Independent Auditor's Report

To the Scripps Retirement and Investment Committee of the
Scripps Retirement and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the accompanying financial statements of Scripps Retirement and Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Scripps Retirement and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Scripps Retirement and Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Scripps Retirement and Investment Plan's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Scripps Retirement and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Scripps Retirement and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCRIPPS RETIREMENT AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the Scripps Retirement and Investment Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General - The Plan is a defined contribution plan maintained by The E.W. Scripps Company (“Scripps”) and certain other companies (“Participating Employers”).

The Plan includes a 401(k) savings option which allows participants to defer a portion of their eligible compensation (principally base salary and commissions) for income tax reporting purposes, subject to a maximum set by federal law. Vanguard Fiduciary Trust Company (“Vanguard” or “Trustee”) serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan has evaluated subsequent events through July 31, 2025, the date these financial statements were available to be issued.

Participation - Participation in the Plan is open to all employees (including certain union-represented employees as defined) who have completed the service requirement as defined by the Plan Document.

Contributions - Each participant in the Plan has a separate account. Participants may contribute to the Plan, through payroll deductions, a minimum of 1% and up to 50% of eligible compensation. Highly compensated employees may be subject to additional limits on contributions.

The Employer makes a Qualified Automatic Contribution Arrangement (QACA) matching contribution equal to 100% of the first 1% of eligible compensation that each participant contributes to the Plan plus 50% of a participant’s contributions between 1% and 6% of compensation.

The Plan includes an auto-enrollment provision whereby certain employees are automatically enrolled in the Plan unless an affirmative election not to participate in the Plan is executed. Automatically enrolled participants have their contribution rate set at 6% of eligible compensation and their contributions are invested in a designated fund until changed by the participant. The Plan also provides for an automatic escalating provision in which a participant's auto-enrollment contribution rate will increase by 1% per year up to a maximum of 15% of eligible compensation until an affirmative election is made by the respective participant.

Participant Accounts - Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contribution, the Participating Employer’s matching contribution allocations of Participating Employer’s discretionary contributions (if any), and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investments - Participants direct the investment of their contributions and existing account balances into various investment options offered by the Plan. The Plan currently offers eleven mutual funds and thirteen common collective trusts (CCTs) as investment options for participants.

Vesting - All participants are immediately fully vested in their accounts.

Forfeited Accounts - Participant forfeitures of Participating Employer matching contributions may be used to offset the Participating Employer matching contribution or may be applied to expenses of the Plan. At December 31, 2024 and 2023, forfeited non-vested accounts totaled approximately \$15,722 and \$12,135, respectively. During 2024 and 2023, forfeited non-vested accounts of \$8,706 and \$39,753, respectively, were used to pay Participating Employer matching contributions or expenses of the Plan.

Withdrawals - Contributions to the Plan and corresponding earnings are accessible to participants upon retirement or after employment with the Participating Employers ends. However, the Plan grants participants access to their non-Roth after-tax contributions and the corresponding earnings for withdrawal during employment subject to various limitations and restrictions. Participants are also permitted to withdraw contributions and corresponding earnings under financial hardship provisions. Withdrawals are recorded when paid.

Notes Receivable from Participants (Participant Loans) - Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their account balances. However, loans become due and payable upon termination of employment. The loans are secured by the balance in the participants' accounts and bear interest at a rate equal to prime (as of the date the loan is issued) plus 1%. The prime rate was 7.50% and 8.50%, respectively, at December 31, 2024 and 2023.

Administration - The Participating Employers provide the Plan with certain accounting and administrative services for which no fees are charged.

Administrative expenses for maintaining the Plan may be paid by the Participating Employer or the Plan, at the Participating Employer's discretion. Certain administration fees are charged directly to the participant's account and are included in administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("generally accepted accounting principles").

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end.

The Vanguard Target Retirement Income Trust II fund and Vanguard Target Retirement Target Date Trust II funds are CCT funds sponsored by Vanguard. The Vanguard Target Retirement Trust II funds are target-date funds with dates ranging from 2020 to 2070 in five-year intervals. These funds invest in other Vanguard mutual funds and trusts according to an asset allocation strategy designed for investors planning to retire in or within a few years of the target date year. See Note 3 for discussion of fair value measurements.

The Vanguard Retirement Savings Trust III fund is a stable value CCT fund sponsored by Vanguard. The Vanguard Retirement Savings Trust III fund invests in benefit-responsive investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond trusts that are selected by the sponsor.

The beneficial interest of each participant is represented by units of participation. Units are issued and redeemed daily at the Fund's constant NAV of \$1 per unit. Distributions of net investment income to unit holders are declared daily and reinvested on the first business day of the following month. It is the expectation of the Fund to maintain a stable net asset value of \$1 per unit, although there is no guarantee that the Fund will be able to maintain this value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds and CCTs are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants - The Plan's notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make repayments and the Plan Administrator deems the note receivable from the participant to be in default, the balance of the note receivable from the participant is reduced and a benefit payment is recorded per the Plan Agreement.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed under the IRC are recorded as a liability with a corresponding reduction in participant contributions. The Plan distributed any excess contributions at December 31, 2024 and 2023, to the applicable participants prior to March 15th of the following year.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan utilizes various investment instruments, including mutual funds and CCTs. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

3. **FAIR VALUE MEASUREMENTS**

The Plan classifies its investments into Level 1, Level 2 or Level 3. Level 1 refers to securities traded in an active market. Level 2 refers to securities not traded on an active market but for which observable market inputs are readily available, including investments in funds which may be redeemed on a quarterly or more frequent basis at the net asset value on the measurement date. Level 3 refers to securities not traded in an active market and for which no significant observable market inputs are available, including investments in funds whose available redemption period is less frequent than quarterly as well as funds with significant redemption restrictions implemented by the fund manager.

As permitted by accounting principles generally accepted in the United States of America, the Plan uses net asset value as a practical expedient to determine the fair value of all investment funds that do not have a readily determinable fair value and have the attributes of an investment company. The investments in the CCTs meet these criteria and these investments have not been classified in the fair value hierarchy.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2024 and December 31, 2023.

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

4. **INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED INFORMATION)**

The following is a summary of the unaudited information as of and for the years ended December 31, 2024 and 2023, included in the Plan's financial statements and supplemental schedule that was prepared by the Trustee. The Plan administrator has obtained certifications from the Trustee that such information is complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	2024	2023
Statements of net assets available for benefits:		
Mutual funds	\$ 368,328,827	\$ 387,591,855
Common collective trusts	499,489,461	411,061,526
Notes receivable from participants	5,278,571	5,217,416
Statements of changes in net assets available for benefits:

Interest and dividend income	19,395,865	17,922,663

All investment balances in Note 3 and information included in the supplemental schedule.

5. **EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds and CCTs managed by Vanguard and affiliated entities. Vanguard is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

6. **FEDERAL INCOME TAX STATUS**

The Internal Revenue Service has determined and informed Scripps by a letter dated April 23, 2014, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Participating Employers and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

7. **PLAN TERMINATION**

Although it has not expressed any intention to do so, Scripps and the Participating Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

8. **PLAN AMENDMENTS**

Effective January 1, 2024, the Plan Document was formally amended to include certain provisions previously implemented under the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) of 2019 and the Coronavirus Aid, Relief and Economic Security Act (CARES Act) of 2020.

Effective January 1, 2023, the Plan Document was amended to increase the automatic deferral percentage maximum from 10% to 15%.
