### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southwest Beverage Company, Inc. Employee Benefit Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of a Matter – Plan Termination**

As further discussed in Note D to the financial statements, which describes that the Plan was terminated effective February 20, 2024. As a result, all Plan assets were distributed to participants or rolled over to other qualified plans prior to period-end, and the Plan ceased operations. As a result, in accordance with accounting principles generally accepted in the United States of America, the Plan has used the liquidation basis of accounting in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwest Beverage Company, Inc. Employee Benefit Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southwest Beverage Company, Inc. Employee Benefit Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwest Beverage Company, Inc. Employee Benefit Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS

For the Period from January 1, 2024 to October 1, 2024 and the Year Ended December 31, 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the Southwest Beverage Company, Inc. Employee Benefit Plan and Trust (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General** - The Plan is a defined contribution plan covering all full-time employees of Southwest Beverage Company, Inc. (“the Plan Sponsor”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions and Funding Policy** - Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. However, the total contributions in any taxable year may not exceed a dollar limit that is set by law. The limit for 2024 and 2023 is \$23,000 and \$22,500, respectively. Participants who have attained the age of 50 or older before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 for Plan years 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan Sponsor provides matching contributions based upon the employee’s length of service based upon the following scale subject to the appropriate federal limits:

<u>Years of Service</u>	<u>Company Match</u>
0 to 0.99	50% up to \$2,500
1 to 2.99	75% up to \$3,214
3 to 4.99	100% up to \$3,750
5 and above	125% up to \$4,167

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a money market fund through Fidelity Investments as investment options for participants.

**Participant Accounts** - Each participant’s account is credited with the participant’s contributions and allocations of (a) the Plan Sponsor’s contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor’s contribution portion of their accounts plus actual earnings thereon is based on years of continuous service.

PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

For the Period from January 1, 2024 to October 1, 2024 and the Year Ended December 31, 2023

NOTE A – DESCRIPTION OF PLAN – (Continued)

***Vesting (continued)*** - The schedule below determines the vesting percentage for all other contributions:

<b>Years of Vesting Service</b>	<b>Vesting Percentage</b>
Less than 1	0%
1 to 2 years	50%
3 to 4 years	75%
5 and over	100%

***Notes Receivable from Participants*** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000, reduced by the highest outstanding loan balance in their account during the prior twelve month period, or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant’s account and bear interest at the prime rate at the time the note is made. Principal and interest are paid ratably through bi-monthly payroll deductions.

***Payment of Benefits*** - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or annual installments over a period of time. For termination of service due to other reasons, a participant may receive the values of the vested interest in his or her account as a lump-sum distribution.

***Forfeitures*** - Forfeitures of non-vested accounts totaled \$1,809 and \$7,925 for the period from January 1, 2024 to October 1, 2024 and year ended December 31, 2023, respectively. Forfeitures are used first to pay administrative expenses of the Plan as directed by the Plan Sponsor and then any remainder can be used to offset employer contributions. Employer contributions were reduced by \$755 and \$7,999 from forfeited non-vested accounts in 2024 and 2023, respectively. The balances of the Plan’s forfeiture account as of October 1, 2024 and December 31, 2023 were \$-0- and \$1,482, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A brief summary of the significant accounting and reporting policies followed by the Plan in the preparation of its financial statements is presented below.

***Basis of Accounting*** - For 2023, the Plan’s transactions are reported on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”). For 2024, the Plan’s transactions are reported on the liquidation basis of accounting in accordance with GAAP.

***Use of Estimates*** - The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS

For the Period from January 1, 2024 to October 1, 2024 and the Year Ended December 31, 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

***Investment Valuation and Income Recognition*** - The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. See note C for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest on the accrual basis. Net appreciation (depreciation) includes the plan’s gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants*** - Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of October 1, 2024 and December 31, 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

***Benefits*** - Benefits are recorded when paid.

***Expenses*** - Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant’s account.

***SECURE Act 2.0*** - On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as “SECURE 2.0.” These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan’s investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of

NOTE C – FAIR VALUE MEASUREMENTS (Continued)

different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of mutual funds (registered investment companies) is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023. Balance was \$-0- as of October 1, 2024:

December 31, 2023	Fair Value	Fair Value Measurements Using:
		Quoted Prices in Active Markets for Identical Assets (Level 1)
Registered investment companies	\$ 14,573,515	\$ 14,573,515
Total assets at fair value	\$ 14,573,515	\$ 14,573,515

Gains and losses included in changes in net assets available for benefits for the period ended October 1, 2024 and year ended December 31, 2023 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the period ended October 1,

For the Period from January 1, 2024 to October 1, 2024 and the Year Ended December 31, 2023

NOTE C – FAIR VALUE MEASUREMENTS (Continued)

2024 and year ended December 31, 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE D – PLAN TERMINATION

In February 2024, the Plan Sponsor was acquired by Mockler Beverage. Effective February 20, 2024, the plan was terminated. On July 10, 2024, participants with balances were rolled out of the Plan into individual IRA's. There are no participants remaining in the Plan as of October 1, 2024.

NOTE E – TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Plan Sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). During the year ended December 31, 2020, the plan changed its prototype plan. The IRS determined on June 30, 2020 that the prototype adopted by the Plan, as then designed, qualified under IRC Section 401(a). Although the Plan has been amended since receiving the original determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for a period beyond three years from the filings of those returns.

NOTE F – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN

Fidelity Management Trust Company, as custodian of the Plan, holds all of the Plan's investment assets and executes transactions therein. Financial information relating to the assets is included in the accompanying financial statements and is based on information provided by the custodian. NOTE I – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments, trustee, and plan asset custodian as defined by the Plan; therefore, these transactions qualify as parties-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$1,363 and \$3,247 for the period from January 1, 2024 to October 31, 2024 and year ended December 31, 2023, respectively. These parties-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE J – TRANSFER TO OTHER PLANS

Outstanding participant loans totaling \$168,494, were transferred to new plans at various dates throughout the period. Accordingly, as of October 1, 2024, the terminated plan no longer carries participant loan receivables in its statement of net assets. The transfers are presented as a deduction line item in the Statement of Changes in Net Assets Available for Benefits.

NOTE K – SUBSEQUENT EVENTS

Management of the Plan has evaluated the financial statements for subsequent events through the date of the auditors' report, the date the financial statements were available to be issued. Management is not aware of a subsequent event which would require recognition or disclosure in the financial statements.
