INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Harbec 401(k) Plan
Ontario, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Harbec 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 7, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period January 1, 2024 through October 7, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Harbec 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 7, 2024 and December 31, 2023 and for the period January 1, 2024 through October 7, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Harbec 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 7 to the financial statements, the Plan merged with the ADDMAN Holdings 401(k) Plan on October 7, 2024 and all net assets of the Plan were transferred to the ADDMAN Holdings 401(k) Plan on that date. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Harbec 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Harbec 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Harbec 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Respectfully Submitted,

A handwritten signature in black ink that reads "Banner & Company". The signature is written in a cursive style with a large, sweeping flourish at the end of the word "Company".

NOTES TO THE FINANCIAL STATEMENTS

October 7, 2024 and December 31, 2023

Note 1 Description of Plan

The following description of the Harbec 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Harbec, Inc. (the “Company”) for the benefit of all eligible employees of the Company and the Plan’s participating employers. Employees of the Company and participating employers meeting the eligibility requirements may participate in the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The trustees of the Plan are responsible for the oversight of the Plan and determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

In 2024, the trustees approved the merger of this Plan into the ADDMAN Holdings 401(k) Plan (refer to note 7 to the financial statements).

Eligibility

Employees of the Company and participating employers who are age 18 or older are eligible to participate in the Plan.

Contributions

Each year, participants may contribute a portion of their pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in designated funds until changed by the participant.

The Company may make discretionary matching contributions equal to 100 percent of the participant’s salary deferral up to 1% of compensation, plus 50% of a participant’s salary deferral for the next 5% of compensation. Matching contributions were \$147,640 for the period January 1, 2024 through October 7, 2024 and \$210,138 in 2023. The Company may also contribute profit sharing contributions at the discretion of the Company’s Board of Directors. Profit sharing contributions, if any, are allocated to each qualified participant based on the participant’s eligible compensation to total eligible compensation for all participants, as defined by the Plan. The Company did not make discretionary profit sharing contributions in 2024 or 2023.

NOTES TO THE FINANCIAL STATEMENTS

October 7, 2024 and December 31, 2023

Note 1 Description of Plan - Continued

Contributions - Continued

Participants direct the investment of their contributions, employer matching contributions, and employer profit sharing contributions, if any, into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer matching contributions, an allocation of profit sharing contributions, if any, and an allocation of Plan earnings. Participant accounts are charged with an allocation of investment fees and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of the participant's account plus earnings thereon is based on years of credited service. A participant is 100 percent vested after two years of credited service. A participant also becomes fully vested upon early or normal retirement dates, as defined in the Plan.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement or termination, a participant will receive an amount equal to the value of the participant's vested interest in his or her account balance. For terminated participants with balances of \$5,000 or less, the Plan Administrator can automatically make a lump-sum distribution of the participant's vested interest in his or her account. For terminated participants with balances in excess of \$5,000, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or equal installments over various periods based on life expectancy.

Forfeitures

Forfeitures of employer matching and profit sharing contributions are used to offset Plan expenses or reduce future employer contributions. Unused forfeitures amounted to \$-0- and \$3,968 as of October 7, 2024 and December 31, 2023, respectively. The Company utilized forfeitures in the amount of \$13,960 to offset employer contributions for the period ended October 7, 2024.

NOTES TO THE FINANCIAL STATEMENTS

October 7, 2024 and December 31, 2023

Note 2 Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s trustees determine the Plan’s valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

All Plan assets were transferred to the ADDMAN Holding 401(k) Plan in connection with the plan merger on October 7, 2024.

Contributions

Contributions from Plan participants and the matching contribution from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Excess Contribution Refund Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The excess contribution payable at December 31, 2023 was refunded to participants prior to March 15, 2024.

NOTES TO THE FINANCIAL STATEMENTS

October 7, 2024 and December 31, 2023

Note 2 Significant Accounting Policies - Continued

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and the processing of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of the fair value of investments.

Date of Management's Review

The Plan Administrator has evaluated subsequent events for potential recognition and disclosure through August 15, 2025, the date the financial statements were available to be issued.

Note 3 Certified Investment Information

The October 7, 2024 and December 31, 2023 investments and notes receivable from participants reflected on the statements of net assets available for benefit and the investment activity and interest income on notes receivable from participants included on the statement of changes in net assets available for benefits for the period January 1, 2024 through October 7, 2024 were prepared in part or entirely from information certified as complete and accurate by Sentry Life Insurance Company of New York, the custodian of the Plan and a qualified institution, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO THE FINANCIAL STATEMENTS

October 7, 2024 and December 31, 2023

Note 4 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date. |
| Level 2 | Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 7, 2024 or December 31, 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued at the daily market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 quoted pricing inputs.

NOTES TO THE FINANCIAL STATEMENTS

Note 4 Fair Value Measurements - Continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In connection with the Plan’s merger on October 7, 2024, all assets were transferred to the ADDMAN Holdings 401(k) Plan on the merger date.

The following table sets forth, by level within the fair value hierarchy, the Plan’s assets measured at fair value as of October 7, 2024 and December 31, 2023.

<i>Assets at Fair Value as of October 7, 2024</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Pooled Separate Accounts	\$ -	\$ -	\$ -	\$ -
<i>Assets at Fair Value as of December 31, 2023</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Pooled Separate Accounts	\$ 8,120,655	\$ -	\$ -	\$ 8,120,655

Note 5 Fully Benefit-Responsive Investment Contract

The Plan holds an investment in a guaranteed interest contract which management has determined meets the definition of a fully benefit-responsive investment contract and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount typically received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The investment contract held by the Plan is a guaranteed investment contract held in the insurance company’s (contract issuer) general account. The contract issuer is contractually obligated to repay principal and interest at a specified interest rate that is guaranteed to the Plan. The contract crediting rate is reset quarterly based on a formula established by the contract issuer. The average yield earned by the Plan for the fund during 2024 was 3 percent.

The Plan’s ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to meet contractual obligations may be affected by future economic and regulatory developments.

NOTES TO THE FINANCIAL STATEMENTS

October 7, 2024 and December 31, 2023

Note 5 Fully Benefit-Responsive Investment Contract - Continued

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

Management does not believe that any events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and Plan participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

Note 6 Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments were managed by Sentry Life Insurance Company of New York for the period ending October 7, 2024. Transactions involving these entities qualify as party-in-interest transactions. Fees incurred for investment management services may be included in net appreciation. Participants' notes receivables and related transactions also qualify as party-in-interest transactions.

Note 7 Plan Merger and Transfer of Assets

On October 7, 2024 the Plan sponsor completed the merger of the Harbec 401(k) Plan into the ADDMAN Holdings 401(k) Plan. On the date of the merger, all participant account balances and net assets of the Plan were transferred and the ADDMAN Holdings 401(k) Plan assumed full responsibility for the participant accounts and benefit obligations of the Harbec 401(k) Plan.

NOTES TO THE FINANCIAL STATEMENTS

October 7, 2024 and December 31, 2023

Note 8 Tax Status

The Company adopted a prototype plan document. The prototype plan has received an opinion from the Internal Revenue Service dated June 30, 2020, as to the prototype plan’s qualified status. The prototype plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 07, 2024, there are no uncertain tax positions taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 Risks and Uncertainties

Investment Risk

The Plan provides for investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term.
