The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Concierge Home Care 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Concierge Home Care 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Concierge Home Care 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Concierge Home Care 401(k) Plan
Page Three

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Concierge Home Care 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Concierge Home Care 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CONCIERGE HOME CARE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Concierge Home Care 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2017. The Plan is a defined contribution plan under section 401(k) of the Internal Revenue Code (IRC) covering all employees of Homecare Partners Management, LLC ("Plan Sponsor"), or an affiliate which has, with the consent of the Plan Sponsor, adopted the Plan (Participating Employers) and who are included within a group or class designated by the Plan Sponsor as set forth in the Plan document (collectively referred to as "the Company") who have met the age requirement of 21 and the service requirement of 6 months of service, excluding nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make voluntary pre-tax and Roth contributions up to 90% of compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2022, Plan management amended the employer matching contribution to match 50% of participant contributions up to 3% of compensation. The Company may also make discretionary non-elective contributions. Participants are eligible to receive matching contributions and non-elective contributions, if any, upon meeting the Plan eligibility requirements. During the years ended December 31, 2023 and 2022, the Company did not make any non-elective contributions to the Plan. Participants direct the investment of their employer matching and non-elective contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary non-elective contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CONCIERGE HOME CARE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary non-elective contributions portion of their account balance is based on years of service as follows:

<u>Years of Service</u>	
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

If a participant dies or is disabled prior to attaining normal retirement age, the participant becomes 100% vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

Participants, or their beneficiaries, may receive the vested interest of their Plan account through a distribution of benefits upon retirement, death, termination of employment, or a qualifying withdrawal. Hardship withdrawals are allowed by the Plan. In-service distributions may be made to a participant who has not separated from service provided they are 59 ½ or older. Benefit payments may be made in the form of a lump sum distribution, equal installment payments, or a partial withdrawal. Participants who terminate employment with a balance of less than \$5,000, but more than \$1,000, may receive an automatic rollover of their vested balance into an individual retirement account. Participants who terminate employment with a balance of less than \$1,000 may receive an automatic lump sum distribution of their balance.

Forfeited Accounts

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. Forfeitures may be used to pay Plan expenses or reduce employer contributions. At December 31, 2023 and 2022, the forfeiture balance was \$184,333 and \$132,397, respectively. During the years ended December 31, 2023 and 2022, \$71,216 and \$28,418 of forfeitures were used to reduce employer contributions, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan deems the loan to be in default, the loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participant contributions. At December 31, 2023 and 2022, excess contributions payable were \$29,294 and \$51,858, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees for recordkeeping services, trustee services, third-party administration services, and investment advisory services are included in administrative expenses and are allocated to participant accounts based on a pro rata formula. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses.

NOTE C – CERTIFIED INFORMATION

The following information in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company.

	<u>December 31,</u>	
	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 13,895,614	\$ 9,487,476
Notes receivable from participants	\$ 352,097	\$ 265,446
Net appreciation (depreciation) in fair value of investments	\$ 1,714,763	\$ (1,791,569)
Dividend income	\$ 321,922	\$ 216,481
Interest on notes receivable from participants	\$ 16,123	\$ 6,454

NOTE D - FAIR VALUE MEASUREMENTS

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quotes prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets.

CONCIERGE HOME CARE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimizes the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: Valued at the NAV of units of the common collective trust fund as reported by the fund. Units of beneficial interest in these funds are not registered with the Securities and Exchange Commission; however, these funds publish their daily NAV and transact at that price. The Participants' redemptions of the common/collective trusts are permitted daily with no other restrictions or notice periods and there are no unfunded commitments.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value at December 31, 2023 and 2022:

December 31, 2023

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 13,630,205	\$ 13,630,205
Total assets in the fair value heirarchy	\$ 13,630,205	13,630,205
Investments measured at net asset value as a practical expedient*:

December 31, 2022

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 9,162,207	\$ 9,162,207
Total assets in the fair value heirarchy	\$ 9,162,207	9,162,207
Investments measured at net asset value as a practical expedient*:		
Common collective trust funds		<u>325,269</u>
Investments, at fair value		<u>\$ 9,487,476</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE E - TAX STATUS

The Company has adopted a non-standardized pre-approved plan document. The IRS has opined and informed by a letter dated October 6, 2020, that the Plan is designed in accordance with applicable sections of the IRC. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

CONCIERGE HOME CARE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE E - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan as of December 31, 2023 and 2022 and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market rate, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others.

ADP Retirement Services provides third-party administration and recordkeeping services to the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to ADP Retirement Services are included in administrative expenses.

Reliance Trust Company holds the Plan assets and provides trustee services to the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Lincoln Financial Advisors and Commonwealth Equity Services, Inc. provides investment advisory services to the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Lincoln Financial Advisors and Commonwealth Equity Services, Inc. are included in administrative expenses.

Notes receivable from participants are also considered party-in-interest transactions, which are exempt from the prohibited transaction rules.

NOTE K – PLAN CORRECTION

During the Plan audit for the year ended December 31, 2022, an operational error was discovered. There were several participants receiving compensation from multiple company codes; however, the payroll system was not deferring on the compensation from all the company codes, and as such, this led to missed deferral opportunities. The error impacted the 2021 and 2022 plan year. A corrective contribution was funded in 2023 in the total amount of \$42,402, of which \$9,570 relates to paycheck dates during the year ended December 31, 2021 and \$32,832 relates to paycheck dates during the year ended December 31, 2022 and is included as other employer contributions receivable in the statement of net assets available for benefits as of December 31, 2022. A corrective contribution of \$5,496 was funded in 2024 which relates to paycheck dates during the year ended December 31, 2022 and is included as other employer contributions receivable in the statement of net assets available for benefits as of December 31, 2023 and 2022. It was also discovered for the year ended December 31, 2022, that the employer match was not being calculated in accordance with the revised match formula which was effective January 1, 2022 (see Note A Contributions). This resulted in participants
