## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
Central Iowa Carpenters Money Purchase Plan  
Altoona, IA

### **Opinion**

We have audited the accompanying financial statements of Central Iowa Carpenters Money Purchase Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Central Iowa Carpenters Money Purchase Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Central Iowa Carpenters Money Purchase Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Iowa Carpenters Money Purchase Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Iowa Carpenters Money Purchase Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Iowa Carpenters Money Purchase Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**CENTRAL IOWA CARPENTERS MONEY PURCHASE PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

---

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of the Central Iowa Carpenters Money Purchase Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a multiemployer defined contribution pension plan. The Plan was established as a result of a collective bargaining agreement (CBA) between employers and North Central States Regional Council of Carpenters (NCSRCC) to provide retirement benefits for eligible participants and their beneficiaries. To be eligible, an employee must be working for a participating employer who is subject to the CBA or for a participating employer subject to a trustee approved participation agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Administration of the Plan is the responsibility of the Board of Trustees (the Trustees) and is governed by a joint board consisting of equal representation from the participating employers and the NCSRCC.

**Contributions**

Contributions are made for all participants working under the provisions of the CBA based at hourly rates specified in the agreements. Additional contributions are received through reciprocity agreements with other jurisdictional areas. Contributions are remitted to the fund office prior to being remitted to the Matrix Trust Company ("Custodian").

The main rate paid per hour to the Plan is as follows for the years ended December 31, 2024 and 2023:

May 1, 2022 through December 31, 2023	4.42
January 1, 2024 through April 30, 2024	3.90
May 1, 2024 through December 31, 2024	4.53

The revenue of the Plan is dependent on continued activity of the employers of the Plan and investment income of Plan assets.

**Participant Accounts**

Each participant's account is credited with his/her allocation of employer contributions and Plan earnings. Participant accounts are charged with withdrawals and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are nonparticipant-directed.

A participant is vested and shall have a non-forfeitable benefit in the Plan in accordance with the following vesting schedule:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 or more years	100%

**CENTRAL IOWA CARPENTERS MONEY PURCHASE PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

---

**NOTE 1 – DESCRIPTION OF THE PLAN, Continued**

**Participant Accounts, Continued**

Participants earn one year of vesting service for each calendar year in which he/she completes at least 1,000 hours of service. Non-vested benefits are forfeited if a participant fails to work a minimum of 500 hours annually for five consecutive years. Participants shall be 100% vested who are employed on the day they turn 55 years old, become totally and permanently disabled, or pass away.

**Payment of Benefits**

Vested benefits are payable to the participants upon retirement, disability or death using one of the optional forms of payment provided by the plan.

**Forfeited Accounts**

The Plan uses forfeitures to reduce Plan administrative expenses. Forfeitures were approximately \$461,661 and \$656,252 during the years ended December 31, 2024 and 2023, respectively. The Plan utilized approximately \$420,000 of forfeitures during 2024 and approximately \$584,523 during 2023. During the years ended December 31, 2024 and 2023, the Plan also had \$273,690 and \$308,010 of earnings allocated to the forfeiture account, respectively. The year-end forfeiture balances were \$2,850,825 and \$3,487,694 as of December 31, 2024 and 2023, respectively. Additionally, prior year forfeitures and earnings on the forfeiture account were allocated to the plan's participants on a per capita basis.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For more information on fair value measurements see Note 3.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Employer Contributions Receivable**

Employers' contributions receivable represents accrued contributions from employers for the current year that were received after the end of the year. Delinquent employer contributions are not recorded as revenue until the amounts are known and received. This effectively establishes an allowance for doubtful accounts of all outstanding delinquent contributions that the amounts are either not yet known or collected.

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

---

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued**

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

The Plan's expenses are paid by the Plan, as provided by the Plan document. Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in the net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

**Date of Management's Review**

Subsequent events were evaluated through July 31, 2025, which is the date the financial statements were available to be issued.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair values provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

---

Level 2	Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
---------	---

---

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

**CENTRAL IOWA CARPENTERS MONEY PURCHASE PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE 3 – FAIR VALUE MEASUREMENTS, Continued**

The fair value measurement level of the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Money market funds, stable value fund, and common/collective trust funds:* Valued at net asset value ("NAV") of units of the trusts held by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. The funds have no unfunded commitments, can be redeemed at NAV at any time and are offered for sale continuously.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<b>Assets at Fair Value as of December 31, 2024</b>

**NOTE 3 – FAIR VALUE MEASUREMENTS, Continued**

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

	Fair Value December 31, 2024	Fair Value December 31, 2023	Unfunded Commitments	Redemption Frequency (if currently eligible)	Other Redemption Restrictions	Redemption Notice Period
Comerica Large-Cap Equity Index Fund (a)	\$ 50,303,054	\$ 40,257,892	N/A	Daily	None	None
Comerica Small-Cap Index Fund (b)	\$ 7,662,750	\$ 7,056,967	N/A	Daily	None	None
Invesco Stable Value Trust (c)	\$ 39,895,106	\$ 38,762,224	N/A	Daily	None	(c)
ASB Allegiance Real Estate Fund ("Real Estate Fund") (d)	\$ 8,234,986	\$ 9,769,551	N/A	Quarterly	(d)	None
Blackrock Liquidity FedFund	\$ 858	\$ 1,905	N/A	Daily	None	None

**Investment in Assets Valued at NAV**

- a) The Comerica Large-Cap Equity Index Fund was designed to provide investment results that correspond to the price and yield performance of publicly traded common stocks of companies as represented by the Standard & Poor's 500 Index or in other instruments with the same investment objective.
- b) The Comerica Small-Cap Index Fund was designed to provide investment results that correspond to the price and yield of publicly traded common stocks of small-size domestic companies as represented by the Standard & Poor's Small-Cap 600 Index.
- c) The Invesco Stable Value Trust's (the "Trust") primary investment objectives are to seek the preservation of principal, provide interest income reasonably obtained under prevailing market conditions and rates, and provide daily liquidity for participant withdrawals and transfers. The Plan is required to give 12 months' irrevocable written notice of intent to redeem all or a portion of its participation in the Trust at contract value.
- d) The Real Estate Fund was designed to prioritize long-term growth with a diverse portfolio of office, industrial, multifamily, retail and land real estate in major metropolitan areas with high tenant demands. Redemptions will be allowed on the first valuation date after receiving written notice if sufficient liquid assets are available, at the sole discretion of the Real Estate Fund's trustee.

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

---

**NOTE 4 –RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan pays fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party in interest transactions under ERISA.

The Plan shares common governance and transacts with a related organization, the Central Iowa Carpenters Pension Plan, which is tax-exempt. The Plan shares certain operating expenses such as payroll audit fees, insurance, and legal fees. This also includes a clearing account that receives employer contributions before they are allocated to various entities by the Plan's third-party administrator. At December 31, 2024 and 2023, the Plan owed the Central Iowa Carpenters Pension Plan \$0 and \$843, respectively, for shared expenses.

**NOTE 5 – PLAN TERMINATION**

Although they have not expressed any intent to do so, the Board of Trustees has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of Plan assets will be made to the participants after all expenses of the Plan are paid.

**NOTE 6 – TAX STATUS**

The Internal Revenue Service ("IRS") has determined and informed the Plan by a letter dated July 17, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the plan is qualified, and the related trust is exempt.

The Plan has adopted guidance on accounting for uncertainty in income taxes issued by the Financial Accounting Standards Board. Management of the Plan believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements in order to comply with the provisions of this guidance. The Plan is subject to routine audits by taxing jurisdictions: however, there are currently no audits for any tax periods in progress.

**NOTE 7 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

At December 31, 2024, the book balance of deposits in local banks was \$1,093,566 while the bank balance was \$912,967. As of year-end, all amounts were insured by the Federal Depository Insurance Company ("FDIC") through the utilization of the Plan's sweep account.
