W.R. MEADOWS, INC. EMPLOYEES' PROFIT SHARING AND 401(k) PLAN AND TRUST

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of W.R. MEADOWS, INC. EMPLOYEES' PROFIT SHARING AND 401(k) PLAN AND TRUST (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by the ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. As permitted by the ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a State or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements;
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by the ERISA

The Supplemental Schedule of Assets Held at End of Year as of or for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed

to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.
- the information in the supplemental schedule related to assets held by, and certified to, by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEES' PROFIT SHARING AND 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(1) PLAN DESCRIPTION:

The following description of the W.R. Meadows, Inc. Employees' Profit Sharing and 401(k) Plan and Trust (the Plan) of W.R. Meadows, Inc. and its domestic subsidiaries, W.R. Meadows of Arizona, Inc., Huebert Fiberboard Inc., and Blue Ridge Fiberboard, Inc. (collectively referred to as the Company) provides only general information. Participants should refer to the Summary Plan Description or Plan Agreement for a more complete description of the Plan's provisions:

General -

The Plan was established and became effective in 1962. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan management is responsible for the oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility -

The Plan is a contributory, defined contribution plan covering substantially all employees, as defined, of the Company. Full-time covered employees commence participation in the Plan and are permitted to make salary deferral contributions and become eligible to receive Company contributions on the entry date following completion of six months of service. The Plan's entry dates are the first day of each month. Participants employed at the end of the Plan year, who have completed at least six months of service, are eligible to receive an allocated portion of the Company's discretionary profit-sharing contribution. Six months of service, for purposes of eligibility, is credited for each six consecutive month period in which an employee completes at least 750 hours of service.

Plan Administration -

The Plan is administrated by the Company. The Board of Directors of the Company appointed Capital Bank and Trust Company, an affiliate of American Funds Distributors, Inc., as the Plan's Trustee.

Contributions -

Participants may elect to make voluntary, pre-tax contributions in an amount not less than one percent of their compensation, but not more than the maximum allowed under IRS regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

W.R. MEADOWS, INC.

EMPLOYEES' PROFIT SHARING AND 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

At the end of each Plan year, the Company may, out of its current or accumulated profits, contribute to the Plan an amount authorized by the Board of Directors. Also, if an election is made prior to December 1 of the preceding Plan year, the Company will make "Safe-Harbor" contributions to each eligible employee's account in an amount equal to at least three percent of his or her compensation. In addition, the Company may make a discretionary additional matching contribution. The Company elected to make "Safe-Harbor" contributions of three percent for the 2024 and 2023 Plan years. Company contributions to the Plan were \$1,228,316 and \$1,159,347 in 2024 and 2023, respectively.

Participant Accounts -

Pre-tax, Company, and rollover contributions are held in self-directed investment accounts in the name of each participant. Each participant's account is credited with the participant's contributions, Company "Safe-Harbor" contributions, as well as allocations of Plan earnings. Employer profit sharing contributions, if any, are allocated to participants based upon a formula using compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting -

Participants are immediately vested in their pre-tax, Company, and rollover contributions and the earnings thereon.

Investment Options -

Participants may allocate their contributions (in multiples of one percent or a specific dollar amount) and those of the Company among multiple mutual funds and a common/collective trust fund. Employees may change their contribution allocations between investment options for future contributions and transfer prior contributions and associated earnings between investment options subject to certain restrictions set forth in the Plan. The Plan currently offers twenty-two mutual funds and one common/collective trust fund as investment options for participants. The investments offered have been selected by the Plan Trustee based upon the provisions of the Plan.

Plan Earnings -

Plan earnings are credited to participants based upon the net earnings, gains, losses, and expenses attributable to each participant's self-directed investment account.

W.R. MEADOWS, INC.

EMPLOYEES' PROFIT SHARING AND 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Life Insurance -

Prior to January 1, 1995, participants could, at their discretion, invest a portion of their account balance in individual life insurance policies. Under the Plan, the insured must be the participant and the policy be issued by a legal reserve life insurance company authorized to do business in the State of Illinois. These policies are not included in Plan assets because they are allocated to individual participants.

Effective January 1, 1995, the Plan prohibits the purchase of new policies. However, policies existing on January 1, 1995, will be continued until the participant either purchases the policy from the Plan or requests that the Trustee surrenders it for its cash value. If a policy is surrendered for its cash value, the proceeds received are credited to the participant's self-directed investment account. There were no proceeds from the surrender of life insurance policies in 2024. During 2023, proceeds from the surrender of life insurance policies totaled \$33,285. These proceeds are included in other contributions on the Statement of Changes in Net Assets Available for Benefits at December 31, 2023.

Notes Receivable from Participants -

Participants may borrow, but not less than \$1,000, from their self-directed investment account. The maximum aggregate of each participant's outstanding loans cannot exceed the lesser of \$50,000 or 50 percent of the participant's vested account balance. No participant may have more than two loans outstanding at any time. Participant loans are secured by the balance in the participant's self-directed investment account and bear a fixed interest rate equal to the prime rate of interest (on the date of borrowing) plus one percent. The interest rates are between 4.25 and 9.50 percent on all participant loans outstanding at December 31, 2024. Principal and interest is paid ratably through weekly payroll deductions in terms generally ranging from 52 to 780 weeks.

Payment of Benefits -

Upon retirement, death, disability, termination of service, or certain in-service distributions, a participant may elect to receive a lump-sum distribution equal to the participant's vested account balance or to receive the vested account balance in installments over a period of not more than the life expectancy of the participant. A participant may also elect to roll over his or her distribution to another retirement plan, such as an individual retirement account (IRA).

W.R. MEADOWS, INC.

EMPLOYEES' PROFIT SHARING AND 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Rollover Contributions -

With the Company's consent, an eligible employee may make one or more rollover contributions to the Plan if the employee demonstrates to the Company's satisfaction that the contribution qualifies as a rollover contribution in accordance with the Internal Revenue Code (IRC).

Administrative Expenses -

Certain expenses incurred in the administration of the Plan are paid directly by the Company.

Plan Termination -

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, the amounts credited to the accounts of the participants shall be distributed to the participants or their beneficiaries under the terms of the Plan Agreement.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting -

The Plan's financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Benefit payments to participants are recorded upon distribution.

Use of Estimates -

The preparation of financial statements, in accordance with U.S. GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Income Recognition and Investment Valuation -

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

W.R. MEADOWS, INC.

EMPLOYEES' PROFIT SHARING AND 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is stated at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 9 for discussion of fair value measurements.

Contributions –

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation. The Safe-Harbor contributions from the Employer are recorded in the year in which participant compensation is earned and paid.

Notes Receivable from Participants –

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the Plan document.

Uncashed Benefit Checks Payable –

Uncashed benefit checks payable represent Plan funds that have been distributed to Plan participants, but have not yet been cashed. These funds are considered Plan assets and are included in investment balances. The Plan Administrator is currently attempting to locate the affected participants to inform them of their due benefits.

Administrative Expenses –

The Plan pays all investment advisory fees. Fees for these services are based on the average market value of the assets invested in mutual funds and are netted against the earnings in each participant's self-directed investment account. The Plan's fee structure allows for credits to be issued when Plan investments meet or exceed a certain specified amount. The credit is applied against eligible fees each quarter. The unused credit is carried forward until the end of the first quarter in the following year. Any unused credit is allocated to each participant's investment account. In addition, fees related to the administration of notes receivable from participants, as well as certain withdrawal fees, are charged directly to the participant's account and are included in administrative expenses. All remaining costs, charges and expenses incurred in the administration of the Plan are paid by the Company and excluded from these financial statements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Subsequent Events -

The Plan's management has performed an analysis of activities and transactions subsequent to December 31, 2024, to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year then ended. Management has performed this analysis through the report date, the date which the financial statements were available to be issued.

(3) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain portions of the Plan's investments are shares of mutual funds managed by the Trustee. Therefore, these transactions qualify as party-in-interest transactions. In addition, the notes receivable from participants also represent party-in-interest transactions. These transactions are exempt from prohibited transaction rules of the ERISA.

(4) RISKS AND UNCERTAINTIES:

The Plan provides for investments in various investment securities, which in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(5) TAX STATUS:

The provisions of the Plan are based on the Capital Group Retirement Plan Services Defined Contribution Pre-Approved Plan (the Pre-Approved Plan). Capital Group Retirement Plan Services requested that the IRS provide an opinion related to the acceptability of the Pre-Approved Plan under Section 401 of the IRC and received a favorable opinion dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and; therefore, believe that the Plan is qualified and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to applicable statutory periods.

(6) INFORMATION CERTIFIED BY TRUSTEE:

The December 31, 2024 and 2023 Statements of Net Assets Available for Benefits, the investment activities included on the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2024 and 2023, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. The table below summarizes the information that has been prepared and certified to as complete and accurate by the Trustee as of December 31:

(7) COMMON/COLLECTIVE TRUST FUND:

The Plan holds an indirect investment in a fully benefit-responsive investment contract with Invesco National Trust Company (Invesco) through a common/collective trust fund. The primary investment objective of the fund is to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. The fund's returns are based on returns generated by an actively-managed, highly diversified portfolio of investment grade, fixed and floating rate securities. Invesco maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than zero percent. Such interest rates are reviewed on a monthly or quarterly basis according to each contract. Invesco may not terminate the contract at any amount less than contract value.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Invesco, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) plant closings, (2) layoffs, (3) termination of the Plan, (4) bankruptcy or reorganization, (5) merger, (6) early retirement incentive programs, or (7) tax disqualification of a trust or other events. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) the Plan's loss of its qualified status, (2) material breaches of responsibilities that are not cured, or (3) material and adverse changes to the provisions of the Plan.

(9) FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

<u>Description of Investment</u>	<u>2024</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
