INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Inpro Corp. 401(k) Profit Sharing Plan
Muskego, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of the Inpro Corp. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Inpro Corp. 401(k) Profit Sharing Plan's 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section—

- The amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Inpro Corp. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Inpro Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Inpro Corp. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Inpro Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

1. DESCRIPTION OF THE PLAN

The following description of the Inpro Corp. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General - The Plan was adopted effective October 1, 1986. The Plan is a single-employer, defined contribution plan covering substantially all full-time employees of Inpro Corporation, (the Employer) that are age nineteen or older and have completed two months of service. The Plan excludes union employees, leased employees, and non-resident aliens. The Plan document was amended and restated effective January 1, 2022, to comply with Internal Revenue Service regulations.

The Plan's trustee is Hand Benefits & Trust Company and the Plan's sponsor and Plan Administrator is Inpro Corporation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Investments held with Hand Benefits & Trust Company are invested in mutual funds and a common/collective trust fund.

Contributions - Participants are allowed to make elective pre-tax and Roth deferral contributions of up to 100% of eligible wages, subject to Internal Revenue Code limitations. The Plan allows participants age 50 and older to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

The Employer makes matching contributions to the Plan equal to 25% of the participant's eligible compensation contributed to the Plan for the year ending December 31, 2024.

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's matching contributions, if any, (b) Plan earnings and increases or decreases in the value of investments, net of expenses, and, (c) forfeitures of terminated participant's non-vested accounts. Allocations are based on account balances, participant earnings, or specific participant transactions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. **DESCRIPTION OF THE PLAN (Continued)**

Vesting - The participant's elective deferral and earnings thereon are always 100% vested. For the Employer's matching contributions and earnings thereon, vesting is based on years of service. A participant is 100% vested after actual time rules have been met for six years of service. An employee must complete at least 1,000 hours of service during a Plan year to receive credit for a year of service. Any non-vested portion of a participant's employer matching contribution account is forfeited as soon as administratively feasible upon taking a distribution or after five consecutive one-year breaks in service if no distribution is taken. Notwithstanding the above, a participant's account will be fully vested upon death, disability, or reaching age 65.

Payment of Benefits - If a participant's employment is terminated and the participant's account value is less than $5,000, the balance is automatically distributed in a single lump sum payment. If the participant's account value exceeds $5,000, the Plan allows for single lump-sum payment, installment payments, and partial withdrawals. The Plan also allows for in-service withdrawals and hardship withdrawals subject to Plan provisions.

Notes Receivable from Participants - Participants may borrow from their Plan accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at fixed rates of prime plus 2% determined at note inception. The interest rates on notes outstanding at December 31, 2024, were 5.25% to 10.50%. Principal and interest are paid ratably through payroll deductions.

Forfeitures - Forfeitures can be used to pay administrative expenses of the Plan or reduce Employer matching contributions. Forfeited non-vested accounts totaled $92,659 and $36,192 at December 31, 2024 and 2023. In 2024, $202 of administrative expenses were paid out of forfeitures. No forfeitures were used to reduce Employer matching contributions in 2024.

Investment Options - Participants are allowed to direct the investment of their contributions among the various investment options offered by the Plan. Employer matching contributions are allocated on the same basis as participant contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates - The preparation of any financial statements in accordance with U.S. generally accepted accounting principles may require management to make estimates that affect amounts reported and disclosed in the financial statements. Actual results could differ from such estimates.

Valuation of Investments and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Employer pays certain administrative expenses on behalf of the Plan. Expenses that are paid from Plan assets are reflected in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements was obtained from data that was prepared and certified as to complete and accurate by Hand Benefits & Trust Company, the trustee.

	2024	2023
Mutual funds	$ 67,463,911	$ 59,903,056
Common/collective trust fund	3,709,834	4,656,997
Notes receivable from participants	404,917	459,498
Net investment income	8,513,516	
Interest on notes receivable from participants	20,129	

In addition, Hand Benefits & Trust Company, the trustee has certified the data used to derive the information included in the supplementary schedule of assets (held at end of year) as of December 31, 2024, to be complete and accurate.

4. INCOME TAX STATUS

The prototype adopted by the Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected.

5. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means; and Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement and have the lowest priority.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the methodologies used to measure the fair value of the Plan's investments. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust fund: The collective trust fund consists of the MetLife Stable Value Fund for which Reliance Trust Company serves as trustee and investment manager. The Fund invests entirely in the MetLife Group Annuity Contract 25053 which consists of separately managed investment portfolios. The Fund is valued at the net asset value of units of the collective trust. Plan management believes using net asset value as a practical expedient to estimate fair value is appropriate for investments in common/collective trust funds. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. Withdrawals prompted by certain events (e.g. layoffs, early retirement windows, plan terminations, changes in laws or regulations) may be paid at the market value of the Fund's separate accounts, which may be less than the unit value. The Plan has no unfunded commitments relating to the common/collective trust fund at December 31, 2024.

(Continued)

5. **FAIR VALUE MEASUREMENTS (Continued)**

The primary investment objective of the MetLife Stable Value Fund is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments, while maintaining sufficient liquidity to provide participant directed withdrawals at their proportionate share of contract value.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2024 and 2023:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
DECEMBER 31, 2024:				
Mutual funds	$ 67,463,911	$ -	$ -	$ 67,463,911
Common/collective trust fund measured at net asset value per share				3,709,834
Investments, at fair value				$ 71,173,745

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
DECEMBER 31, 2023:				
Mutual funds	$ 59,903,056	$ -	$ -	$ 59,903,056
Common/collective trust fund measured at net asset value per share				4,656,997
Investments, at fair value				$ 64,560,053

5. **FAIR VALUE MEASUREMENTS (Continued)**

The common/collective trust fund investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their employer contributions and all of the assets will be distributed to the participants based upon the balances in their respective accounts.

7. **PARTY-IN-INTEREST TRANSACTIONS**

Notes receivable from participants qualify as party-in-interest transactions.

The Plan Sponsor pays certain administrative expenses of the Plan.

8. **SUBSEQUENT EVENTS**

Management has evaluated subsequent events through August 11, 2025 the date on which the financial statements were available for issue, and identified no further significant events or transactions to disclose.
