## INDEPENDENT AUDITORS' REPORT

Administrative Committee  
The Kaiser Group (DE), LLC 401(k) Savings Plan  
Waukesha, Wisconsin

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of The Kaiser Group (DE), LLC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of February 28, 2023, December 31, 2022 and December 31, 2021, and the statements of changes in net assets available for benefits for the period ended February 28, 2023 and year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of February 28, 2023 and December 31, 2022 and for the period ended February 28, 2023 and year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter –Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held At End of Year) and Schedule H, line 4a-Schedule of Delinquent Participant Contributions as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. THE KAISER GROUP (DE), LLC 401(K) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
FEBRUARY 28, 2023, DECEMBER 31, 2022 AND DECEMBER 31, 2021

**Note A - Description of Plan**

The following description of The Kaiser Group (DE), LLC 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by The Kaiser Group (DE), LLC (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). All employees, unless specifically excluded, who have completed at least one month of service with the Company, as defined in the Plan, and are age 21 or older are eligible to participate in the Plan. Also, "limited term" employees are eligible to participate after one year of service. Eligible employees are automatically enrolled on the first day of each plan quarter unless they opt out. Upon enrollment in the Plan, a participant may direct employer and employee contributions to any combination of available investment options.

As discussed in Note I, on February 28, 2023 assets and participant account balances of the Plan were merged into the Ross Innovative Employment Solutions 401(k) Plan (Ross Plan) in accordance with ERISA guidelines and the Plan was terminated upon transfer of the assets to the Ross Plan.

Contributions

Participants may make voluntary contributions to the Plan. Contributions are limited to 90% of pretax annual compensation, as defined in the Plan. Participants may also make after-tax Roth contributions. The combined pretax and Roth contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participants who have attained age 50 before the end of the Plan year are eligible to make "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company makes a safe harbor contribution to the plan in which it will match 100% of participant deferrals that do not exceed 3% of participant compensation and 50% of participant deferrals that exceed 3% but do not exceed 6% of participant compensation. The Company made safe harbor matching contributions of \$733,601 for the year ended December 31, 2022. Additional profit sharing amounts may be contributed at the sole discretion of the Company's Board of Directors. There were no discretionary contributions for 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and Company safe harbor matching contributions plus actual earnings thereon. Participants who were hired before January 1, 2018 vest 20% each year and are 100% vested after five years.

THE KAISER GROUP (DE), LLC 401(K) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
FEBRUARY 28, 2023, DECEMBER 31, 2022 AND DECEMBER 31, 2021

**Note A - Description of Plan (continued)**

Notes Receivable from Participants

The Plan administrator may direct the custodian of the Plan to make loans to active participants. The minimum loan amount that can be taken is \$1,000 and the maximum loan amount is limited to 50% of the participant's vested account balance or \$50,000, whichever is less. A participant can only have up to two loans outstanding at any time. The interest rate on all loans is determined by the Plan administrator at the inception of the loan and is fixed for the duration of the loan. Interest rates are commensurate with local prevailing rates at the time funds are borrowed.

Payment of Benefits

On termination of service, a participant may elect to receive a lump-sum amount equal to the value of his or her vested account, an IRA rollover, or other qualified plan rollover. In addition, a participant may withdraw all or a portion of his or her account balance prior to termination in the event of financial hardship and attaining age 59 ½.

Forfeited Accounts

Forfeited nonvested accounts will be used to reduce future employer contributions or plan administrative expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$2,268 and \$40, respectively. There were no forfeitures used to reduce employer contributions or plan administrative expenses during the year ended December 31, 2022.

**Note B - Summary of Significant Accounting Policies**

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D - Fair Value Measurements, for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

THE KAISER GROUP (DE), LLC 401(K) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
FEBRUARY 28, 2023, DECEMBER 31, 2022 AND DECEMBER 31, 2021

**Note B - Summary of Significant Accounting Policies (continued)**

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain administrative expenses of the Plan are paid by the Plan and totaled \$8,279 and \$55,426, for the period ended February 28, 2023 and year ended December 31, 2022, respectively. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

Management has evaluated subsequent events through October 12, 2023, the date on which the financial statements were available to be issued.

**Note C Certification of Investment Information**

Transamerica Life Insurance Company Inc. ("Transamerica"), the "Insurance Company" of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of February 28, 2023, December 31, 2022 and 2021 and the statements of changes in net assets available for benefits for the period ended February 28, 2023 and year ended December 31, 2022 and the supplemental schedule of assets (held at end of year) as of December 31, 2022.

**Note D - Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

THE KAISER GROUP (DE), LLC 401(K) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
FEBRUARY 28, 2023, DECEMBER 31, 2022 AND DECEMBER 31, 2021

**Note D - Fair Value Measurements (continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There has been no changes in methodologies used at December 31, 2022 and 2021.

*Pooled Separate Accounts:* Pooled separate accounts are similar to mutual funds except they are issued by insurance companies and are not publicly traded like mutual funds. Each plan's share of a pooled separate account is determined on a participation-unit or variable-unit basis. The plan's equity account provides a cumulative record of the number of participation units credited to the account and the number of units allocated or withdrawn from the account. The balance of participation units credited to the account, multiplied by the current participation-unit value equals the amount of equity account assets held on behalf of the policy-holder at any given time. The participation-unit value is adjusted periodically, usually each business day, to reflect investment results under the separate account.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Fair Value Measurements at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Investments measured at Net Asset Value*: Pooled separate accounts	\$ 7,757,306	\$ -	\$ -	\$ -
	Fair Value Measurements at December 31, 2021			
	Total	Level 1	Level 2	Level 3
Investments measured at Net Asset Value*: Pooled separate accounts	\$ 7,915,696	\$ -	\$ -	\$ -

\*In accordance with Subtopic 820-10, certain investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are not intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

*Investments Measured Using NAV per Share Practical Expedient:* The following tables summarize investments for which fair value is measured using NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2022	2021			
Pooled separate accounts	\$7,757,306	\$7,915,696	None	Daily	None

**Note E - Investment with Insurance Company**

The Plan invests in the Transamerica Stable Value Core Option (Stable Value Option), which is backed by the general account of Transamerica Life Insurance Company or Transamerica Financial Life Insurance Company (collectively Transamerica). The investment objective of the Stable Value Option is to provide stability of principal with a declared interest rate credited to participant account balances. This investment choice is not guaranteed by the Federal Deposit Insurance Corporation or any other governmental agency. The net crediting rate was 0.83% from January 1, 2022 to December 31, 2022. The crediting interest rate is based on a formula agreed upon with Transamerica and is reviewed every six months for resetting.

THE KAISER GROUP (DE), LLC 401(K) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
FEBRUARY 28, 2023, DECEMBER 31, 2022 AND DECEMBER 31, 2021

**Note E - Investment with Insurance Company (continued)**

As described in Note B, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events may limit the ability of the Plan to transact at contract value with the issuer. However, the Plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

**Note F - Tax Status**

The IRS has determined and informed the Plan Committee by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note G - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note H - Related-Party Transactions**

The Plan investments are held, invested and maintained by Transamerica, the asset custodian, and the notes receivable are with the participants, therefore these transactions qualify as party-in-interest. The fees for these services paid by the Plan were \$38,706 for the year ended December 31, 2022. Certain employees of the Company provide administrative services to the Plan but are not paid by the Plan for their services.

**Note I - Net Plan Transfers to Other Plan and Plan Termination**

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. On November 1, 2022, the trustee for the Ross Plan, which is a plan sponsored by a related employer of the Company due to common ownership, was authorized by the Company to begin the administrative services necessary to facilitate the transfer of plan assets from the Plan into the Ross Plan as further described below.

THE KAISER GROUP (DE), LLC 401(K) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
FEBRUARY 28, 2023, DECEMBER 31, 2022 AND DECEMBER 31, 2021

**Note I – Net Plan Transfers to Other Plan and Plan Termination (continued)**

On November 30, 2022, the Ross Plan was amended authorizing the Plan to be merged into the Ross Plan. On February 28, 2023, assets and participant account balances of \$8,244,578, which includes \$189,194 in notes receivable from participants, were merged into the Ross Plan in accordance with ERISA guidelines and the Plan was terminated upon transfer of the assets to the Ross Plan.

Through December 31, 2022, employees' 401(k) elective deferrals and related employer contributions were remitted to and deposited into the Plan. Beginning January 1, 2023, employees' 401(k) elective deferral and related employer contributions were remitted to and deposited into the Ross Plan.

In accordance with 29 CFR 2520.104-50, the Form 5500 Annual Report for the year ended December 31, 2022 did not attach the independent qualified public accountants' opinion. Rather, the independent qualified public accountants' opinion, which covers the financial statements as of February 28, 2023, December 31, 2022 and December 31, 2021 and for the period ended February 28, 2023 and year ended December 31, 2022, was attached to the Form 5500 Annual Report for the period ended February 28, 2023.

Plan Sponsor: The Kaiser Group (DE), LLC

Tax Period: February 28, 2023

Employer ID: 39-1354364

To whom it may concern,

The previous plan sponsor, The Kaiser Group (DE), LLC, is requesting relief of late filing penalties for the short and final year annual Form 5500 return. The benefit plan assets were transferred to the Ross Innovative Employment Solutions 401(k) Plan (EIN: 47-4926893) at the end of the tax period.

The annual filing process was complicated by the significant changes to the plan structure, which required additional time to gather the required information to report on the annual form. The plan sponsor also relied on previous third-party administrators of the plan who were unable to provide the necessary information to timely file the form. The plan sponsor acted in a responsible manner to gain access to relevant business records and gather all necessary information prior to filing the form and worked to mitigate the unforeseen complications.

The plan sponsor has a good compliance history with historical filings. Please consider these complications and approve the plan sponsor's request for relief of penalties.

Sincerely,

Lucida
