AWB HealthChoice Health Plan

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of AWB HealthChoice Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits – modified cash basis as of October 31, 2024 and 2023, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits – modified cash basis of AWB HealthChoice Health Plan as of October 31, 2024 and 2023, and the changes in its net assets available for benefits – modified cash basis for the year then ended, in accordance with the modified cash basis of account described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AWB HealthChoice Health Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AWB HealthChoice Health Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AWB HealthChoice Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of October 31, 2024, and the schedule of reportable transactions for the year ended October 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2024 AND 2023**

NOTE 1 DESCRIPTION OF PLAN

The following description of AWB HealthChoice Health Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The AWB Plan is a fully insured health and welfare plan providing medical, life, dental, vision, and other benefits to enrolled eligible employees and dependents of employers that are members of the Association of Washington Business (AWB). The Plan is a group insurance arrangement that operates as a “Multiple Employer Welfare Arrangement” as defined by the Employee Retirement Income Security Act of 1974 (“ERISA”) and related laws and regulations. The Plan and Trust are sponsored by AWB, in coordination with the participating employers and through contracts with third parties. Each employer that participates in the Plan is the Plan administrator with respect to the coverage for its own employees for purposes of ERISA. AWB acts as the Sponsor of the Plan for ERISA reporting purposes.

Effective August 2003, the Plan established a trust (the “Trust”), and U.S. Bank was appointed as a trustee for funds held by the Plan. The Trust was created and established by the sponsor to receive and to hold contributions of participating employers and serve as the conduit for payment of insurance premiums to the insurance companies that provide Plan benefits. AWB and its designated affiliates have authority to direct the trustee regarding payments from the Trust. The Trust assets are used for the exclusive benefit of Plan participants and beneficiaries and to pay Plan expenses.

Effective with the enactment of the Affordable Care Act on January 1, 2014, the Plan became grandfathered whereby only currently participating employers could continue in the Plan after December 1, 2014. New employers cannot participate in the Plan. A plan is considered grandfathered if it was in effect on March 23, 2010, and the coverage in effect as of March 23, 2010 does not undergo significant changes.

Eligibility

To be eligible for participation in the Plan, an employer must meet the following criteria:

- Must be a firm, corporation, partnership, or proprietorship directly engaged in business employing at least two eligible employees that work at least 20 or more hours per week. For dental coverage, a minimum number of three eligible employees is required.
- Must be a member in good standing of AWB.
- A minimum of 50% of enrolled employees must live and work in Washington State.

Contributions

To become and remain a participating employer in the Plan, the employer must contribute at least 75% of the coverage charge per eligible employee. This is the minimum employer contribution, but the employer may contribute up to 100% of the coverage charge. There is no minimum employer contribution requirement for dependent coverage. Dependent contribution percentage may not be higher than the contribution toward employee coverage.

**AWB HEALTHCHOICE HEALTH PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2024 AND 2023**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

When the Employer Contributes 100%

If the employer contributes 100% of the cost of employee coverage, then each employee must enroll in the Plan when he or she becomes eligible. When the employer pays 100% of the cost of coverage, an employee does not have the option to refuse or waive coverage even if he or she has coverage elsewhere.

If the employer contributes 100% of the cost of coverage for dependent coverage, then each dependent must enroll in the Plan when he or she becomes eligible. Coverage is automatic as a result of meeting the definition of an eligible dependent as defined in the insurance contract. When the employer pays 100% of the dependent's cost of coverage, the dependent does not have the option to refuse or waive coverage.

If the employer contributes 100% of the cost of employee coverage but not 100% of the dependent cost, 100% of eligible employees must enroll and 70% of the eligible dependents must enroll.

For purposes of determining the aggregate number of eligible dependents, which includes the spouse and children, the employer does not need to count dependents that have medical coverage through another source.

When the Employer Contributes Less Than 100%

The participating employer is required to contribute at least 75% of the cost of coverage per eligible employee. If the employer contributes 75% of the cost of employee coverage, then 75% of eligible employees must enroll and 70% of eligible dependents must enroll. For this purpose, an eligible employee includes each employee who has satisfied the service requirements established by the employer for eligibility. However, employees who are able to provide evidence of another group coverage may be excluded from the enrollment requirement. For purposes of determining the aggregate number of eligible dependents, the group does not need to count dependents that have medical coverage through another source.

Subscription Charges and Premiums Collected

Participating employers pay subscription charges, comprised of premiums, administration fees and commissions. These funds are collected by Vimly Benefit Solutions, Inc. (Vimly), a third-party administrator, into an account which is owned by Vimly and therefore excluded from the Plan and the trust. Vimly pays administrative fees directly to Forterra, Inc. (Forterra), a wholly owned subsidiary of AWB, and commissions directly to ProPoint, LLC (ProPoint), a wholly owned subsidiary of Forterra, prior to transferring the remaining funds to the Plan.

**AWB HEALTHCHOICE HEALTH PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2024 AND 2023**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Subscription Charges and Premiums Collected (Continued)

Administrative fees and commissions paid by participants to Vimly and disbursed from the Vimly-owned bank account are accounted for as indirect costs and are therefore not recorded in the statement of changes in net assets available for benefits – modified cash basis. Therefore, the premiums collected as reported in these financial statements exclude the amounts remitted by employers which represent administrative fees paid to Forterra and commissions paid to ProPoint. See Note 3 for additional information, including amounts paid to Forterra and ProPoint. The premiums are based on the type of coverage the participating employers have requested. It is the individual participating employer's discretion to determine whether employees must contribute to the Plan.

Administration

The Plan is administered by a governing body that is assisted by a contract administration organization and various professional service providers. Administrative expenses are borne by the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP). Under that basis, certain additions are recognized when received and certain deductions are recognized when paid. Investments are stated at fair value. The modified cash basis of accounting differs from U.S. GAAP primarily because the effects of outstanding contributions and outstanding expenses are not included in the financial statements.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by the Company are recorded as premium payments in the accompanying the statement of changes in net assets available for benefits when paid. Any premiums due and unpaid as of year-end are recorded as a benefit obligation.

**AWB HEALTHCHOICE HEALTH PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2024 AND 2023**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, custodians, Plan administrator and subscription charges. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through July 23, 2025, the date the financial statements were available to be issued.

NOTE 3 ADMINISTRATION

Services Agreement

Effective October 1, 2010, AWB entered into an amended and restated agreement with Forterra which exclusively designates Forterra to administer the Plan and certain other specified plans and programs sponsored by AWB. The agreement authorizes Forterra to designate and to subcontract the performances of any administrative functions to third party administrators. The agreement has a term of five years with automatic renewal for additional five-year terms unless otherwise terminated in accordance with the provisions of the agreement.

As discussed in Note 1 above, funds are initially received into a custody account managed by Vimly. Forterra receives 2.5% of the remittances as compensation for services it performs. The amounts paid to Forterra have been excluded from these financial statements. Total fees paid to Forterra for the year ended October 31, 2024 were \$196,653. Plan assets at October 31, 2024 exclude October 2024 premiums collected by and held in the Vimly custodial account totaling \$215,774, which were transferred to the Plan in November 2024. Plan assets at October 31, 2023, exclude October 2023 premiums collected by and held in the Vimly custodial account totaling \$488,678, which were transferred to the Plan in November 2023.

Commissions

Forterra has engaged ProPoint to perform certain services for the Plan. The subscription charges paid by participants and participating employers include a percentage which is paid to ProPoint for services rendered. ProPoint has entered into agreements with third party independent insurance brokers and pays them commissions based on a percentage of total subscription charges received by the Plan. Vimly paid ProPoint \$555,531 for the year ended October 31, 2024 for services rendered which are accounted for as indirect expenses and therefore not recognized as expenses in these financial statements.

**AWB HEALTHCHOICE HEALTH PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2024 AND 2023**

NOTE 3 ADMINISTRATION (CONTINUED)

Third-Party Administrator

The Plan receives services under an agreement with Vimly to act as a third-party administrator. The arrangement renews annually, subject to the right of either party to terminate the agreement at its discretion upon at least 90 days prior written notice. Vimly performs the billing and collection, eligibility determination, benefit processing, recordkeeping, and reporting for the Plan. Fees totaling \$96,511 for the year ended October 31, 2024 are included in administrative fees in the statement of changes in net assets available for benefits.

Other Costs Paid by the Plan Sponsor

AWB pays marketing costs and other expenses associated with the Plan. Amounts paid by AWB have been excluded from these financial statements.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**AWB HEALTHCHOICE HEALTH PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2024 AND 2023**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at October 31, 2024 and 2023.

Money Market Mutual Fund: Valued at the quoted net asset value of shares held by the Plan at year-end.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of October 31:

	2024			
	Level 1	Level 2	Level 3	Total
Money Market Mutual Fund	\$ 3,737,724	\$ -	\$ -	\$ 3,737,724
	2023			
	Level 1	Level 2	Level 3	Total
Money Market Mutual Fund	\$ 3,676,553	\$ -	\$ -	\$ 3,676,553

NOTE 5 BENEFIT OBLIGATIONS

The following tables comprise the statements of benefit obligations as of October 31, 2024 and 2023 and statement of changes in benefits obligations for the year ended October 31, 2024.

	2024	2023

Insurance Premiums Payable - End of Year	\$ -	

**AWB HEALTHCHOICE HEALTH PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2024 AND 2023**

NOTE 6 FEDERAL TAX STATUS

The trust is not exempt from federal income taxes and is annually required to file a Form 1041. The trust does not have activity that would generate taxable income and therefore no taxes are recorded.

The modified cash basis of accounting requires Plan management to evaluate if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

In the event the obligations of the employers to make contributions to the Plan terminate, the Trustees shall determine the disposition of any assets in the Trust after all expenses of the Plan have been paid, provided that any such distribution will only be made for the benefit of former participants and for the purposes set forth in the Plan.

If the assets are insufficient to pay all accrued benefits and liabilities, distribution of the assets shall be made in accordance with plan termination provisions and the requirements of ERISA and applicable government regulations.

NOTE 8 FUNDING POLICY

The Plan is financed by employer contributions, participant contributions, and from participants electing COBRA coverage. The monthly contribution rate, including the rate for COBRA coverage, is determined by the coverage type selected by the employer in their Trust Master Application. The employer contribution rate is required to be at least 75% of the monthly contribution rate but can be up to 100% of the monthly contribution rate. Employee contributions include contributions which are being deducted from participant wages when the employer contribution rate is less than 100% of the monthly contribution rate and COBRA contributions. Employee contributions withheld from participant wages were included with employer contributions and are not segregated on the statements of changes in net assets available for benefits.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets were invested in funds managed by the custodian of the Plan. As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

NOTE 10 RISKS AND UNCERTAINTIES

In general, investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
