INDEPENDENT AUDITOR'S REPORT

Win-Sum Ski Corp.
Profit Sharing 401(k) Plan
Ellicottville, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Win-Sum Ski Corp. Profit Sharing 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of October 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended October 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Win-Sum Ski Corp. Profit Sharing 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended October 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Win-Sum Ski Corp. Profit Sharing 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about *Win-Sum Ski Corp. Profit Sharing 401(k) Plan's* ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness *Win-Sum Ski Corp. Profit Sharing 401(k) Plan's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *Win-Sum Ski Corp. Profit Sharing 401(k) Plan's* ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of October 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of *Win-Sum Ski Corp. Profit Sharing 401(k) Plan* (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe-harbor defined contribution plan covering substantially all employees of the Company who have one year of service, at least one thousand hours of service and are age twenty-one or older. Once eligible for the Plan, all employees are automatically enrolled to defer 4% of their pay, unless they elect to opt out, which further increases 1% on each January 1st in subsequent years up to a maximum of 8%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Contributions and Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution; (b) Plan earnings (losses); and (c) forfeitures of terminated participants' nonvested accounts; and (d) charged with an allocation of administrative expenses paid by the Plan.

Allocations are based on participants' earnings or account balances, as defined. Participants may contribute a percentage of eligible pay on a pretax basis every pay period, not to exceed IRS limits (\$23,000 in 2024 and \$22,500 in 2023). Plan participants also have the option of contributing on a post-tax basis (Roth elective deferrals). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company will match the contributions at a rate of 25% of the first 4%. Also, the Company has the sole discretion to contribute on an annual basis an optional profit sharing contribution. The Company contributed 3% and 5% of participants' eligible compensation, along with a 3% guaranteed contribution, for the years ended October 31, 2024 and 2023, respectively.

Vesting and Withdrawals

Participants are vested immediately in their contributions plus actual earnings thereon as well as the employer's matching contribution. Vesting in the Company's optional profit sharing contribution is based on a six year grading schedule of which employees are 20% vested after 2 years of service with an additional 20% vesting for each additional year of service. A participant is 100% vested after six years of credited service. Upon termination of service, a participant may elect to receive either a lump sum amount equal to the value of his vested account, or a joint and survivor benefit for married participants.

Forfeited Accounts

As of October 31, 2024 and 2023, forfeited nonvested accounts totaled \$83,501 and \$48,234, respectively. These accounts will be used to pay the administrative expenses of the Plan, reduce future employer contributions, or will be reallocated to participants. Also, in 2024 and 2023, \$0 and \$10,353, respectively, were allocated to participants' accounts from forfeited nonvested accounts.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear reasonable interest rates determined by similar types of loans by other lenders. Principal and interest are paid ratably through weekly payroll deductions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Valuation of Investments

Investments are valued at quoted market prices as of the last business day of the reporting period as certified to the plan administrator by the plan custodian. Life insurance contracts are valued at the cash surrender value of the contracts.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding balances, which approximates fair value. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Investment Transactions

Purchases and sales of securities are recorded as of the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Plan Assets

Plan assets, excluding individual life insurance contracts issued by Northwestern Mutual, are held in a trust account managed by the Plan Custodian, Principal Life Insurance Company.

Payment of Benefits

Benefit payments related to the plan's life insurance contracts are recorded when the claim is filed. All other benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED OCTOBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Unrealized Appreciation or Depreciation of Investments

In accordance with the policy of stating investments at fair value, unrealized appreciation or depreciation on investments held at year end is reflected in the statement of changes in net assets available for benefits. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Virtually all administrative expenses relating to the Plan are paid by the Plan. Loan processing fees are paid for by the respective participant requesting the loan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY CUSTODIAN

The following is a summary of the Plan financial information and data certified by the custodian, Principal Life Insurance Company, in accordance with Section 29CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974:

NOTE 4 - TAXABLE STATUS OF PLAN

The plan follows a prototype plan, which has obtained a favorable tax determination letter from the Internal Revenue Service in July 2003.

NOTE 4 - TAXABLE STATUS OF PLAN (CONTINUED)

The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan's Form 5500 is subject to examination by the Internal Revenue Service; plan years that remain open for examination include the years ended October 31, 2021 and later. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED OCTOBER 31, 2024 AND 2023

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – PARTY IN INTEREST TRANSACTIONS

Certain plan investments are sponsored by the Plan Custodian, Principal Life Insurance Company. Total investments held by the custodian at October 31, 2024 and 2023 that are party in interest transactions under ERISA amounted to \$22,490,553 and \$17,810,606, respectively. Total participant loans held by the custodian at October 31, 2024 and 2023 that are party in interest transactions under ERISA amounted to \$331,063 and \$275,083, respectively. Also, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA and are exempt from the prohibited transaction rules.

NOTE 8 – SUBSEQUENT EVENTS

Subsequent events were evaluated through August 11, 2025, which is the date the financial statements were available to be issued.

NOTE 9 - FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Topic 820, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices in active markets for similar assets or liabilities or quoted prices in inactive markets for identical or similar assets or liabilities. Level 3 inputs on the hierarchy are unobservable and significant to the fair value measurement, and have the lowest priority. The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. As of October 31, the Plan's investments measured at fair value consisted of the following instruments and classifications within the fair value hierarchy.

	Quoted Prices In Active Markets for Identical Assets (Level I)	Significant Other Observable Inputs (Level II)	Significant Unobservable Inputs (Level III)	Total at October 31, 2024
