Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Geodis SCO 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Geodis SCO 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Geodis SCO 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Geodis SCO 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Geodis SCO 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Geodis SCO 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Geodis SCO 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a 401(k) Safe Harbor Profit Sharing Plan which was established on July 1, 2020, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated on January 1, 2022, to bring it into compliance with the legislative and regulatory changes set forth in the IRS Notice 2017–37.

The Plan provides retirement benefits for all eligible full-time employees, except for union employees, nonresident aliens and leased employees of Geodis SCO, LLC (the “Company”) who have performed at least one month of service and have reached the age of 18.

Effective January 1, 2023, the plan was amended to incorporate certain required or administrative changes consistent with the SECURE 2.0 Act of 2022.

Contributions

Participants may contribute a percentage of their eligible earnings, as defined in the plan and subject to statutory limitations. The Plan includes automatic enrollment for newly eligible employees at a default rate of 3% of eligible earnings per pay period unless they elect not to participate. Participants age 50 or older by year-end may make catch-up contributions. The Plan also accepts certain rollover contributions.

The employer provides a safe harbor matching contribution of 3% of eligible compensation for participating employees, with 100% vesting starting January 1, 2021. The Company may also make discretionary contributions, up to 4% of plan compensation, though it is not required to do so. Additionally, the Plan allows for fully vested qualified non-elective contributions from the employer. All contributions are subject to limits set by the Plan and the Internal Revenue Code (the “Code”).

Participant accounts

Each participant’s account is credited with the participant’s contributions and Company contributions, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of investment income and administrative expenses are based on account balances, number of participants or as incurred by an individual participant, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested accounts.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their pre-tax, Roth, catch-up and rollover contributions, and any related earnings. Vesting in the Company's contributions is based on years of continuous service. As of July 1, 2020, participants are fully vested in safe harbor matching contributions. Discretionary Company's contributions follow a graded vesting schedule, with full vesting after five years of service. Participants also become fully vested upon reaching their normal retirement date, death, or total disability.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested accounts balance. Loan terms are for up to five years, except for loans to purchase a primary residence, which may be offered over a longer term. The loans are secured by the balance in the participant's account and bear interest at a rate equal to 1% above the prime rate, as determined by the plan administrator. Interest rates on outstanding balances range from 4.25% to 9.50%, as of December 31, 2023 and 2022. Participants may only have two loans outstanding at any given time. Generally, principal and interest are paid ratably through payroll deductions.

Payment of benefits

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum or in selected installments over several years, based upon election of the participant or as defined in the Plan or the Code. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$5,000, the Plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. In addition, upon financial hardship, a participant is entitled to the value of his or her deferral and fixed matching accounts.

Forfeitures

In the event that a participant terminates employment prior to 100% vesting, the portion of Company contribution which is not vested is forfeited at that time. Forfeitures of the non-vested portion of contributions may be used to reduce the Company's matching contributions. As of December 31, 2023 and 2022, the balance of forfeited non-vested account was \$7,659 and \$8,685, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

**GEODIS SCO 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (the “GAAP”) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value, except for a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net realized and unrealized gains and losses are recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. As of December 31, 2023, and 2022, the notes receivable from participants totaled \$137,316 and \$171,284, respectively.

Excess contributions refundable

Amounts payable to participants or the employer for contributions in excess of amounts allowed by the Internal Revenue Code are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits

Benefits to participants are recorded when paid. Amounts allocated to accounts of participants who have elected to withdraw from the Plan, but had not yet been paid, were \$0 at December 31, 2023 and December 31, 2022.

Plan expenses

Certain expenses for maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are included in administrative expenses and charged directly to the participant’s account. Investment-related expenses, other than those paid directly by the Plan, are integrated with investment performance.

FOR THE YEAR ENDED DECEMBER 31, 2023**

NOTE 3 – CERTIFICATION BY THE INVESTMENT TRUSTEE

Information presented in the accompanying financial statements and schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, for investments, investment income and interest income was derived, without audit, from information certified to be complete and accurate by Nationwide Trust Company, FSB (“Nationwide”), the custodian of the Plan, as permitted by the election made by the Plan Administrator under 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 4 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles (“GAAP”) establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs regarding the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets.• Quoted prices for identical or similar assets or liabilities in inactive markets.• Inputs other than quoted prices that are observable for the asset or liability; and• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs into the valuation methodology are unobservable and significant to the fair value measurement. |

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual fund investments are valued based upon unit values multiplied by the number of units held (i.e., an underlying investment option’s unit value multiplied by the number of units held by the participant equals the value of the investment option).

Nationwide uses unit values to perform daily account valuations. The unit value is Nationwide’s method for valuing accounts and is not the same as the net asset value reported by the fund house although the financial trend is the same.

**GEODIS SCO 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

After the close of the stock market, Nationwide receives a daily price for each fund house. This figure includes the net asset value, and any dividends and capital gains declared. This allows Nationwide to calculate the gross investment rate which is used to compute a unit value.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ -	\$ 8,931,773	\$ -	\$ 8,931,773
Total assets at fair value	\$ -	\$ 8,931,773	\$ -	\$ 8,931,773

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ -	\$ 7,190,408	\$ -	\$ 7,190,408
Total assets at fair value	\$ -	\$ 7,190,408	\$ -	\$ 7,190,408

NOTE 5 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In December 2021, the Plan entered a fully benefit-responsive investment contract with Nationwide Life Insurance Company. The contract is a non-participating, unallocated guaranteed fund fixed dollar group annuity contract. Nationwide Life Insurance Company maintains the contributions in a general account.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contracts have met the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Nationwide Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value is also referred to book value.

The book value of the investment contracts as of December 31, 2023 and 2022 were \$1,446,268 and \$1,418,065, respectively.

**NOTE 5 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY
(CONTINUED)**

Certain events limit the Plan's ability to transact at contract value with Nationwide Life Insurance Company. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer, are probable to occur. The guaranteed investment contract does not have a maturity date. The contract continues in force until all assets have been distributed, or no further payments are due.

NOTE 6 - EXCESS CONTRIBUTIONS REFUNDABLE

During the year ended December 31, 2023, the Company identified that certain contributions exceeded the limits permitted under the Internal Revenue Code (IRC) and the provisions of the Plan.

Excess Participant Contributions

Participant contributions of approximately \$4,000 exceeded the annual limit under IRC Section 402(g) and were not timely distributed to the participants.

Excess Employer Contributions

Employer contributions of approximately \$11,000 exceeded the amount permitted under the Plan document and IRC Section 415(c).

As of December 31, 2023, both excess participant and employer contributions remain in the Plan's trust and are reported as excess contributions refundable in the accompanying statement of net assets available for benefits. Management has indicated that corrective distributions and refunds to the employer will be processed in August 2025 under the IRS Employee Plans Compliance Resolution System (EPCRS). Until such correction occurs, the excess contributions continue to be reflected as plan liabilities. The Company has assessed that these excess contributions will not affect the Plan's tax-qualified status once corrected.

NOTE 7 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain securities, it is at least possible that changes in the values of investments will occur in the near term and those changes could

materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

One investment option accounted for more than 10% of the Plan's total net assets available for benefits as of December 31:

	2023		2022	
Fidelity® 500 Index Fund	\$2,200,771	21%	\$1,616,990	18%

As of December 31, 2023, and 2022, an investment in group annuity contract with Nationwide Life Insurance Company accounted for approximately 13.7% and 16.2% of the Plan's total net assets, respectively.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan's investments are managed by Nationwide, a trustee, and Delaware Valley Retirement, Inc, a third-party administrator, and as such, these transactions qualify as a party-in-interest transaction. These transactions are exempt from the prohibited transactions' rules under ERISA.

Investment and administrative expenses paid by the Plan to Nationwide and Delaware Valley Retirement, Inc., totaled approximately \$24,600 and \$9,600, respectively, for the year ending December 31, 2023. Certain employees of the Company who participate in the Plan perform administrative services to the Plan at no cost to the Plan. Notes receivable from participants are also party-in-interest transactions.

NOTE 9 – INCOME TAX STATUS

The IRS has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of
