeiture account as of December 31, 2024 and 2023 was \$85 and \$107,329, respectively. The balance is solely comprised of uncashed checks. During 2024 and 2023, no amounts from forfeited accounts were used to pay administrative expenses.

**Notes Receivable from Participants**

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Participants may borrow from their accounts a minimum of \$1,000 up to the maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The maximum number of loans available to any participant is one. The loans are secured by the balance in the participant's account and bear interest at 4.25 to 9.50 percent, which is determined by the plan administrator and is based on the prime rate, as published by the Wall Street Journal, plus one percent. The loan repayment period is dictated by the plan document based on the original use of the funds. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**

Prior to separation from service with the Plan Sponsor, a participant may request a distribution of rollover contributions. In the event of a financial hardship, certain participant funds, as defined in the plan document, may be requested for distribution. In-service distributions may also be requested by participants who are at least age 59 1/2.

Upon attainment of normal retirement age, total disability, or death, the amount credited to a participant's account is payable in a lump sum, installments, or partial withdrawals. Upon termination of employment for reasons other than retirement, total disability, or death, the participant's account balance will be distributed in a manner based on the value of the account. If a separated participant's account does not exceed \$5,000, the benefit will be distributed in a lump sum within a reasonable time after termination of employment. If the participant's account balance exceeds \$5,000, the participant may elect to receive the benefit in a lump sum, installments, or partial withdrawals in accordance with the plan document.

**2. Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of the Plan have been prepared in accordance with the provisions of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Fair Value Measurements**

The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent loans are treated as distributions based upon the terms of the plan document.

**Candid Care Co. 401(k) Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts established by the IRC are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025. There were no excess contributions for the 2023 Plan year.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation in fair value of investments.

**Subsequent Events**

The Plan has evaluated subsequent events through July 29, 2025, the date the financial statements were available to be issued.

**3. Information Certified by the Custodian**

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants held at December 31, 2024 and 2023, net appreciation in fair value of investments, interest on notes receivable from participants and dividends for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by Reliance Trust Company ("Reliance"), the custodian of the Plan.

**Candid Care Co. 401(k) Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

**4. Fair Value Measurements**

The framework for measuring fair value establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2, and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets.
  
- Level 2            Inputs to the valuation methodology to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instrument, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.
  
- Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The instruments' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for instruments measured at fair value.

Level 1 investments consist of publicly traded mutual funds. These securities are valued at daily closing prices of the funds at year-end.

Level 1 investments also consist of a money market fund. The money market fund is derived from quoted prices in active markets for identical assets.

The fair value of investments is measured as of December 31, as follows:

**5. Related Party and Party-in-Interest Transactions**

Fees paid by the Plan for the investment management services are included in the net appreciation in fair value of investments. During 2024 and 2023, the Plan Sponsor paid certain administrative and other operating expenses of the Plan.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**7. Tax Status of Plan**

The Plan adopted a prototype plan provided by ADP, LLC. The prototype plan received a favorable opinion letter from the Internal Revenue Service on October 6, 2020 stating that the prototype plan is designed in accordance with the applicable sections of the IRC. The Plan has been amended since the date of the opinion letter. Plan Sponsor management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

In accordance with GAAP, the Plan Sponsor is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan Sponsor believes the Plan is no longer subject to income tax examinations for years prior to 2021. The Plan is also subject to routine audits by the Department of Labor, generally for six years after the statutory due date of the annual information return. There are currently no audits in progress for any tax periods.

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**9. Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, to Form 5500:
