## **INDEPENDENT AUDITORS' REPORT**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of Famous Tate Electric Company 401(k) Savings and Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Famous Tate Electric Company 401(k) Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Talcott Resolution Life Insurance Company as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by Talcott Resolution Life Insurance Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Famous Tate Electric Company 401(k) Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Famous Tate Electric Company 401(k) Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Famous Tate Electric Company 401(k) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Famous Tate Electric Company 401(k) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Supplemental Schedules Required by ERISA***

The supplemental schedules of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Talcott Resolution Life Insurance Company agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**FAMOUS TATE ELECTRIC COMPANY**  
**401(K) SAVINGS AND RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note 1 – Description of Plan**

The following description of the Famous Tate Electric Company (Company) 401(k) Savings and Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** – The Plan is a defined contribution plan covering all employees with three months of service who are at least 21 years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An administrative committee oversees governance of the Plan. Empower Retirement, LLC (Empower) serves as the trustee of the Plan and holds the Plan's investments. The Plan permits employees to make pre-tax and Roth after-tax contributions. Participants direct the investment of their accounts into various investment options offered by the Plan.

**Contributions** – Each year the Company may match a percentage of employee contributions up to 6% of the employee's wages. Additionally, the Company may contribute a percentage of employees' wages to eligible participants as a profit-sharing contribution. Participants may contribute up to 100% of their annual compensation, up to statutory limits. The Plan includes an eligible automatic contribution arrangement whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. The Plan was amended to increase the deferral rate for participants who were automatically enrolled in the Plan (and did not subsequently elect to change the deferral percentage) by 1% annually effective January 1, 2019, with a maximum deferral rate of 10%. Amounts withheld on behalf of participants and Company matching contributions are paid into the Plan each payroll date.

**Participant Accounts** – Each participant account is credited with the participant's contributions and withdrawals, as applicable, and allocations of the Company's contributions and Plan earnings and expenses. Plan earnings and expenses are allocated pro rata within each investment on a daily basis based on the participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 7.00% for loans outstanding at December 31, 2022 and 2021. Principal and interest are paid each payroll date through payroll deductions, and the loans become due through 2027. The loans are reported at their unpaid principal balances plus any accrued but unpaid interest. At December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

**401(K) SAVINGS AND RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note 1 – Description of Plan – continued**

**Vesting and Forfeitures** – Participants are immediately vested in their voluntary contributions and allocated earnings and expenses thereon. Vesting in employer contributions is based on years of credited service. A participant is 20% vested after one year of credited service, and an additional 20% is vested for each additional year of service until fully vested after five years. Unvested forfeitures of withdrawn participants may be used to offset subsequent employer contributions.

**Payment of Benefits** – Distributions are available upon death, disability, retirement, termination of employment, or financial hardship, subject to certain restrictions and limitations. Distributions are payable in lump sum or installment payments. If a participant's vested benefit in the Plan does not exceed \$5,000, then the benefit must be distributed in a single lump sum payment as soon as administratively feasible.

**Note 2 – Date of Management's Review**

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through February 14, 2024, the date the financial statements were available to be issued.

**Note 3 – Summary of Significant Accounting Policies**

**Basis of Accounting** – The accompanying financial statements are presented on the accrual basis of accounting.

**Investment Valuation and Income Recognition** – Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Use of Estimates** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note 3 – Summary of Significant Accounting Policies - continued**

**Expenses** – Substantially all operating costs associated with maintaining the Plan are paid by the Company, including professional fees and insurance. Investment-related expenses are included in net appreciation (depreciation) - pooled separate accounts and earnings - guaranteed investment contract. Certain administrative expenses directly relating to a participant's account, such as loan processing fees, are specifically allocated and deducted from the specific participant's account.

**Payment of Benefits** – Benefits are recorded as distributions to participants when paid.

**Note 4 – Fair Value Measurements**

FASB *Accounting Standards Codification 820, Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

|         |                                                                                                                                                                                                                                                                                                  |
|---------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.                                                                                                                                  |
| Level 2 | Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.                                    |
| Level 3 | Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for the asset measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

**FAMOUS TATE ELECTRIC COMPANY**  
**401(K) SAVINGS AND RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Note 4 – Fair Value Measurements – continued**

*Pooled Separate Accounts*: Investments in pooled separate accounts are represented by a “unit of account” and per unit values whose value is the result of the accumulated values of the underlying investments. These underlying investments are public investment vehicles valued using the Net Asset Value (“NAV”) provided by the administrator of the mutual fund investments. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The Plan's investment has no restrictions on the net asset value per share or its equivalent. There are no known or anticipated redemptions, no unfunded commitments, and no notice is required to sell the shares/units at any given time.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022 and 2021:

|                           | Level 1 | Level 2 | Level 3 | Total        |
|---------------------------|---------|---------|---------|--------------|
| December 31, 2022         |         |         |         |              |
| Pooled separate accounts* | \$ -    | \$ -    | \$ -    | \$ 7,635,464 |
| December 31, 2021         |         |         |         |              |
| Pooled separate accounts* | \$ -    | \$ -    | \$ -    | \$ 9,350,640 |

\*The investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy in accordance with FASB *Accounting Standards Codification 820, Fair Value Measurements*. The fair value amounts included above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**Note 5 – Data Certified by Trustee**

For 2022 and 2021, substantially all of the Plan’s investments were held by Empower. The plan administrator has elected the method of compliance permitted by CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, the plan administrator instructed the independent certified public accountants not to perform any auditing procedures with respect to information certified by the trustee, except for comparing certified information to information included in the financial statements.

**Note 6 – Investment Contract with Insurance Company**

For 2022 and 2021, the Plan entered into a traditional fully benefit-responsive investment contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan, subject to the limitations described below.

As described in Note 3, because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, was \$2,344,575 and \$2,037,129, respectively. The crediting interest rate is discretionary to Empower and the method used to determine the rate may be changed at any time. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed investment contract does not allow the crediting interest rate to be less than 3.00%.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**Note 6 – Investment Contract with Insurance Company - continued**

following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed interest contract does not permit the insurance company to terminate the agreement unless the Plan is not in compliance with the investment agreement.

**Note 7 – Forfeited Accounts**

The Plan's forfeited nonvested accounts totaled \$7,824 and \$ -0- at December 31, 2022, and 2021, respectively. These accounts may be used to reduce future employer contributions. During 2022, none of the 2022 employer contributions were paid from the forfeited nonvested accounts. During 2021, \$5,707 of the 2021 employer contributions were paid from the forfeited nonvested accounts.

**Note 8 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Note 9 – Party-in-Interest Transactions**

Plan investments are issued by Empower, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Investment and administrative fees related to these investments paid by the Plan totaled \$10,357 and \$12,350 for the years ended December 31, 2022, and 2021, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

401(K) SAVINGS AND RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**Note 10 – Income Tax Status**

The Plan did not obtain a Plan specific determination letter as it is operating under a volume submitter plan document. The Internal Revenue Service has advised that the volume submitter plan is acceptable under Section 401(a) of the Internal Revenue Code. Therefore, the Plan is exempt from federal income tax under Section 501(a). The Plan has been amended since the advisory letter date. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Contributions received from participants for 2022 and 2021 are net of payments of \$9,057 and \$22,958, respectively, required to be made to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. The Plan's statements of net assets available for benefits include excess contributions payable at December 31, 2022, and 2021.

**Note 12 – Risks and Uncertainties**

The Plan provides for investments in various securities. Investments, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
