INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
MaineToday Media 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the accompanying financial statements of MaineToday Media 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 30, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to October 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MaineToday Media 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 30, 2024 and December 31, 2023, and for the period from January 1, 2024 to October 30, 2024, stating that the certified investment information, as described in Notes 3 and 8 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MaineToday Media 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Plan Administration made the decision to terminate the Plan effective February 1, 2024. As a result, the Plan changed its basis of accounting from the ongoing basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MaineToday Media 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MAINETODAY MEDIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

OCTOBER 30, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the MaineToday Media 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan was a defined contribution plan covering all employees of MTM Acquisition, Inc. who had completed 500 hours of service within six months of employment and were age 21 or older, excluding leased employees and employees of any controlled group that did not affirmatively adopt the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees of MaineToday Media, Inc., Alliance Printers, LLC, and Lewiston Daily Sun, were eligible participants of the Plan through July 31, 2023, at which time the assets and operations of the companies were sold by MTM Acquisition, Inc., and ceased to be part of the controlled group of companies participating in the Plan. Participant accounts were not impacted as, historically, full vesting of nonelective contributions occurred immediately.

Employees of Ellsworth American and The Upper Valley Press, Inc. were eligible participants of the Plan through February 1, 2024, at which time the Plan was amended for termination and no further participant or employer contributions were made to the Plan, nor any new loans issued. Participant balances were fully vested. In connection with the Plan's termination, participants were asked to direct a distribution of their account balance. All participant balances were liquidated and distributed by October 30, 2024.

Contributions - Prior to termination, participants could contribute a portion of their compensation up to the maximum limit set by the Internal Revenue Service on a pre-tax and Roth basis. Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions. Upon becoming eligible, all employees were automatically enrolled into the Plan with a 3% contribution rate and funds directed into the Plan's default investment option, unless they affirmatively elected otherwise. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans.

At its discretion, the Company could match an amount equal to 50% of an eligible employees elective deferrals up to 2% of eligible compensation. The Company could also make a discretionary profit sharing contribution on behalf of eligible participants. Profit sharing contributions were allocated to participants in a pro rata formula according to each qualifying participants' compensation.

The participants designated the allocation of their contributions among the available investment choices.

Participant accounts - Each participant's account was credited with the participant's contributions, the Company contributions, as well as allocations of the Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined.

MAINETODAY MEDIA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

1. DESCRIPTION OF PLAN, CONTINUED

Vesting - Participants were immediately vested in their contributions and employer contributions, plus actual earnings thereon.

Notes receivable from participants - Participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. No more than two loans could be outstanding at any one time. The loan bore a reasonable interest rate and was secured by the balance in the participant's account. Principal and interest was paid ratably through payroll deductions.

Payment of benefits - On termination of employment, disability, death, or normal retirement age, a participant could elect from a variety of options to receive benefit payments. Participants could elect to defer payment of their benefit until a later date, regardless of their vested account balance. The Plan also permitted hardship withdrawals for participants who met the criteria outlined in the Plan document and in-service withdrawals for participants who were over age 59 1/2.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - On February 1, 2024, a decision was made to terminate the Plan. As a result, the 2023 financial statements have been prepared on the ongoing basis, and the 2024 financial statements have been prepared on the liquidation basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition - Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. No allowance for credit losses was recorded as of December 31, 2023. Delinquent notes receivable from participants were recorded as distributions based upon the terms of the Plan document.

Benefit payments - Benefit payments were recorded when paid.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Expenses - Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment-related expenses were allocated proportionately to Plan participants based on their respective account balances and were included in total investment income.

Subsequent events - The Plan has evaluated events, if any, that have occurred subsequent to October 30, 2024 through August 6, 2025, the date the financial statements were available to be issued, and included information in the notes to the financial statements related to any identifiable events, if necessary.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2023. There were no assets in the plan at October 30, 2024.

MAINETODAY MEDIA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

3. FAIR VALUE MEASUREMENTS, CONTINUED

Mutual funds: Mutual funds were valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the SEC. These funds were required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

The preceding methods described could produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2023:

	Fair value measurements at reporting date using:			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 16,744,602	16,744,602	-	-

4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (FBRICS)

The Plan invested in a FBRIC with Standard Insurance Company (Standard) in the form of a guaranteed investment contract (GIC) that invested in traditional investment contracts totaling \$2,814,093 as of December 31, 2023. Standard maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Standard was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The GIC was carried at contract value. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Stable Asset Fund V was a general account product which provided a guarantee of principal and guaranteed quarterly interest rate. The methodology for calculating the interest rate was based on the weighted average of the interest rate on plan assets over the preceding five years. The interest rate was accrued daily and compounded quarterly.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate was based on a formula agreed upon with the issuer, but could not be less than 0%. Such interest rates were reviewed on a quarterly basis for resetting.

MAINETODAY MEDIA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (FRICS), CONTINUED

Certain events limited the ability of the Plan to transact at contract value with Standard, including Plan termination and other events as specified in the GIC. The GIC did not permit Standard to terminate the agreement prior to the scheduled maturity date.

5. PARTY-IN-INTEREST TRANSACTIONS

State Street Bank and Trust Company (State Street) and Transamerica Retirement Solutions Corporation (Transamerica) were the Plan's trustee and recordkeeper, respectively. Fees paid to these parties qualified as party-in-interest transactions. In addition, loans to participants qualified as party-in-interest transactions.

6. INCOME TAX STATUS

The underlying pre-approved plan received an opinion letter effective June 30, 2020, in which the IRS stated that the form of the Plan was acceptable under the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt prior to liquidation.

7. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at October 30, 2024 and December 31, 2023, and the investment income and net appreciation in fair value of investments for the period from January 1, 2024 to October 30, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by State Street Bank and Trust Company.
