Report of Independent Auditors

To the Plan Participants and the Plan Administrator of
Scholastic Corporation 401(k) Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Scholastic Corporation 401(k) Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our

**Shape the future
with confidence**

other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Shape the future with confidence

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 (referred to as the “supplemental schedule”) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

GENERAL

The Scholastic Corporation 401(k) Savings and Retirement Plan, amended and restated effective January 1, 2014 and as thereafter amended (the "Plan"), is a defined contribution plan sponsored by Scholastic Corporation (the "Company"). The Plan is administered by the Human Resources and Compensation Committee of the Board of Directors of the Company, which has delegated certain responsibility and authority to an Administrative Committee composed of members of senior management of the Company (collectively the "Committee"). Fidelity Management Trust Company serves as Trustee for the Plan (the "Trustee"). In addition, Fidelity Institutional Retirement Services Company provides administrative and recordkeeping services on behalf of the Plan. Investment products offered during the plan years ended December 31, 2024 and 2023 to participants under the Plan ("Participants"), other than the Company's common stock ("Company Stock"), were provided by the Vanguard Group, Inc., Fidelity Investments and several other mutual fund companies. The Plan is an employer plan qualified under Section 401(a) of the Internal Revenue Code, as amended (the "Code") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan's fiscal year ("Plan Year") is the twelve-months ended December 31. This description of the Plan provides only general information and is presented to assist in understanding the Plan's financial statements. Participants should refer to the Plan's documents for a more complete description of the Plan's provisions, copies of which are available from the Company.

ELIGIBILITY

Employees eligible to enroll in the Plan primarily include all employees of the Company's domestic subsidiaries (other than "leased" employees) who have attained the age of 18 ("Eligible Employees"), except those employees that the Company has designated as temporary employees, who become eligible after a six month period of service. Eligible Employees may enroll in the Plan on any business day after which he or she has become eligible to participate in the Plan. After 90 days of employment, Eligible Employees, who have not otherwise elected to enroll in the Plan, are automatically enrolled at a 3% contribution rate, as soon as administratively feasible, and for those Participants whose pre-tax contribution deferral rate is less than 6% the Plan provides for automatic subsequent pre-tax contribution increases of 1% each calendar year on October 1. The Plan permits Eligible Employees to opt-out of the automatic enrollment program and the automatic contribution increase provisions of the Plan. Eligible Employees who have previously opted out of the Plan are re-enrolled at a 3% deferral rate, with future re-enrollments to occur triennially. Eligible employees are permitted to opt-out of the re-enrollment program.

PARTICIPANT CONTRIBUTIONS

As approved by the Human Resources and Compensation Committee and subject to the provisions of the Code, Eligible Employees may contribute during the Plan Year at the Participant's election into any of the Plan's fund options, in pre-tax, after-tax and/or Roth compensation dollars ("Compensation Contributions"), provided that the sum of pre-tax, after-tax and Roth contributions during any Plan Year does not exceed the following limitations:

Pre-tax Contributions: Pre-tax contributions are limited to the lesser of 50% of annual salary, overtime, bonuses and commissions ("Compensation"), subject to the requirements of the Code for a maximum of Compensation Contributions of \$23,000 per Participant for the Plan Year ended December 31, 2024. Eligible Employees whose Compensation is in excess of \$155,000 in the prior year ("Highly Compensated Employees") are limited to a combined pre-tax and Roth contribution of the lesser of 10% of their annual Compensation or \$23,000 for the Plan Year ended December 31, 2024. The sum of pre-tax, after-tax and Roth contributions during any Plan Year cannot exceed 50% (or 13%, if a Highly Compensated Employee) of annual Compensation.

After-tax Contributions: After-tax contributions are limited to 50% of annual Compensation, subject to the requirements of the Code. Highly Compensated Employees are limited to an after-tax contribution of 3% of their annual Compensation. The sum of pre-tax, after-tax and Roth contributions during any Plan Year cannot exceed 50% (or 13%, if a Highly Compensated Employee) of annual Compensation.

Roth Contributions: All Participants have the option to make Roth contributions. Roth contributions are limited to 50% of annual Compensation, subject to the requirements of the Code. Highly Compensated Employees are limited to a combined pre-tax and Roth contribution of the lesser of 10% of their annual Compensation or \$23,000 for the Plan Year ended December 31, 2024. The sum of pre-tax, after-tax and Roth contributions during any Plan Year cannot exceed 50% (or 13%, if a Highly Compensated Employee) of annual Compensation.

**SCHOLASTIC CORPORATION
401(k) SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

Catch-up Contributions: All Participants who are at least age 50 or who will reach age 50 during the calendar year have the option to make additional pre-tax contributions of up to \$7,500.

Rollover Contributions: Any Eligible Employee may transfer to the Plan contributions and such other amounts from an eligible rollover plan that meets the requirements of the Code at the time of the transfer (“Rollover Contributions”).

EMPLOYER CONTRIBUTIONS

Under the Plan, the Company contributes a percentage of each Participant’s Compensation (“Matching Contributions”). The Company’s contributions for the benefit of the Participants are made in cash in an amount equal to a percentage of the Participant’s pre-tax and Roth contributions for each payroll period. For the Plan Year ended December 31, 2024, the Company contributed an amount equal to 50% of a Participant’s pre-tax and Roth contributions, up to a maximum of 6% of the Participant’s annual Compensation. Catch-up contributions are not eligible for Matching Contributions. Total Participant Plan contributions, including Matching Contributions, are subject to the requirements of the Code, limited to the lesser of 100% of the Participant’s Compensation, or \$69,000. Catch-up contributions are not counted towards this limit.

VESTING

Participants are immediately vested in their pre-tax, after-tax and Roth Compensation Contributions and Rollover Contributions. Matching Contributions vest at the rate of 20% per year of service by a Participant. A Participant becomes 100% vested in all Matching Contributions after either five years of credited service, or upon death or disability while employed, or upon reaching age 65.

FORFEITURES

Upon termination of employment, Participants forfeit their unvested Matching Contributions balance. Forfeitures by Participants of unvested Matching Contributions (“Forfeitures”) are used to offset Matching Contributions for other Participants and to pay for Plan expenses. For the Plan Year ended December 31, 2024, Matching Contributions were reduced by approximately \$666,000, primarily from Forfeitures. Plan level expenses for recordkeeping and investment advisory services for the Plan Year ended December 31, 2024 were approximately \$180,000, of which approximately \$103,000 were paid from Forfeitures. At December 31, 2024 and December 31, 2023, there were Forfeitures of approximately \$120,000 and approximately \$46,000, respectively, available to reduce future Matching Contributions and pay Plan expenses.

PARTICIPANT ACCOUNT DISTRIBUTIONS

A Participant’s account under the Plan may be distributed in full upon cessation of employment for any reason, including termination, death, disability or retirement at the Participant’s election. On a daily basis, a Participant, for any reason, may withdraw all or a portion of his or her after-tax contributions. All distributions from the Plan are in cash or, if elected by the Participant, in whole shares of Company Stock, to the extent that the Participant is invested in Company Stock. In the event of attainment of age 59-1/2, a Participant may withdraw his or her entire vested balance during employment. At December 31, 2024 and 2023, all withdrawals requested by Participants had been paid.

In the event of a hardship, once each Plan Year, a Participant may withdraw during employment such portion of his or her account needed to meet such hardship. In addition, once each Plan Year, a Participant may request a loan from the Plan of up to 50% of the vested value of their account not to exceed \$50,000. In no event may a Participant have more than one loan outstanding for the purchase of a principal residence or more than two outstanding loans at any time. All loans must be repaid in equal installments of principal and interest through automatic payroll deductions over a period not to exceed five years, except for certain loans made to purchase a Participant’s principal residence, which may be repaid over a period of up to ten years pursuant to the Code. Upon termination, outstanding loan balances that are not repaid by the Participant are treated as a taxable distribution to the Participant.

PLAN EXPENSES

Expenses are incurred at either the fund level or the Plan level. All expenses incurred by the funds (commissions, management fees, etc.) are paid from investor assets and are, therefore, netted in realized and unrealized gains or losses in fair value of investments in the Statement of Changes in Net assets Available for Benefits. Plan level expenses are paid for by the Company or the Participants.

COMPANY STOCK

The Plan was amended, effective November 1, 2020, to freeze a Participant's ability to make a new investment in Company Stock. Dividends paid on prior investments in Company Stock are reinvested in the Participant's current investment elections.

Each Participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Company prior to the time that such rights may be exercised. The Trustee is not permitted to vote any allocated shares for which instructions have not been given by a Participant. The Trustee votes any unallocated shares in the same proportion as those shares that were allocated, unless the Committee directs the Trustee otherwise. Participants have the same voting rights in the event of a tender or exchange offer.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The financial statements of the Plan are prepared in conformity with U.S. generally accepted accounting principles ("US GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with US GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

PAYMENT OF BENEFITS

Benefits are recorded when distributed.

VALUATION OF INVESTMENTS

Mutual funds are valued at quoted market prices which are based on the Net Asset Value (the "NAV") of shares held. Collective investment trust funds held by the Plan are valued at their NAV which is based on the fair value of the underlying net assets. The Fidelity Managed Income Portfolio II fund, a pooled stable value fund (the "Stable Value Fund"), is valued at the NAV of shares held by the Plan at the reporting date. The Stable Value Fund is invested in fixed-income assets, futures contracts and swap agreements and cash equivalents, as well as diversified wrap contracts issued by third parties to manage the investment's credit risk.

Investments in Company Stock are recorded at fair value with the closing price as quoted on the NASDAQ Stock Market LLC on the valuation date. Investments in the Fidelity Cash Reserves money market fund are reported at the NAV of shares held which is based on quoted market prices.

Purchases and sales of investments are recorded at fair value on a trade-date basis. Dividend income is reported on the ex-dividend date while interest income is recorded as earned on an accrual basis. The net increase in investments included the Plan's gains and losses on investments bought, sold and held during the 2024 Plan Year.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from Participants represent the Participant loans which are recorded at their unpaid principal balance. Interest income on notes receivable from Participants is recorded when it is earned. Related fees in connection with obtaining a loan are paid by Participants. No allowance for credit losses has been recorded as of December 31, 2024 or December 31, 2023. If a Participant ceases to make loan repayments and the Committee deems the Participant loan to be a distribution, the Participant loan balance is reduced to zero and a benefit payment is recorded.

3. INVESTMENTS

Investments held by the Plan are valued at the NAV of shares held or at the closing price as quoted on the NASDAQ Stock Market LLC on the valuation date or based on quoted market prices (see Note 2, Summary of Significant Accounting Policies).

A Collective investment trust fund is an investment vehicle similar to a mutual fund but is available only to qualified retirement plans and uses a targeted maturity approach as a strategy to meet Participants' objectives. The eleven Collective investment trust funds held by the Plan are invested in index funds, using a balanced asset allocation strategy designed for Participants planning to retire within a few years of the respective fund's target year. The Plan's investments in the Collective investment trust funds are not subject to any withdrawal or redemption restrictions.

The Stable Value Fund is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The Stable Value Fund's ability to receive amounts due from certain of its investments in wrap agreements is dependent upon the issuers' ability to meet their financial obligations. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at the NAV. Certain events may limit the ability of the Plan to transact at the NAV with the issuer. The Stable Value Fund includes restrictions on liquidating the fund under certain circumstances, in which event it could take up to twelve months to liquidate the Plan's holdings in that fund. The Committee, based upon information provided by the Trustee, does not believe that the Plan's Participants would be subject to any event that would limit the Plan's ability to transact at the NAV.

4. INFORMATION CERTIFIED BY THE TRUSTEE

All investment information disclosed in the accompanying financial statements (and supplemental schedule), including investments held and notes receivable from participants at December 31, 2024 and 2023, and net unrealized appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by the Trustee of the Plan.

5. FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. US GAAP establishes a fair value hierarchy that requires a Plan sponsor to maximize the use of observable inputs when measuring fair value. The fair value hierarchy prioritizes the inputs, which refer to assumptions that market participants would use in pricing an asset or liability, based upon the highest and best use, into three levels as follows:

- *Level 1* - Unadjusted quoted prices in active markets for identical assets or liabilities at the measurement date.
- *Level 2* - Observable inputs other than unadjusted quoted prices in active markets for identical assets or liabilities, such as:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- *Level 3* - Unobservable inputs in which there is little or no market data available, which are significant to the fair value measurement and require the Company to develop its own assumptions.

There have been no changes in the valuation methodologies used as of December 31, 2024 and 2023 (see Note 2, Summary of Significant Accounting Policies).

⁽¹⁾The Collective investment trust funds and Stable Value Fund have been determined to have a readily determinable fair value, as defined in the Financial Accounting Standards Board authoritative guidance, and are considered Level 1 investments.

6. TAX STATUS

The Plan received a favorable determination letter from the IRS dated October 29, 2014, covering amendments executed through January 3, 2014 and stating that the Plan is qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Subsequent to this determination, the Plan was further amended, and as amended, is required to operate in conformity with the Code in order to maintain its qualification. The Committee believes that the Plan is being operated, in all material respects, in accordance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

The Committee evaluates any potential uncertain tax positions taken by the Plan, and the financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Based on information provided to it, the Committee has concluded that there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. There are no IRS audits currently in progress for any Plan years.

7. PLAN TERMINATION

While the Plan is intended to be permanent, it may be terminated at any time by a resolution of the Board of Directors of the Company, subject to the provisions of ERISA. Upon termination of the Plan, all necessary provisions of the Plan shall remain in effect, no further contributions may be made to the Plan and the account of each Participant shall become fully vested and non-forfeitable and shall be distributed to the Participants.

8. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. As a result, changes in the value of investment securities could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

9. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023 (in thousands):

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for the Year ended December 31, 2024 (in thousands):

	December 31,
	2024
Changes in net assets available for benefits per the financial statements	\$ 57,986
Change in accrued expenses	(3)
Changes in net assets available for benefits per Form 5500	\$ 57,983

10. RELATED PARTIES AND PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee and are considered parties-in-interest as well as related parties. All investment transactions with such parties-in-interest qualify as party-in-interest transactions and are exempt from the prohibited transactions rules. Fees incurred by the Plan for the investment management services, including administrative services, were approximately \$420,000 for the Plan Year ended December 31, 2024. Plan level expenses for recordkeeping and investment advisory services for the Plan Year ended December 31, 2024 were approximately \$180,000, of which \$103,000 were paid from Forfeitures.

At December 31, 2024 and 2023, the Plan had approximately \$2,725,000 or 0.4%, and approximately \$5,298,000 or 0.9%, respectively, of its total net assets invested in Company Stock.

11. SUBSEQUENT EVENTS

Management evaluated subsequent events for the Plan through August 14, 2025, the date the financial statements were available to be issued.
