**Advanced Orthopaedic Associates, P.A. Cash Balance Plan
48-1253024 / 002**

For the plan year 01/01/2024 through 12/31/2024

The actuarial valuation for the 2024 plan year represents the first valuation completed by ShowMe Pension Group. The conditions for automatic approval for change in funding method listed in Revenue Procedure 2017-56 Section 4.01 have been satisfied. Therefore, the Plan has approval for the change in actuarial service provider. The date of retirement used for valuation purposes was changed to the normal retirement date definition found in the adoption agreement which is the date the participant attains the later of age 62 or five years of participation. Previously, the date of retirement was December 31 following the participant's normal retirement date. These funding method changes are reflected in the 2024 actuarial valuation.

For an active late retiree, the assumed retirement age may be later than the Plan's normal retirement age.
