INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
Planned Parenthood of the Pacific Southwest 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Planned Parenthood of the Pacific Southwest 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Planned Parenthood of the Pacific Southwest 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Planned Parenthood of the Pacific Southwest 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Parenthood of the Pacific Southwest 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Planned Parenthood of the Pacific Southwest 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Parenthood of the Pacific Southwest 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year the ended December 31, 2024 and of assets (held at end of year) as of December 31, 2024, (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of Planned Parenthood of the Pacific Southwest 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution savings plan sponsored by Planned Parenthood of the Pacific Southwest (the "Company" or "Employer"), qualifies under Section 401(k) and related provisions of the Internal Revenue Code ("IRC"). The Plan was established on January 1, 1986 and was most recently restated effective November 1, 2021 and is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The Plan is subject to the provisions of the Department of Labor's ("DOL") Rules and Regulations for Reports and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") as amended.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first Plan year beginning on or after January 1, 2026, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company has designated the Retirement Plan Committee (the "Committee") to administer the Plan, and as such, the Committee carries out the duties imposed by ERISA. The Plan's investments are held by the trustee of the Plan, Empower Trust Company (the "Trustee"). Trustee and recordkeeping services are provided by the Trustee, or one of its affiliates.

Eligibility

Except for leased employees, interns receiving a stipend, or employees acquired under certain transactions described in the plan documents, all employees of the Company are eligible to immediately begin participating in the Plan.

Participant and Employer contributions

Participants may elect to contribute up to 80% of their eligible pre-tax compensation, as defined in the plan documents, up to the maximum annual amount allowed by the IRC. Participants are also allowed to roll over pre-tax contributions from other qualified retirement plans.

Plan participants who have attained age 50 before the end of a calendar year are allowed to make additional contributions called "catch-up contributions" to the Plan, up to the annual contribution limit as defined by the IRC.

Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

Participant and Employer contributions (continued)

The Plan allows the Company to make both matching contributions and other discretionary matching contributions to the Plan. During the year ended December 31, 2024, the Company made matching contributions on behalf of participants equal to 100% of up to the first 3% of their eligible compensation, as defined in the plan documents, plus 50% of up to the next 2% of their eligible compensation contributed to the Plan. The Company made no other discretionary matching contributions to the Plan during the year ended December 31, 2024.

Participant accounts

Each participant's account is credited with the participant's contributions (including rollovers), and an allocation of the Company's matching contributions, the Company's other discretionary matching contributions, if any, and Plan earnings and are charged with an allocation of administrative expenses and Plan losses. Allocations of investment earnings are based strictly on the participant's selection of investments and time of purchase. Other allocations are based on participant earnings or account balances, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately 100% vested in their contributions and the Company's matching contributions, plus actual earnings thereon. Participants vest in the Company's other discretionary matching contributions, if any, after two years of credited service, as defined in the plan documents. Company's matching contributions made before January 1, 2017 are fully vested after two years of credited service, as defined in the plan documents.

Forfeitures

The Plan may use forfeitures to either pay expenses for the Plan or to reduce future employer matching contributions to the Plan. Forfeited non-vested accounts totaled \$5,562 and \$4,351 at December 31, 2024 and 2023, respectively. Forfeitures of \$10 were used to reduce Employer contributions, during the year ended December 31, 2024.

Administrative and Investment related expenses

The Plan directly pays all expenses incurred to operate and administer the Plan. Transaction-based fees are associated with optional services offered under the Plan, and are charged directly to participant accounts for particular Plan features that may be available, such as a participant loan or the maintenance of a terminated participant's account.

Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Participants may borrow against their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants ("participant loans") must be repaid within five years, unless the participant loan is issued to finance the purchase of a primary residence, in which case the loan term may be longer. Participant loans are secured by the participant's account balance and bear interest at a rate which is commensurate with local prevailing rates at the time of issuance. Principal and interest are generally paid ratably through payroll deductions with payments made each pay period and participants may have only one loan outstanding at any given time. Outstanding participant loans at December 31, 2024, bear annual interest rates of between 4.25% and 9.50% with maturity dates through August 2031.

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability, or to a beneficiary upon a participant's death. If a terminated participant's vested account balance is equal to or less than \$1,000 upon termination, the balance will be immediately distributed in a lump-sum payment without the participant's consent. Unless otherwise elected, terminated participant vested account balances greater than \$1,000, and less than \$5,000 upon termination, will automatically be rolled over to an individual retirement account designated by the Committee. If a terminated participant's vested account balance is \$5,000 or more, the participant (or beneficiary) may elect to receive a distribution as either a lump-sum payment or postpone payment to a later date and remain in the Plan. Participants with an immediate and heavy financial need may be eligible for a hardship withdrawal, subject to certain restrictions as described in the plan documents.

Effective April 1, 2024, the Plan's involuntary cash-out distributions was increased from \$5,000 to \$7,000. Effective May 1, 2024, domestic abuse distributions were permitted.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Planned Parenthood of the Pacific Southwest 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Investment valuation and income recognition

The Plan's investments in mutual funds are reported at fair value. The Plan's investment in a benefit responsive investment contract is reported at contract value.

Participants direct the investment of their contributions into a variety of investment options offered by the Plan, including mutual funds, and a fixed annuity account. The Plan's investment in mutual funds is stated at fair value as determined on the open market.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Contributions and receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. Company matching contributions are recorded in the year they are earned and coincide with the year in which the Company records the contributions in its general ledger. The Plan records receivables for contributions based upon contributions recorded in the Plan year but received by the Plan subsequent to year end. Rollover contributions from participants are recorded based on the date the rollover contributions are received by the Trustee.

Effective January 1, 2024, participants are permitted to make Roth contributions.

Payment of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Administrative expenses for the Plan are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through August 7, 2025, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by the Trustee, determined to be a qualified institution by the plan administrator, as complete and accurate, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule of assets (held at end of year) ("supplemental schedule"). The Trustee certified that the following data included in the financial statements is complete and accurate:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments, dividends and interest (including interest income on notes receivable from participants) reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investments and notes receivable from participants reflected on the supplemental schedule as of December 31, 2024.

4. FAIR VALUE MEASUREMENTS

Accounting standards define fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Such standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value within a fair value hierarchy. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

Planned Parenthood of the Pacific Southwest 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

4. FAIR VALUE MEASUREMENTS (continued)

The three levels of fair value hierarchy are as follows:

Level 1: inputs are quoted prices in active markets for identical assets or liabilities,

Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities;

Level 3: inputs are unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 55,140,691</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 55,140,691</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by types, at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 46,125,244</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 46,125,244</u>

Planned Parenthood of the Pacific Southwest 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

5. EMPOWER GENERAL ACCOUNT

Effective December 31, 2020, the Plan's investment in the Guaranteed Interest Account ("GIA") is unconditionally guaranteed by Empower Annuity Insurance Company of America ("Empower"). Contributions made to the GIA investment contract are invested in the general account of Empower. The contract is a fully benefit-responsive investment contract. The Plan's balance in the general account investment contract at December 31, 2024 and 2023 is \$2,041,458 and \$1,727,313 respectively.

For investment contracts that are benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. These contracts are included in the financial statements at contract value, as reported by Empower. Contract value represents accumulated cash contributions made under the contract, interest credited to the contract, less participant withdrawals and transfers. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk for the contract issuer or otherwise. The GIA investment contract provides a guarantee of principal, a minimum annual rate of interest of 0.15%, and the opportunity for additional interest in excess of the guaranteed rate. When declared, additional amounts remain in effect for the six-month period beginning December 1 and June 1. Additional interest is not guaranteed for future years.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan's trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with Empower or with participants are probable of occurring.

The contracts above do not permit the respective issuer to terminate the agreement prior to the scheduled maturity date.

6. TAX STATUS

The Plan has adopted the Empower Retirement Contribution Non-Standardized Pre-Approved Plan Basic Plan Document. The Internal Revenue Service has informed Empower Retirement LLC by a letter dated November 14, 2022, stating that the plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The Plan administrator believes that the Plan, is currently designed and being operated in accordance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Notes to Financial Statements
December 31, 2024 and 2023

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Company were to terminate the Plan, all participants would become immediately 100% vested in their account balances.

8. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Parties-in-interest transactions included those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons. As such, transactions conducted by the Trustee, including revenue sharing and fee offset agreements, qualify as parties-in-interest transactions. Also, the Company pays certain fees and expenses on behalf of the Plan. These transactions qualify as parties-in-interest transactions.

Additionally, the Plan has included in its investment fund options certain funds managed by Empower or one of its affiliates. Empower is the Trustee and recordkeeper as defined by the Plan and therefore these transactions qualify as exempt parties-in-interest transactions. Notes receivable from participants and the related interest income are considered parties-in-interest transactions. The Trustee retains compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.
