Period from January 1, 2024 to October 31, 2024

WIPFLI

Independent Auditor's Report

To the Plan Administrator
Community Integrated Services 401(k) Plan
Federal Way, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Integrated Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 31, 2024 (In Liquidation) and December 31, 2023 (Ongoing), and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to October 31, 2024 (In Liquidation) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Community Integrated Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 31, 2024 and December 31, 2023 and for the period from January 1, 2024 to October 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Integrated Services 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Liquidation

As discussed in Note 6 to the financial statements, the members of Community Integrated Services, Inc., the Community Integrated Services 401(k) Plan's sponsor, approved a Plan liquidation on April 29, 2024, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Integrated Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Integrated Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Integrated Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Community Integrated Services 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Community Integrated Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan provides the Plan Administrator the right to terminate the Plan subject to the provision set forth in ERISA. As described in Note 6, the Plan Administrator approved termination of the Plan effective April 29, 2024. Effective with the Plan's termination, all participants became fully vested in all their account balance.

General

The Plan is a defined contribution plan, covering all eligible employees of Community Integrated Services, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees of the Company who have completed one year of service with a minimum of 1,000 hours worked during the 12-month period and are age 21 and older, except employees represented by a collective bargaining agreement, non-resident aliens or leased employees, are eligible to participate in the Plan. Furthermore effective January 1, 2024 a long-term part-time employee who has not previously entered the Plan, but has attained at least 500 hours of service in at least three consecutive years beginning after December 31, 2020, are eligible to participate in the Plan. Eligible employees may enter the Plan on the next January 1st or July 1st coinciding with the date in which they satisfy the eligibility requirements. Upon the plan termination date, April 29, 2024, no new employees are eligible to participate in the Plan and existing participants are not permitted to make contributions to the Plan.

Contributions

Each year, participants may contribute up to 100% of eligible compensation on either a pre-tax or after tax (Roth) basis, as defined by the Plan, subject to maximum deferral limitations established by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes safe harbor matching contributions to eligible participants each pay period equal to 100% of the first 4% of eligible base compensation that a participant contributes to the Plan. During the period ended October 31, 2024, the Company made safe harbor matching contributions of \$124,431 to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, Company safe harbor matching contributions, and allocation of plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Community Integrated Services 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting

Participants are fully and immediately vested in all contributions, plus the actual earnings thereon.

Payment of Benefits

On termination of service due to death, disability, retirement, or for other reasons, a participant will receive a lump-sum equal to the value of the participant's vested balance in his or her account, if so elected. If the value of the vested benefit is \$7,000 or less, a lump-sum distribution will be made to the participant. In addition, the Plan allows for hardship distributions if certain criteria are met, subject to the terms of the Plan document. The Plan also allows for in-service distributions upon attaining age 59 1/2.

SECURE 2.0 Act

The SECURE 2.0 Act of 2022 ("SECURE 2.0"), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and determined there is no material impact on the Plan. Management will determine the optional provisions to elect in the future.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the liquidation basis of accounting in accordance with Financial Accounting Standards Update 2013-07, *Presentation of Financial Statements, Liquidation Basis of Accounting*. Under liquidation basis of accounting, the net assets and changes in net assets of the Plan are measured and presented at the amount of expected proceeds from liquidation. The statement of assets available for benefits as of December 31, 2023 (Ongoing) is prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Community Integrated Services 401(k) Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are allocated proportionately to the plan participants based on their respective account balances and are included in investment income.

Subsequent Events

The Plan has evaluated subsequent events through August 15, 2025, which is the date the financial statements were available to be issued.

Note 3: Information Prepared and Certified by the Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements, including investments held at October 31, 2024 (In Liquidation) and December 31, 2023 (Ongoing), and net appreciation in fair value of investments and interest and dividends for the period from January 1, 2024 to October 31, 2024 (In Liquidation), was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Capital Bank and Trust Company, the Custodian of the Plan.

Note 4: Fair Value Measurements

The framework for measuring the fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Community Integrated Services 401(k) Plan

Notes to Financial Statements

Note 4: Fair Value Measurements (Continued)

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of October 31, 2024 (In Liquidation) and December 31, 2023 (Ongoing).

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Due to the Plan termination, the Plan did not hold any assets as of October 31, 2024 (In Liquidation), as described in Note 6.

The following table set forth by level, within the fair value hierarchy, the Plan’s investment assets at fair value as of December 31, 2023 (Ongoing). Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Investment Assets at Fair Value as of December 31, 2023 (Ongoing)			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,030,051	\$ -	\$ -	\$ 2,030,051
Total investment assets at fair value	\$ 2,030,051	\$ -	\$ -	\$ 2,030,051

Community Integrated Services 401(k) Plan

Notes to Financial Statements

Note 5: Related Party and Party-in-Interest Transactions

Certain plan investments are managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the Custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan pays certain expenses related to plan recordkeeping services. These transactions qualify as party-in-interest transactions. Fees incurred and paid by the Plan for recordkeeping services were \$16,069 for the period from January 1, 2024 to October 31, 2024.

Note 6: Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all contribution sources.

During the period ended October 31, 2024 (In Liquidation), the Company was sold to a third party buyer and, the members of the Company decided to terminate the Plan effective April 29, 2024. Upon the plan termination date, April 29, 2024, no new employees are eligible to participate in the Plan and existing participants are not permitted to make contributions to the Plan. All assets were distributed from the Plan prior to October 31, 2024 (In Liquidation).

Note 7: Tax Status

The Company adopted a non-standardized pre-approved profit sharing plan with the IRS notification letter dated June 30, 2020 which states the pre-approved profit sharing plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
