INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
AmeriHealth Caritas 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the AmeriHealth Caritas 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is

presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

AMERIHEALTH CARITAS 401(k) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(1) Description of the Plan

General

AmeriHealth Caritas 401(k) Plan (the Plan) includes substantially all the employees of AmeriHealth Caritas Services, LLC (the Company). The Plan is a defined-contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The summary description of the Plan included in the notes is provided for general information only. Participants should refer to the plan document for more complete information.

Contributions

The Plan was established under the provisions of Section 401(k) of the Internal Revenue Code (IRC). Eligible employees may make a tax deferred contribution up to 75% of their pretax compensation, subject to the maximum amount permitted by the IRC. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

All new hires are automatically enrolled in the Plan. The automatic deferral requirement for enrolling associates is 3% of compensation, increasing by 1% each subsequent year up to a maximum of 15%.

The Plan provides for the matching of employee contributions with an amount equal to 100% of such contributions up to 2% of the eligible employees' compensation plus 50% of such contributions on the next 4% of the eligible employees' compensation. For each eligible participant hired or re-hired after January 1, 2013, the Company provides an additional employer contribution equal to 3% of the participant's total compensation determined as of each pay period.

Participant Accounts

Upon enrollment in the Plan, a participant may direct employee and employer contributions in 1% increments to various investment options. Participants may change their investment options daily. Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution, and investment earnings and losses. Participants are also charged with withdrawals and applicable administrative fees. Contributions are invested as directed by the employee in separate investment funds and separate accounts are maintained for each participant. Interest, dividends, and other income earned by each of the investment funds are reinvested in the same funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and earnings. Participants are not vested in Company contributions until completion of 2 years of service with the Company, at which time they become 100% vested in Company contributions.

AMERIHEALTH CARITAS 401(k) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

Notes Receivable from Participants

Participants may borrow up to 50% of the vested portion of their account balances in the investment funds, subject to a minimum of \$1,000 and a maximum of \$50,000. Loan transactions are treated as a transfer to/from the investment funds from/to the loan fund. Loan terms range from one to five years except for the purchase of a primary residence, for which the repayment term is extended up to thirty years. The loans are secured by the balance in the participant's account and bear interest at a rate that is fixed on the date of the loan. The rate is based on the prime rate plus 1.00%. Principal and interest are paid ratably through payroll deductions. The interest rates of participant loans as of December 31, 2024 and 2023 ranged between 4.25% and 9.5%.

Withdrawals

A participant may withdraw any amount up to his or her total participant contributed balance and vested balance at any time, subject to certain hardship withdrawal rules set out in the plan document. The exact circumstances under which such withdrawals may be made are governed by the Plan's provisions and IRC regulations.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or the participant's beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the value of the participant's account is more than \$1,000 but less than or equal to \$5,000 upon termination of service and the participant does not affirmatively elect a lump-sum distribution, the balance of their account will be automatically rolled over by the Plan to an Individual Retirement Account. If the value of the participant's account is \$1,000 or less upon termination of service and the participant does not affirmatively elect a distribution, then the participant will receive a lump-sum distribution upon termination of employment, including retirement. This amount should be paid as soon as is administratively feasible, except that, if the benefit exceeds \$5,000, the participant may elect to defer distribution until they attain the age of 70½.

Forfeited Accounts

As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$457,506 and \$433,213, respectively. These amounts will be used to reduce future plan expenses as well as employer contributions. During 2024 and 2023, the Company utilized forfeitures of \$28,750 and \$417,328, respectively, to reduce Plan expenses. During 2024 and 2023, the Company utilized forfeitures of \$1,406,124 and \$1,450,151, respectively, to reduce employer contributions.

(2) Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The preparation of the accompanying financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions relating to the reported amount of assets and liabilities and changes therein and the disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates.

AMERIHEALTH CARITAS 401(k) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

Investments

The Plan's investments are carried at fair value as defined within the Financial Accounting Standards Board's Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. The Plan's investments in mutual funds and collective trusts are valued at the total net asset value (NAV) of its shares in the mutual funds and the collective trusts, respectively, held at year-end using quoted prices. The Plan has deemed NAV per share to be representative of the value at which the Plan transacts and thus a fair approximation of fair value pursuant to ASC 820. As NAV per share is obtained either via quoted market prices or via the trustee's online platform, the fair value of each of the Plan's investments, including its investment in collective trusts, could be considered to be readily determinable and thus are included in the fair value hierarchy disclosure prescribed by ASC 820-10-50.

The amount reported in the accompanying Statements of Changes in Net Assets Available for Benefits as Net appreciation in fair value of investments includes net realized and unrealized changes in fair value related to all investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized when earned. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants represent participant loans on vested account balances and are measured at the unpaid principal balance of the loans plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits to participants are recorded upon distribution.

Administrative Expenses

The Company utilizes forfeitures to reduce administrative expenses for servicing the Plan. Any administrative expenses that remain unpaid after the funds in the forfeiture account are applied are paid for by the Company. Investment advisory fees for portfolio management are paid directly from fund earnings. Certain processing fees, such as loan fees, are paid by the participant.

(3) Investments

The Plan has holdings in Vanguard's Retirement Savings Trusts, collective trusts managed by Vanguard Fiduciary Trust Company (Vanguard). The Retirement Savings Trusts are credited with earnings on the underlying investments (principally constant duration and traditional investment contracts issued by financial institutions and contracts backed by high-quality bonds and bond mutual funds, all of which meet the classification criteria of fully benefit-responsive investment contracts) and charged for plan withdrawals and administrative expenses incurred by the trustees. The Retirement Savings Trust III invests in investment contracts and intends to maintain a constant net asset value of \$1.00 per share, and investments in the Retirement Savings Trusts in general are limited to participant-directed defined contribution plans.

(4) Information Certified by Trustee

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Company instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the trustee as of and for the years ended December 31, 2024 and 2023, except for comparing such information to information included in the Plan's financial statements and supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2024. All investment and notes receivable from participant information disclosed in the Statements of Net Assets Available for Benefits, Statements of Changes in Net Assets Available for Benefits, supplemental schedules, and Note 5, including investments held as of December 31, 2024 and 2023 and Net appreciation in fair value of investments, Interest and dividend income, purchases and sales of investments for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Trust Company, LLC (Empower) as of December 31, 2024 and for the period from September 16, 2024 to December 31, 2024 and by Vanguard as of December 31, 2023 and for the period from January 1, 2024 to September 16, 2024. Effective September 16, 2024, Empower became the trustee of the Plan.

The level and classification of investments are not certified by the trustee.

(5) Fair Value Measurements

Certain assets and liabilities are measured at fair value on the Statements of Net Assets Available for Plan Benefits. The fair values are based on valuations that include inputs that can be classified within one of three levels of a hierarchy established by GAAP. The levels of the hierarchy and related inputs for each level are as follows:

Level 1 – Unadjusted quoted market prices for identical assets or liabilities in active markets.

Level 2 – Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets;
- Quoted prices for identical or similar assets in nonactive markets;
- Inputs other than quoted prices that are observable for the asset/liability; and
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 – Unobservable inputs that cannot be corroborated by observable market data.

When available, the Plan uses quoted values and other data as inputs to determine the fair values of its investments and classify these assets and liabilities in Level 1. For securities not actively traded, the Plan estimates fair values using valuation methodologies based on available and observable market information or matrix pricing. These financial assets and liabilities are classified as Level 2. If there are any instances in which the inputs used to measure fair value fall into different levels of the fair value hierarchy, the Plan determines fair values based on the lowest level input that is significant to the fair value measurement in its

AMERIHEALTH CARITAS 401(k) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

entirety. The Plan's assessment of the significance of a particular item to the fair value measurement in its entirety requires judgment, including the consideration of inputs specific to the asset.

Mutual funds are valued at quoted market prices, which represent the NAV per share of shares held by the Plan at year-end, and are thus categorized as Level 1 investments in the fair value hierarchy. The Plan's investment in the collective trusts are valued using NAV per share, as reported by the respective fund managers, at year-end and is thus categorized as a Level 2 investment in the fair value hierarchy.

The following is a summary of the fair value measurements of the Plan's investments by level within the fair value hierarchy as of December 31, 2024 and 2023:

December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 326,265,458	\$ —	\$ —	\$ 326,265,458
Collective trusts	—	590,041,217	—	590,041,217
Total Plan investments at fair value	<u>\$ 326,265,458</u>	<u>\$ 590,041,217</u>	<u>\$ —</u>	<u>\$ 916,306,675</u>
December 31, 2023	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 301,803,014	\$ —	\$ —	\$ 301,803,014
Collective trusts	—	513,057,363	—	513,057,363
Total Plan investments at fair value	<u>\$ 301,803,014</u>	<u>\$ 513,057,363</u>	<u>\$ —</u>	<u>\$ 814,860,377</u>

(6) Related-Party Transactions

Certain plan investments are managed by Vanguard, a trustee, as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions that are exempt from the prohibited transactions rules. Fees paid by the Plan for the investment management service amounted to \$302,646 and \$399,780 for the years ended December 31, 2024 and 2023, respectively.

In addition, loans made by the Plan to participants, as further discussed in Note 1, are characterized as exempt party-in-interest transactions.

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants would become 100% vested in their employer account balances.

AMERIHEALTH CARITAS 401(k) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(8) Tax Status of the Plan

The Plan used a pre-approved non-standardized profit sharing plan document sponsored by Vanguard (Vanguard plan document) for the 2023 plan year through September 16, 2024. The Vanguard plan document received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 that indicated that the Vanguard plan document is in accordance with the applicable sections of the IRC. Beginning on September 17, 2024 the Plan used pre-approved non-standardized profit sharing plan documents sponsored by Empower (Empower plan document). Empower plan document received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022 that indicated Empower plan document is in accordance with the applicable sections of the IRC as well. The plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC, and therefore, no tax provision is reflected in the Plan's financial statements. While the Plan is subject to routine audits by taxing jurisdictions; there are currently no audits for any tax periods in progress.

(9) Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

(10) Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to the financial statements date through August 12, 2025, the date the financial statements were available to be issued, for potential recognition and disclosure. No events or transactions meet the definition of a recognized or nonrecognized subsequent event within the scope of ASC 855, *Subsequent Events*.
