NEW NARRATIVE
401(K) DEFINED CONTRIBUTION PLAN

Audited Financial Statements

For the Years Ended December 31, 2023 and 2022

McDONALD JACOBS

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
New Narrative 401(k) Defined Contribution Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of New Narrative 401(k) Defined Contribution Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of New Narrative 401(k) Defined Contribution Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of New Narrative 401(k) Defined Contribution Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Narrative 401(k) Defined Contribution Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Narrative 401(k) Defined Contribution Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt New Narrative 401(k) Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter

This report has been modified from the original report issued November 5, 2024 to properly reflect employer plan receivables and contributions as of and for the year ending December 31, 2023. No other procedures have been performed since the original report date.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and 2022 and schedule of delinquent participant contributions as of December 31, 2023 are presented for purposes of additional analysis and is not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NEW NARRATIVE 401(K) DEFINED CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the New Narrative 401(k) Defined Contribution Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan Sponsor is New Narrative (the Organization), and the custodians of the Plan are Reliance Trust Company and Standard Insurance Company (collectively the “Custodians”), where all participant account balances are participant directed and held.

Eligibility

The Plan is a defined contribution plan covering full-time employees of the Organization who have three months of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Contributions

Participants may elect to contribute up to 100% of their pretax annual compensation during the plan year, subject to the limits imposed by the Internal Revenue Code (IRC). The Plan allows participants to designate contributions as Roth 401(k) contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans.

Employer Contributions

The Organization makes safe harbor matching contributions to the Plan equal to 100% of participant contributions up to 3% of eligible compensation, plus a 50% match of all remaining contributions up to 5% of eligible compensation. To receive a matching contribution, participants must be making salary deferrals. Additional discretionary contributions may be made at the option of the Organization, including profit-sharing contributions. The Organization did not make any additional discretionary contributions during the years ending December 31, 2023 and 2022.

Investment Options

The Plan permits the Organization to designate one or more investment options as the Plan’s “qualified default investment alternative” within the meaning of Section 624 of the Pension Protection Act of 2006 and regulations issued thereunder. Participants direct the investment allocation of all contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Organization’s contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expense. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

1. DESCRIPTION OF THE PLAN, Continued

Vesting

Participants are 100% vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts is immediately 100% vested.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear a reasonable interest rate. Interest rates range from 5.25% to 10.50%. Principal and interest installments are paid ratably through monthly payroll deductions.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

On termination of service due to death, disability or retirement, or other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Plan Expenses

Plan expenses may be paid from the Plan assets and are generally allocated among the accounts of all participants in the Plan. Investment related expenses are included in the net increase or decrease in fair value of investments. Certain administrative expenses of the Plan are paid by the Organization. Participants are responsible for fees associated with transactions such as loan originations, account maintenance, distributions and withdrawals.

Contributions

Contributions from employees are recorded in the period in which the Organization makes the payroll deductions from participant compensation. Participants are allowed to transfer or roll over funds into the Plan from another qualified plan.

Participant Withdrawals

If a participant is age 59 ½ or older, the participant may withdraw all or a portion of their account balance in the Plan. If a participant has a "financial hardship", as defined by the Internal Revenue Service (IRS) guidelines, it is possible to withdraw all or a portion of their vested account balance in the Plan up to the amount needed to satisfy the hardship, regardless of age.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of additions to and deduction from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Other than the fully benefit-responsive investment contract, which is reported at contract value (see Note 8), the Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies using information provided by the Custodians. See Note 8 for discussion of fair value measurements.

Contract value is the relevant measure for the Plan's investments in the fully benefit-responsive investment contract, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions. See Note 8 for discussion of investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net increase or decrease in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, the changes are reflected as a component of the increase or decrease in fair value. Fees related to the administration of notes receivable are charged directly to the participant accounts and are included in administrative expenses.

Benefits Paid to Participants

Benefits paid to participants are recorded when paid. At December 31, 2023 and 2022, there were no benefits processed and approved for payment, but not paid.

NEW NARRATIVE 401(K) DEFINED CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

3. RELATED PARTY TRANSACTIONS AND PARTIES-IN-INTEREST

Certain Plan investments are invested in the Standard Insurance Company's stable asset account, which is a general asset of Standard Insurance Company. Standard Insurance Company is a custodian as defined by the Plan and therefore these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for the investment management and record-keeping services are included in the net increase or decrease in the fair value of investments, as they are paid through revenue sharing rather than a direct payment. These transactions qualify as party-in-interest transactions.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to ERISA provisions. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

5. INCOME TAX STATUS

The Plan obtained its latest determination letter on July 7, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that would not likely be sustained upon examination by the IRS.

NEW NARRATIVE 401(K) DEFINED CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED
December 31, 2023 and 2022

5. INCOME TAX STATUS, Continued

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. INVESTMENT RISK AND CONCENTRATIONS

The Plan invests in various investment securities. These investments are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible changes in the values of investment securities will occur in the near-term, and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Investments are concentrated as follows at December 31, 2023 and 2022:

	2023	#NAME?
Vanguard Total Stock Mkt Idx Adm	\$ 772,724	\$ 611,305
Vanguard Total Bond Market Index Adm	807,410	652,564
Vanguard Total Intl Stock Index Admiral	700,940	594,371

7. CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (loss) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance Company and Reliance Trust Company, is complete and accurate:

Investments as shown in the accompanying statements of net assets available for benefits at December 31, 2023 and 2022, of \$4,147,373 and \$3,341,853, respectively. Notes receivable from participants at December 31, 2023 and 2022 of \$132,996 and \$67,543, respectively.

NEW NARRATIVE 401(K) DEFINED CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED
December 31, 2023 and 2022

7. CERTIFIED INVESTMENTS (UNAUDITED), Continued

Net investment appreciation (loss) in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022 of \$408,830 and \$(584,355), respectively. Interest and dividend income in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022 of \$118,430 and \$84,977, respectively. Interest on participant notes receivable for the years ended December 31, 2023 and 2022 of \$8,574 and \$3,003, respectively.

8. FAIR VALUE MEASUREMENTS

Assets, including investments, are recorded at fair value in the statement of net assets available for benefits and are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Level inputs are defined as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets.

Level 2: Observable inputs other than those included in Level 1, such as quoted market prices for similar assets or liabilities in active markets, or quoted market prices for identical assets in inactive markets.

Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset. Level 3 assets include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair values requires significant management judgment or estimation.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Registered investment companies

The fair value of investments in mutual funds from registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges as determined by the Custodians. The preceding method may produce a fair value calculation that may be indicative of net realized value or reflective of future values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual funds of \$3,758,454 and \$3,016,142 are classified as Level 1 at December 31, 2023 and 2022, respectively.

NEW NARRATIVE 401(K) DEFINED CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED
December 31, 2023 and 2022

9. GUARANTEED INCOME INVESTMENT CONTRACT

The Plan entered into a guaranteed income investment contract with the Standard Insurance Company. The Standard Insurance Company maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The crediting interest rate was 1.83% and 1.26% at December 31, 2023 and 2022, respectively. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the Standard Insurance Company.

The Plan's investment contract specifies that daily liquidity is available for participant contributions or withdrawals at contract value regardless of market conditions. Certain events, as defined in the investment contract, may allow the issuer to terminate the contract with 30 days advance notice. Such terminations may require the plan sponsor to settle at an amount different than contract value. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

The crediting interest rate of the contract is based on an agreed-upon formula with the Standard Insurance Company, as defined in the contract agreement, but cannot be less than 1.0%. Such interest rates are reviewed on a quarterly basis for resetting. The key factors that influence future crediting rates could include the following: current economic and market conditions; the level of market interest rates; and both the expected and actual experience of a reference portfolio within the Standard Insurance Company's general account.

The stable asset contract values of \$388,919 and \$325,711 at December 31, 2023 and 2022, respectively, are reported at contract value and not subject to fair value measurement.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 29, 2025, the date the financial statements were available to be re-issued (original issue date of November 5, 2024). The Organization is in process of self-correcting the employer contributions and lost earnings on contributions reported as delinquent for 2023.
