INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Laborers' District Council Prepaid Legal Fund
of Philadelphia and Vicinity

Opinion

We have audited the financial statements of the Laborers' District Council Prepaid Legal Fund of Philadelphia and Vicinity (the Fund), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended October 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Fund as of October 31, 2024 and 2023, and the changes in net assets available for benefits for the year ended October 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date that the financial statements are issued.

mitchelltitus.com

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of October 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

As of October 31, 2024 and 2023

and For the Year Ended October 31, 2024

NOTE 1 THE FUND

The Laborers' District Council Prepaid Legal Fund of Philadelphia and Vicinity (the Fund) was established on November 1, 1983, pursuant to an agreement and declaration of trust between the General Building Contractors' Association, Inc., the Contractors' Association of Eastern Pennsylvania, and the Laborers' District Council for the Metropolitan Area of Philadelphia and Vicinity (the Council). The Fund, a multi-employer, noncontributory defined benefit health and welfare plan, was established to provide legal services to employees and beneficiaries of employees who are represented by the Council and its affiliated local unions. Employees (and certain beneficiaries) are eligible to receive benefits once they have worked a minimum of 300 hours in a defined semiannual period for which contributions were made to the Fund.

The Fund agreement provides that participating employers make contributions for employees covered under the agreement at a rate ranging from \$0.35 to \$0.41 per hour for each hour they have worked from November 2023 through October 2024.

Upon termination of the Fund, the Board of Trustees shall determine the disposition of the Fund's assets in accordance with the provisions of the trust agreement and applicable laws.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Fund have been prepared on an accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

Cash and Cash Equivalents

For the purposes of financial reporting, cash and cash equivalents consist of cash on hand and in the bank in addition to highly liquid investments with original maturities of three months or less when purchased.

Employer Contributions

Employer contributions to the Fund are recorded on the accrual basis of accounting based on data reported by participating employers. The contribution amounts are derived from the payroll information maintained and reported by these employers.

Notes to Financial Statements

As of October 31, 2024 and 2023

and For the Year Ended October 31, 2024

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Management's Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments

Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*i.e.*, an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are generally recorded on the ex-dividend date. Net appreciation (depreciation) includes the Fund's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

All administrative expenses are paid by the Fund.

Risks and Uncertainties

The Fund invests in various investment securities that are exposed to risks, such as interest rates, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. The changes could materially affect the amounts reported in the statements of net assets available for benefits.

Accounting Pronouncement not Yet Adopted

In March 2023, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2023-01, *Leases (Topic 842): Common Control Arrangements*, which provides, private companies and not-for-profit organizations that are not conduit bond obligors with a practical expedient to use the written terms and conditions of a common control arrangement to determine whether a lease exists and, if so, the classification of and accounting for that lease. In addition, the ASU requires all entities (*i.e.*, including public companies) to amortize leasehold improvements associated with common control leases over the useful life to the common control group. This standard applies to the Fund's fiscal year 2025. The Fund is currently evaluating the impact of adopting this standard on its financial statements.

As of October 31, 2024 and 2023

and For the Year Ended October 31, 2024

NOTE 3 CONCENTRATION OF CREDIT RISK

The Fund maintained checking accounts at one commercial bank. The total cash in this bank is secured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash balances may exceed FDIC-insured limits periodically during the year. The Fund's money market funds are not insured by the FDIC. Cash and cash equivalents at October 31, 2024 and 2023, are as follows:

	<u>2024</u>	<u>2023</u>
Checking accounts	\$ 903,654	\$ 1,692,827
Money market funds	425,942	343,346
Total cash and cash equivalents	<u>\$ 1,329,596</u>	<u>\$ 2,036,173</u>

NOTE 4 FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3 measurements.

As prescribed by ASC 820-10, *Fair Value Measurement*, investments measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1: Quoted prices are available in active markets for identical investments as of the reporting date.
- Level 2: Pricing inputs are those other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.
- Level 3: Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE MEASUREMENTS *(continued)*

The following describes the valuation methodologies used for assets measured at fair value:

U.S. Government and Federal Agency Securities and Corporate: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing values on yields currently available on comparable securities of issuers with similar credit ratings.

Money market funds: Valued at the closing price reported by the Fund sponsor from an actively traded exchange.

NOTE 5 TAX STATUS

In a letter dated July 29, 1994, the Fund received a favorable determination from the Internal Revenue Service (IRS) regarding the tax-exempt status of the Fund and its associated trust under Section 501(c)(9) of the Internal Revenue Code (the Code) as a Voluntary Employees' Beneficiary Association. The Fund and the trust are required to operate in conformity with the Code to maintain the tax-exempt status of the trust. The Fund administrator believes the Fund is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the related trust is tax exempt.

Notes to Financial Statements

As of October 31, 2024 and 2023

and For the Year Ended October 31, 2024

NOTE 5 TAX STATUS *(continued)*

U.S. GAAP requires Fund management to evaluate uncertain tax positions taken by the Fund. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Fund administrator has analyzed the tax positions taken by the Fund, and has concluded that as of October 31, 2024, there are no uncertain tax positions taken or expected to be taken. The Fund has not recognized interest or penalties related to uncertain tax positions. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Fund administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 6 RELATED-PARTY TRANSACTIONS

Shared Administrative Expenses

The Fund participates (through the cost-sharing arrangement with other Laborers' District Council Benefit Funds) at a fixed rate in several noncontributory, multi-employer benefit funds covering the administrator and office employees through a shared cost arrangement. These plans are not administered by the Fund and contributions are determined in accordance with the provisions of negotiated labor contracts.

The Fund has traditionally allocated a portion of its administrative costs associated with shared payroll audits and legal fees to several employee benefit funds that have common Board members. These costs are included in the statement of changes in net assets available for benefits.

Based upon the "Time and Motion Study for the Allocation of Shared Administrative Expenses for the Laborers' District Council Benefit Funds" (the Study) prepared by a third party, certain shared administrative costs are allocated between the related Laborers' District Council Benefit Funds.

The Study categorized costs into the following categories: non-allocable costs, payroll and payroll-related costs, occupancy costs and collection costs.

Non-allocable costs are those costs incurred by each entity and only benefit that entity. Accordingly, these costs are not allocated or shared between entities.

Payroll and payroll-related costs are allocated based on a percentage of the results of time studies as an indication of the level of effort devoted to, and the benefits derived from, each entity.

NOTE 6 RELATED-PARTY TRANSACTIONS *(continued)*

Shared Administrative Expenses *(continued)*

Occupancy costs are allocated by the Laborers' District Council Construction Industry Pension Fund (the Pension Fund) to the other related Laborers' District Council Benefit Funds based on the square footage utilized by those other funds. These costs include rent and utility costs.

Collection costs, which are costs expended by the Pension Fund to collect contractors' remittances, are allocated based upon the remittances received for each Fund for the fiscal year.

The amounts due to other funds in connection with these costs were \$132,450 and \$125,211 at October 31, 2024 and 2023, respectively. There are also amounts due from other funds totaling \$112,360 and \$117,620 at October 31, 2024 and 2023, respectively. These amounts are related primarily to contributions collected by another fund pending remittance to the Fund.

Lease Commitments

The Fund is party to a 10-year lease for a building from the Laborers' District Council of the Metropolitan Area of Philadelphia and Vicinity, which expired on September 30, 2024. On October 1, 2024, the lease automatically converted to a month-to-month tenancy. In addition to the monthly rent, the lease calls for the Fund to pay its share of the cost of operating the building. The Fund also carries three-year leases for certain equipment.

The rent expense for the above leases for the years ended October 31, 2024 and 2023, was \$64,772 and \$63,836, respectively.

NOTE 7 SUBSEQUENT EVENTS

In preparing the financial statements, the Fund evaluated its events and transactions for potential recognition or disclosure through August 15, 2025, the date on which the financial statements were available to be issued.

Effective November 1, 2024, when using a cooperating attorney, covered persons will no longer be required to use the particular cooperating attorney chosen by the participant's local union. Participants (but not dependents) are now also able to engage the outside attorney of their choosing for many, but not all, of the benefits available as long as the attorney meets the requirements included in the Summary Plan Description. Unlike when using cooperating attorneys, however, none of the benefit caps for outside attorneys are renewable. The changes also include the creation of a new Elder Law benefit. The Elder Law benefit is intended to provide all participants and their lawful spouses assistance in caring for the legal needs of their parents.
