## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee  
Integrated Statistics Incorporated 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Integrated Statistics Incorporated 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 (in liquidation) and 2023 (going concern), and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Integrated Statistics Incorporated 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Integrated Statistics Incorporated 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter -Plan Termination and Liquidation Basis of Accounting***

As discussed in Note B to the financial statements, the governing body of Integrated Statistics Incorporated 401(k) Plan approved a plan of liquidation on August 27, 2024 and management determined liquidation is imminent. As a result, Integrated Statistics Incorporated 401(k) Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Integrated Statistics Incorporated 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

### ***Auditor's Responsibilities for the Audit of the Financial Statements (continued)***

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter-Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Part IV, Line 4i Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# INTEGRATED STATISTICS INCORPORATED 401 (K) PLAN

## Notes to Financial Statements

For the Years Ended December 31, 2024 (in liquidation) and 2023 (going concern)

### NOTE A - DESCRIPTION OF PLAN:

The following description of the Integrated Statistics Incorporated ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

Prior to termination, the Plan was defined contribution plan covering all full-time employees once they have completed ninety (90) days of employment and were age 21 or older. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor ("Company") was responsible for oversight of the Plan.

#### Plan Termination

The Board of Directors of the Company, voted to freeze and terminate the Plan effective August 27, 2024, and to distribute the Plan assets as soon as administratively feasible. No further contributions were permitted or made under the Plan with respect to Plan Compensation earned on or after the above Effective Date. Upon termination, all participant accounts became 100% vested. Participants may choose amongst several options regarding the type of distribution. Participants may elect a lump sum payment or individual retirement account rollover. All Plan assets were distributed by November 29, 2024.

#### Contributions

Prior to termination, participants could contribute up to the maximum allowable of pretax annual compensation, as defined in the Plan. Participants who has attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan offered various mutual funds as investment options for participants. The Company's matching contribution was equal to 100 percent, up to 4% of each participant's compensation. Matching contributions were made for all persons who were active participants at any time during the year. In addition, the Company could make a discretionary contribution each plan year.

#### Participant Accounts

Prior to termination, each participant's account was credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Prior to termination, participants were immediately vested in their contributions and Company's matching contributions plus actual earnings thereon. The vesting schedule for the Company's discretionary contributions was

#### **NOTE A - DESCRIPTION OF PLAN (continued):**

##### Notes Receivable from Participants

Prior to termination, participants could borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans were secured by the balance in the participant's account and bear interest, which was commensurate with local prevailing rates as determined quarterly by the Plan Administrator. All notes had a definite repayment period which provides for payments to be made not less frequently than quarterly, and for the loan to be amortized on a level basis over a reasonable period of time, not to exceed five (5) years. Notes used to acquire a principal residence could be repaid over a reasonable period of time that may be longer than five (5) years. Principal and interest may be paid ratably through weekly payroll deductions.

##### Payment of Benefits

Prior to termination, upon termination of service due to death, disability or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant could receive the value of the vested interest in his or her account as a lump-sum distribution.

##### Forfeited Accounts

Prior to termination, forfeited amounts from participants who were not vested could be used to reduce future employer contributions. For the years ended December 31, 2024 and 2023 there were no forfeited nonvested

#### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

##### Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in conformity with U.S. GAAP. Certain prior period disclosures have been revised to conform to current year's presentation. The 2023 financial statements have been prepared on going concern basis. Effective August 27, 2024, the Company's Board of Directors adopted a resolution to terminate the Plan. As a result, the Plan adopted the liquidation basis of accounting as of January 1, 2024. The 2024 financial statements have been prepared on the liquidation basis, in accordance with U.S. GAAP. This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimate net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of December 31, 2024, would be fair value. There were no material changes to the 2024 financial statements as a result of the change under the liquidation basis of accounting. No liabilities were recognized in connection with the termination.

##### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the investment advisers and custodians. See Note F for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued:)**

##### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

##### Notes Receivable from Participant

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If participant ceases to make loan payments and the Plan administrator deems the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as benefit payment based on the terms of the Plan document. There were no outstanding notes receivable balances as of December 31, 2024 and 2023.

##### Expenses

Certain expenses of the plan are paid directly by the Company and are excluded from this financial statements. Investment related expenses are included in net appreciation in fair value of investments. Fees related to administration of distributions, loans and domestic related orders are charged directly to the participant's account.

##### Payment of Benefits

Benefits are recorded when paid.

#### **NOTE C - TAX STATUS:**

The Plan is Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by Fidelity Management & Research Company. That Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE D - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:**

Fidelity Management Trust Company is the trustee/custodian and provides certain record-keeping and asset valuation services to the Plan. Global Retirement Partners LLC. provides investment management services to the Plan. Therefore, transactions between the Plan and Fidelity Investments Institutional, and Global Retirement Partners LLC. qualify as party-in-interest transactions. Fees paid by the Plan for record-keeping, asset valuation, and investment management services amounted to \$32,530 and \$25,865 for the years ended December 31, 2024 and 2023, respectively. These party-in-interest transactions are exempt from prohibited transaction rules of ERISA.

#### NOTE E - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

#### NOTE F - FAIR VALUE MEASUREMENTS:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2024 and 2023.

##### *Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

		2024			
		Fair Value Measurements at Report Date Using			
Assets	Total	Quoted Prices in Active Markets for Identical Assets (Level1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Investments:
