Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UDC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UDC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. Description of Plan

The following description of the UDC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan covering all eligible full-time employees of University Development Corporation of LA, (the “Company”) as determined by the provisions of the Plan agreement. Effective January 1, 2010, the Plan was amended to include BATT Pilots, LLC as an adopting employer. Effective February 1, 2012, the Plan was amended to include Corporate Development United, LLC as an adopting employer. The Plan was amended and restated again effective September 23, 2015. Effective January 1, 2017, the Plan was amended to include Circle R Media as an adopting employer. Effective January 1, 2020, the Plan was amended to include Tomakk Glass Partners, LLC as an adopting employer. During 2023, all adopting employers (BATT Pilots, LLC, Circle R Media, Corporate Development United, LLC , and Tomakk Glass Partners, LLC) were excluded from participating in the Plan and the Plan assets of employees from those companies were transferred to other plans in November and December 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

(a) Eligibility. All employees of the companies become eligible to participate in the Plan after attaining the age of 18 and completing six months of service. After meeting the eligibility requirements, the employee can become a participant on the first day of the next quarter.

(b) Contributions. The Plan is funded through participant and Company contributions. Participants may elect to contribute a percentage of their pre-tax annual compensation, as defined in the Plan, up to the maximum allowable under the Internal Revenue Code (the “IRC”). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The companies may make discretionary matching and profit-sharing contributions to the Plan each year, in amounts that are determined annually. For 2023 and 2022, the companies made matching contributions on pre-tax contributions in an amount equal to 25% of all deferrals contributed to the Plan, limited to fifteen percent (15%) of compensation. All contributions are invested according to the fund allocation percentage specified by the participant.

(c) Participant Accounts. Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

(d) Plan Restatement. The plan was restated effective April 17, 2022, to include the provisions for regulatory changes.

(e) Vesting. Participants are immediately vested in their salary reduction contributions, plus earnings thereon. Vesting in the Company’s matching and profit-sharing contributions portion of their accounts is based on years of continuous service. A participant is 20%, 40%, 60% and 80% vested after two, three, four and five years, respectively. A participant is 100% vested after six years of credited service.

UDC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

- (f) **Notes Receivable – Participant Loans.** Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, with the exception of the purchase of a principal residence which would qualify for a ten-year term. The loans are secured by the balance in the participants' accounts and bear interest at prime rate plus one at the time the funds are borrowed.
- (g) **Payment of Benefits.** Upon termination of a participant's employment prior to attaining the normal retirement age of 65, the participant may elect to receive a lump sum payment, installment equal to the value of his or her account, or a direct rollover to another qualified plan. However, if a participant's account balance is less than \$5,000, the distribution is automatically paid in a lump sum. A participant may, while still employed by the Company, make a withdrawal of all or any part of interest in his/her account, subject to various restrictions as defined in the Plan agreement. Normal retirement occurs on the first of the month on or after attainment of age 65. Participants may elect to retire early with fully vested account balances once they reach age 55 and have completed 6 years of service. The normal form of distribution is a lump-sum payment.
- (h) **Forfeited Accounts.** The Plan provides that amounts credited to a participant's account in which the participant does not have a vested interest will be forfeited to the Plan upon termination. These forfeitures, as defined by the Plan, may be used to offset future Company contributions, or pay for the Plan expenses. However, if the participant is re-employed and fulfills certain requirements, as defined in the Plan, the participant's account will be reinstated. Forfeited non-vested accounts totaled \$24,688 and \$12,819 at December 31, 2023 and 2022, respectively.

2. Summary of Accounting Policies

- (a) **Basis of Accounting.** The financial statements of the Plan are prepared on the accrual basis of accounting.
- (b) **Use of Estimates.** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- (c) **Investment Valuation and Income Recognition.** Mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- (d) **Notes Receivable – Participant Loans.** Notes receivable-participant loans are measured by their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

UDC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

(e) Payment of Benefits. Benefits are recorded when paid.

(f) Administrative Expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financials. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

(g) Reclassification. Certain amounts from prior year have been reclassified to conform to current year presentation.

3. Information Certified by the Plan's Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2023 and 2022, and investment income for the year ended December 31, 2023, that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the Plan administrator and certified by Reliance Trust Company as complete and accurate by the Trustee of the Plan.

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

UDC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds. Valued at the net asset value (NAV) of shares held by the Plan at year end.

Stable Value Fund. Valued at the NAV of units of a bank collective trust. The interest credited to the balances in the fund will reflect both current market conditions and performance of the underlying investments in the fund. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value of hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Investments Measured at NAV	Total
Mutual Funds	<u>\$ 2,580,662</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,398</u>	<u>\$ 2,608,060</u>
Investments at fair value	<u>\$ 2,580,662</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,398</u>	<u>\$ 2,608,060</u>

Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Investments Measured at NAV	Total
Mutual Funds	<u>\$ 3,697,047</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,766</u>	<u>\$ 3,714,813</u>
Investments at fair value	<u>\$ 3,697,047</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,766</u>	<u>\$ 3,714,813</u>

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

UDC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Fair Value of Investments in Entities that Use NAV per Share as a Practical Expedient

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as a practical expedient as of December 31, 2023 and 2022, respectively.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Reliance/MetLife Stable Fund	27,398	N/A	Daily	N/A

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Reliance/MetLife Stable Fund	17,766	N/A	Daily	N/A

5. Party-in-interest Transactions

Certain Plan investments are shares of funds managed by Reliance Trust Company ("Reliance"). Reliance is the trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

6. Transfer Out

Due to change in ownership of the Plan sponsor during the year ended December 31, 2023, the Plan was amended effective September 30, 2023 to exclude 4 adopting employers of the Plan and management initiated a transfer of these assets to the new plans in which these Companies elected to participate during November and December 2023. This represented a partial termination of the plan. As a result of this partial termination, all accumulated benefits of affected employees were fully vested as of September 30, 2023, the date on which the adopting employers were excluded from the plan. The full balance of these accounts were transferred to the new plans.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right to terminate the Plan or reduce or cease contributions at the discretion of the Board of Trustees, or to amend the Plan at any time and in any respect. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

8. Tax Status

The Plan received a favorable determination letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the

UDC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

related trust is tax-exempt. The Plan administrator believes the Plan has no income subject to unrelated business income tax.

9. Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events were evaluated through July 17, 2025, which is the date the financial statements were available to be issued. No subsequent events requiring potential recognition or disclosure were noted.
