INDEPENDENT AUDITORS' REPORT

August 13, 2025

To the Plan Administrator and Participants
Senior Living Group 401(k) Plan

Opinion

We have audited the accompanying financial statements of Senior Living Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of October 18, 2024 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2023 (ongoing), and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of Senior Living Group 401(k) Plan as of October 18, 2024 (in liquidation) and 2023 (ongoing), and the changes in its net assets available for benefits for the year ended October 18, 2024 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Senior Living Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter—Plan Termination and Liquidation Basis of Accounting

As discussed in Note 7 to the financial statements, the governing body of Senior Living Group 401(k) Plan approved a plan of liquidation on May 1, 2024, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the

financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Senior Living Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SENIOR LIVING GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 18, 2024 AND DECEMBER 31, 2023

Note 1. Description of Plan

The following description of the Senior Living Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all employees of Shrewsbury Nursing and Rehabilitation Center, Inc. and Southgate at Shrewsbury, Inc. (together referred to as the Company) who are age twenty-one or older. The Plan's entry date is the effective date of participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Effective May 2024 the Plan Sponsor sold their assets, at which time participant contributions ceased. Previously, participants could contribute up to the lesser of 100% of pretax or after-tax annual compensation or \$23,000 as defined in the Plan. Participants age fifty and older may make a "catch up" contribution of an additional \$7,500. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct their contributions and Company contributions, if any, within the investment options offered by the Plan through John Hancock Life Insurance Company (U.S.A.). Each year, the Company, at the discretion of its Board of Directors, would make an annual matching contribution. Contributions are subject to certain limitations. Company matching contributions totaled \$15,698 in 2024 and \$37,513 in 2023.

Each participant's account is credited with the participant's contribution, the Company's matching contribution (if any), and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company discretionary matching contributions is based on years of continuous service. A participant is 100% vested after six years of credited service. Forfeitures of non-vested balances will be used to reduce future administrative fees and/or employer contributions.

Forfeited non-vested accounts totaled \$2,203 at December 31, 2023 (\$0 at October 18, 2024).

Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the vested portion of their individual accounts, whichever is less. Loans must be repaid within five years unless the proceeds are used to buy a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1% (9% at October 18, 2024) which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

SENIOR LIVING GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 18, 2024 AND DECEMBER 31, 2023

Note 1. Description of Plan (cont.)

On termination of service for any reason, a participant with a balance of \$5,000 or less receives a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Participants with a balance in excess of \$5,000 may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account or under certain other circumstances in accordance with the Plan document.

Note 2. Summary of Significant Accounting Policies

The financial statements of the Plan are prepared on the liquidation basis of accounting.

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Benefits are recorded when paid.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of October 18, 2024 and December 31, 2023. Delinquent participant loans are recorded as distributions on the basis of terms of the Plan agreement.

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 2. Summary of Significant Accounting Policies (cont.)

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits presents the fair value of the investment contracts as it approximates contract value.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of fair value hierarchy under Topic 802 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	<p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"> • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 18, 2024 and December 31, 2023.

Common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**SENIOR LIVING GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 18, 2024 AND DECEMBER 31, 2023**

Note 4. Fair Value Measurements (cont.)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of October 18, 2024 and December 31, 2023:

Assets at Fair Value as of October 18, 2024:

	Level 1	Level 2	Level 3	Total
Investments				
Investments Measured at Net Asset Value (a)	-	-	-	-
Total Assets at Fair Value	-	-	-	-

Assets at Fair Value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Investments				
Investments Measured at Net Asset Value (a)	-	-	-	2,438,650
Total Assets at Fair Value	-	-	-	2,438,650

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefit.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the event or change in circumstances that caused the transfer. For the ten months ended as of October 18, 2024, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of October 18, 2024 and December 31, 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Note 5. Investment Contract with Insurance Company

In 2006, the Plan entered into a benefit-responsive investment contract with John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by John Hancock Life Insurance Company (U.S.A.). Contract value represents contributions made under the contract plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, unless due to Plan or contract termination, in which case they are made at the lesser of contract or market value.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code, (2) premature termination of the contracts, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, (4) Changes to the Plan's prohibition on competing investment options or (5) Plan termination or merger. The Plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable of occurring.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTES TO FINANCIAL STATEMENTS
OCTOBER 18, 2024 AND DECEMBER 31, 2023

Note 5. Investment Contract with Insurance Company (cont.)

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: (1) An uncured violation of the Plan's investment guidelines, (2) A breach of material obligation under the contract, (3) A material misrepresentation or (4) A material amendment to the agreements without the consent of the issuer.

Note 6. Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) is also the investment custodian, as defined by the Plan, and therefore, these transactions qualify as party in interest transactions. The Plan engages Commonwealth Financial Network as an advisor for the plan, they are available to assist participants throughout the plan year and provide educational materials the plan participants, these transactions qualify as party in interest transactions. The Plan's third party administrator receives fees for certain distribution transactions, these transactions qualify as party in interest transactions. Fees paid by the Plan to John Hancock Life Insurance Company (U.S.A), Commonwealth Financial Network and the Plan's third party administrator totaled \$19,056, \$6,774 and \$7,600 respectively, for the year ended October 18, 2024.

Note 7. Plan Liquidation

The Plan was fully operational with employer contributions through April 2024. The Plan Sponsor sold in May of 2024 and the Plan adopted a plan to discontinue its contributions immediately and terminate the Plan subject to the provisions of ERISA effective October 18, 2024. Upon the date of the determination of Plan termination, subject to the provisions of ERISA, participants became 100% vested in their employer contributions.

Note 8. Administrative Costs

Shrewsbury Nursing and Rehabilitation Center, Inc., and Southgate at Shrewsbury, Inc., the plan sponsors, absorb significant administrative costs of the Plan.

SENIOR LIVING GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 18, 2024 AND DECEMBER 31, 2023

Note 9. Tax Status

The Company has a Prototype Plan and Trust Agreement. The Internal Revenue Service has determined, by a letter, that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Management does not believe the Plan's financial statements include any uncertain tax positions. Generally, the Plan's tax returns remain subject to examination for a period of three years.

Note 10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of assets available for benefits.

Note 11. Subsequent Events

Management has evaluated all material subsequent events from the end of the fiscal year through August 13, 2025, the date the financial statements were available to be issued.
