INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Bay Area Community 401(k) Profit Sharing Plan & Trust
Novato, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of Bay Area Community 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits in liquidation as of October 31, 2024 and December 31, 2023, and the statement of changes in net assets available for benefits in liquidation for the ten months ended October 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bay Area Community 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 31, 2024 and December 31, 2023, and for the ten months ended October 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion for the Financial Statements

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Bay Area Community 401(k) Profit Sharing Plan & Trust and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 7, the governing body of the Bay Area Community 401(k) Plan and Trust approved a plan of liquidation on September 25, 2023. The plan continued operations through June 15, 2024. Final distributions were determined based on all participants being 100% vested and were completed on October 14, 2024. As a result, the Plan changed its basis of accounting from the going concern basis to the liquidation basis in 2023. My opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Area Community 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements were available to be issued. See Emphasis of Matter section above.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bay Area Community 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Area Community 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time. See Emphasis of Matter section above.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

BAY AREA COMMUNITY 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements

October 31, 2024 and December 31, 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Bay Area Community 401(k) Profit Sharing Plan & Trust “the Plan” provides only general information. The Plan’s sponsor is Bay Area Community Resources “the Company.” Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a single employer defined contribution plan covering the employees of Bay Area Community Resources. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 “ERISA” and subsequent amendments. The Plan was established on July 1, 2015 to provide retirement benefits for the employees of the Company.

Termination of Plan – On September 25, 2023, the executive committee of the plan approved a plan of liquidation to discontinue contributions and terminate the Plan effective June 15, 2024. See Note 7.

Plan Administration – The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan Sponsor’s Board of Directors. The Company has delegated certain responsibilities for the operation and administration of the Plan. John Hancock Life Insurance Company (U.S.A.), or one of its affiliates, “John Hancock (U.S.A.)” is the custodian and recordkeeper of the Plan.

Eligibility – Employees of the Company become eligible to participate in the Plan on the first of the month after attaining the age of 21 and completing one year of service, in which at least 1,000 hours are worked. Employees who are members and public allies (“AmeriCorps”) are prohibited from participating. In addition, leased employees, nonresident aliens, and certain employees governed by a collective bargaining agreement are prohibited from participating.

Participant Contributions – Through May 31, 2024, participants may contribute up to 100% of their annual compensation, as defined in the Plan, on a tax deferred basis or Roth after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Deferral and Roth contributions are subject to a maximum limitation as provided in the Internal Revenue Code. The maximum contribution of pretax compensation that a participant could defer in the calendar year 2024 was \$23,000, and the maximum catch-up additional deferral for participants who reached the age of fifty by the end of the calendar year 2024 was \$7,500.

Participants are automatically enrolled to defer 5% of eligible compensation on a tax deferred basis unless the participant makes a contract election or opts out.

BAY AREA COMMUNITY 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements **October 31, 2024 and December 31, 2023**

NOTE 1 – DESCRIPTION OF PLAN (continued)

Employer Contributions – The Company may make a discretionary profit sharing contribution to all who have completed 1,000 hours of service during the plan year, as defined, based on annual eligible compensation integrated for social security. The Company did not make any employer profit sharing contributions in the ten months ended October 31, 2024.

Investment Elections – The participant contributions and the company contributions are allocated to the various investment options offered by the Plan as directed by participants.

Participant Accounts - Each participant's account is credited with the participant's contributions or rollovers and an allocation of (a) the Company's contributions, if any, and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's accounts.

Vesting - A participant is always fully (100 percent) vested in his or her salary reduction account and rollover contribution account, plus actual earnings thereon. Employer profit sharing contributions vest over a six-year graded vesting schedule in which 20% of the employer contribution vests after two years of service, and an additional 20% vests after each year of service thereafter until the participant is fully vested upon accumulating six years of service. In the event of death, disability or attaining normal retirement age, participants are immediately vested in all company contributions. All participant accounts were fully vested at December 31, 2023 due the Plan's termination.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan terms generally range from one to five years, and can be up to 10 years for the purchase of a principal residence. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prime rate plus 1% percent. A participant may only have one loan currently outstanding at a time from the Plan. A participant's account is charged monthly interest on the outstanding loan balance.

Principal and interest is paid ratably through semi-monthly payroll deductions. In the ten months ended October 31, 2024, the interest rate on the loans ranged from 4.25% to 9.5% per annum.

Notes to Financial Statements

October 31, 2024 and December 31, 2023

NOTE 1 – DESCRIPTION OF PLAN (continued)

Forfeited Accounts – Forfeitures of the nonvested portion of terminated participants' accounts can be used to restore forfeitures, pay Plan expenses, offset employer contributions or reallocated as Company contributions. There were no available forfeitures of employer contributions at October 31, 2024 and December 31, 2023.

Cash Holding Account – The Plan holds cash in a holding account for funds paid into the plan by the employer in excess of the required amounts. These funds are held in a noninterest bearing cash account. The cash in the holding account may be refunded to the employer or used to pay contributions or expenses.

Payment of Benefits – Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. Participant account balances equal to or less than \$1,000, are distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefits plan is requested. Balances between \$1,000 and \$5,000 will be rolled over to an individual retirement plan designated by the plan administrator if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified plan. If the account balance is over \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, a specified series of installments equal to the value of their vested account balance or postpone payment to a later date and remain in the Plan as described in the Plan documents.

Notes to Financial Statements

October 31, 2024 and December 31, 2023

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments in sub accounts of mutual funds and the stable value fund are held in pooled separate accounts and are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing the information provided by the investment advisers and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of October 31, 2024 and December 31, 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits - Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses, which may vary according to the individual funds selected, are included in net appreciation (depreciation) of fair value of investments. Participants should refer to the prospectus for the individual investment funds for further details on individual investment fees. Certain administrative and investment advisory fees are charged directly to the participant's account and included in administrative expenses.

NOTE 3 – FAIR VALUE OF ASSETS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Sub Accounts of Mutual Funds

Sub accounts of mutual funds are held in pooled separate accounts. The mutual funds shares held by the sub accounts are valued at quoted market prices and are considered Level 1 assets. The fair value of each sub account is calculated as the number of units the sub-account held on a particular date multiplied by the unit value on that date. The unit values of these sub accounts are determined daily based on the price per share of the underlying fund and is posted daily by John Hancock (U.S.A.).

NOTE 3 – FAIR VALUE OF ASSETS (continued)

Sub Accounts of John Hancock Stable Value Fund

The sub account of The John Hancock Stable Value Fund is held in a pooled separate account which invests in the John Hancock Stable Value Fund Collective Investment Trust (CIT). The underlying CIT is valued at the daily net assets value (NAV) published by the CIT. The fair value of the sub account is calculated as the number of units of the sub-account held on a particular date multiplied by the unit value on that date. The fair value of the sub account is considered a Level 1 investment because the fair values of the underlying funds are based on reported net assets values and the unit value of the sub account is posted daily by John Hancock (U.S.A).

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

Assets at Fair Value as of December 31, 2023

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements, including investments held at October 31, 2024 and December 31, 2023, and net appreciation in fair value of investments, dividends and interest income for the ten months ended October 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance (U.S.A), the custodian.

NOTE 5 – INVESTMENT CONTRACT WITH JOHN HANCOCK (U.S.A.)

The Plan's investments are managed by John Hancock Life Insurance Company (U.S.A.) under the terms of a group annuity contract. The group annuity contract as a whole is not fully-benefit responsive. Participants may direct the investment of their contributions and account balances amongst the various investment options offered under this contract. John Hancock (U.S.A.) holds the investment funds in sub accounts of mutual funds and a sub account of a collective investment trust, which are primarily managed or sub-advised by affiliates.

The group annuity contract provides that John Hancock (U.S.A.) will provide record keeping services, accumulate and invest participants' contributions in investment funds in John Hancock (U.S.A.)'s sub accounts as instructed by Plan participants and to pay participant benefits as provided by the Plan when they become due. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments in the sub accounts of separate accounts at fair value.

NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed or sub-advised by members of the Manulife Financial group of companies which are affiliated with John Hancock (U.S.A.). The Plan issues loans to participants, which are secured by the balances in the participants' accounts. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Fees incurred by the Plan for the investment management services are included in net appreciation or depreciation in fair value of the investment. The Plan made direct payments to John Hancock (U.S.A.), the record-keeper, an investment advisor, and a third party plan administrator totaling \$54,032 in the ten months ended October 31, 2024.

NOTE 7 – PLAN TERMINATION

The Company has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. On September 25, 2023, the Company's executive team approved a plan of liquidation which included discontinuing contributions into the Plan effective June 15, 2024.

All of the participant accounts were fully vested as of December 31, 2023.

Final distributions were made on October 14, 2024. The account balances of participants who did not make an election for a lump-sum distribution or a direct rollover into another qualified plan by September 19, 2024 were rolled over into an individual retirement plan designated by the plan administrator.

No penalties or adjustments have been included in these financial statements due to the plan termination.

NOTE 8 – TAX STATUS

The defined contribution pre-approved plan adopted by the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net income is exempt from income taxes. The Plan was amended and restated effective October 12, 2021 to the CCH Incorporated, DBA FTWilliam.com Basic Plan Document #001 to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. CCH Incorporated received an opinion letter from the Internal Revenue Service dated June 30, 2020 stating that the plan's form is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and is acceptable for use by employers for the benefit of their employees under IRC Section 401. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and was operated through October 31, 2024, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 10 – SUBSEQUENT EVENT

The plan has evaluated subsequent events through August 15, 2025, the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Bay Area Community 401(k) Profit Sharing Plan & Trust
Novato, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of Bay Area Community 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits in liquidation as of October 31, 2024 and December 31, 2023, and the statement of changes in net assets available for benefits in liquidation for the ten months ended October 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bay Area Community 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 31, 2024 and December 31, 2023, and for the ten months ended October 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion for the Financial Statements

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Bay Area Community 401(k) Profit Sharing Plan & Trust and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 7, the governing body of the Bay Area Community 401(k) Plan and Trust approved a plan of liquidation on September 25, 2023. The plan continued operations through June 15, 2024. Final distributions were determined based on all participants being 100% vested and were completed on October 14, 2024. As a result, the Plan changed its basis of accounting from the going concern basis to the liquidation basis in 2023. My opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Area Community 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements were available to be issued. See Emphasis of Matter section above.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bay Area Community 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Area Community 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time. See Emphasis of Matter section above.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

October 31, 2024 and December 31, 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Bay Area Community 401(k) Profit Sharing Plan & Trust “the Plan” provides only general information. The Plan’s sponsor is Bay Area Community Resources “the Company.” Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a single employer defined contribution plan covering the employees of Bay Area Community Resources. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 “ERISA” and subsequent amendments. The Plan was established on July 1, 2015 to provide retirement benefits for the employees of the Company.

Termination of Plan – On September 25, 2023, the executive committee of the plan approved a plan of liquidation to discontinue contributions and terminate the Plan effective June 15, 2024. See Note 7.

Plan Administration – The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan Sponsor’s Board of Directors. The Company has delegated certain responsibilities for the operation and administration of the Plan. John Hancock Life Insurance Company (U.S.A.), or one of its affiliates, “John Hancock (U.S.A.)” is the custodian and recordkeeper of the Plan.

Eligibility – Employees of the Company become eligible to participate in the Plan on the first of the month after attaining the age of 21 and completing one year of service, in which at least 1,000 hours are worked. Employees who are members and public allies (“AmeriCorps”) are prohibited from participating. In addition, leased employees, nonresident aliens, and certain employees governed by a collective bargaining agreement are prohibited from participating.

Participant Contributions – Through May 31, 2024, participants may contribute up to 100% of their annual compensation, as defined in the Plan, on a tax deferred basis or Roth after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Deferral and Roth contributions are subject to a maximum limitation as provided in the Internal Revenue Code. The maximum contribution of pretax compensation that a participant could defer in the calendar year 2024 was \$23,000, and the maximum catch-up additional deferral for participants who reached the age of fifty by the end of the calendar year 2024 was \$7,500.

Participants are automatically enrolled to defer 5% of eligible compensation on a tax deferred basis unless the participant makes a contract election or opts out.

BAY AREA COMMUNITY 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements **October 31, 2024 and December 31, 2023**

NOTE 1 – DESCRIPTION OF PLAN (continued)

Employer Contributions – The Company may make a discretionary profit sharing contribution to all who have completed 1,000 hours of service during the plan year, as defined, based on annual eligible compensation integrated for social security. The Company did not make any employer profit sharing contributions in the ten months ended October 31, 2024.

Investment Elections – The participant contributions and the company contributions are allocated to the various investment options offered by the Plan as directed by participants.

Participant Accounts - Each participant's account is credited with the participant's contributions or rollovers and an allocation of (a) the Company's contributions, if any, and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's accounts.

Vesting - A participant is always fully (100 percent) vested in his or her salary reduction account and rollover contribution account, plus actual earnings thereon. Employer profit sharing contributions vest over a six-year graded vesting schedule in which 20% of the employer contribution vests after two years of service, and an additional 20% vests after each year of service thereafter until the participant is fully vested upon accumulating six years of service. In the event of death, disability or attaining normal retirement age, participants are immediately vested in all company contributions. All participant accounts were fully vested at December 31, 2023 due the Plan's termination.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan terms generally range from one to five years, and can be up to 10 years for the purchase of a principal residence. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prime rate plus 1% percent. A participant may only have one loan currently outstanding at a time from the Plan. A participant's account is charged monthly interest on the outstanding loan balance.

Principal and interest is paid ratably through semi-monthly payroll deductions. In the ten months ended October 31, 2024, the interest rate on the loans ranged from 4.25% to 9.5% per annum.

Notes to Financial Statements

October 31, 2024 and December 31, 2023

NOTE 1 – DESCRIPTION OF PLAN (continued)

Forfeited Accounts – Forfeitures of the nonvested portion of terminated participants' accounts can be used to restore forfeitures, pay Plan expenses, offset employer contributions or reallocated as Company contributions. There were no available forfeitures of employer contributions at October 31, 2024 and December 31, 2023.

Cash Holding Account – The Plan holds cash in a holding account for funds paid into the plan by the employer in excess of the required amounts. These funds are held in a noninterest bearing cash account. The cash in the holding account may be refunded to the employer or used to pay contributions or expenses.

Payment of Benefits – Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. Participant account balances equal to or less than \$1,000, are distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefits plan is requested. Balances between \$1,000 and \$5,000 will be rolled over to an individual retirement plan designated by the plan administrator if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified plan. If the account balance is over \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, a specified series of installments equal to the value of their vested account balance or postpone payment to a later date and remain in the Plan as described in the Plan documents.

BAY AREA COMMUNITY 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements

October 31, 2024 and December 31, 2023

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments in sub accounts of mutual funds and the stable value fund are held in pooled separate accounts and are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing the information provided by the investment advisers and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of October 31, 2024 and December 31, 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits - Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses, which may vary according to the individual funds selected, are included in net appreciation (depreciation) of fair value of investments. Participants should refer to the prospectus for the individual investment funds for further details on individual investment fees. Certain administrative and investment advisory fees are charged directly to the participant's account and included in administrative expenses.

NOTE 3 – FAIR VALUE OF ASSETS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Sub Accounts of Mutual Funds

Sub accounts of mutual funds are held in pooled separate accounts. The mutual funds shares held by the sub accounts are valued at quoted market prices and are considered Level 1 assets. The fair value of each sub account is calculated as the number of units the sub-account held on a particular date multiplied by the unit value on that date. The unit values of these sub accounts are determined daily based on the price per share of the underlying fund and is posted daily by John Hancock (U.S.A.).

BAY AREA COMMUNITY 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements

October 31, 2024 and December 31, 2023

NOTE 3 – FAIR VALUE OF ASSETS (continued)

Sub Accounts of John Hancock Stable Value Fund

The sub account of The John Hancock Stable Value Fund is held in a pooled separate account which invests in the John Hancock Stable Value Fund Collective Investment Trust (CIT). The underlying CIT is valued at the daily net assets value (NAV) published by the CIT. The fair value of the sub account is calculated as the number of units of the sub-account held on a particular date multiplied by the unit value on that date. The fair value of the sub account is considered a Level 1 investment because the fair values of the underlying funds are based on reported net assets values and the unit value of the sub account is posted daily by John Hancock (U.S.A).

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

Assets at Fair Value as of December 31, 2023

	Fair Value 12/31/2023	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Sub Accounts of:				
Mutual Funds	\$5,119,611	\$5,119,611	\$ -	\$ -
Stable Value Fund	175,508	175,508	-	-
Totals	<u>\$5,295,119</u>	<u>\$5,295,119</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements, including investments held at October 31, 2024 and December 31, 2023, and net appreciation in fair value of investments, dividends and interest income for the ten months ended October 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance (U.S.A), the custodian.

NOTE 5 – INVESTMENT CONTRACT WITH JOHN HANCOCK (U.S.A.)

The Plan's investments are managed by John Hancock Life Insurance Company (U.S.A.) under the terms of a group annuity contract. The group annuity contract as a whole is not fully-benefit responsive. Participants may direct the investment of their contributions and account balances amongst the various investment options offered under this contract. John Hancock (U.S.A.) holds the investment funds in sub accounts of mutual funds and a sub account of a collective investment trust, which are primarily managed or sub-advised by affiliates.

The group annuity contract provides that John Hancock (U.S.A.) will provide record keeping services, accumulate and invest participants' contributions in investment funds in John Hancock (U.S.A.)'s sub accounts as instructed by Plan participants and to pay participant benefits as provided by the Plan when they become due. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments in the sub accounts of separate accounts at fair value.

NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed or sub-advised by members of the Manulife Financial group of companies which are affiliated with John Hancock (U.S.A.). The Plan issues loans to participants, which are secured by the balances in the participants' accounts. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Fees incurred by the Plan for the investment management services are included in net appreciation or depreciation in fair value of the investment. The Plan made direct payments to John Hancock (U.S.A.), the record-keeper, an investment advisor, and a third party plan administrator totaling \$54,032 in the ten months ended October 31, 2024.

October 31, 2024 and December 31, 2023

NOTE 7 – PLAN TERMINATION

The Company has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. On September 25, 2023, the Company's executive team approved a plan of liquidation which included discontinuing contributions into the Plan effective June 15, 2024.

All of the participant accounts were fully vested as of December 31, 2023.

Final distributions were made on October 14, 2024. The account balances of participants who did not make an election for a lump-sum distribution or a direct rollover into another qualified plan by September 19, 2024 were rolled over into an individual retirement plan designated by the plan administrator.

No penalties or adjustments have been included in these financial statements due to the plan termination.

NOTE 8 – TAX STATUS

The defined contribution pre-approved plan adopted by the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net income is exempt from income taxes. The Plan was amended and restated effective October 12, 2021 to the CCH Incorporated, DBA FTWilliam.com Basic Plan Document #001 to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. CCH Incorporated received an opinion letter from the Internal Revenue Service dated June 30, 2020 stating that the plan's form is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and is acceptable for use by employers for the benefit of their employees under IRC Section 401. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and was operated through October 31, 2024, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
