THOMAS ALLEN, INC. PROFIT SHARING PLAN

REPORT ON AUDIT

DECEMBER 31, 2024

INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Thomas Allen, Inc. Profit Sharing Plan
West St. Paul, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Thomas Allen, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of **December 31, 2024** and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of **December 31, 2024** and 2023, and for the year ended **December 31, 2024**, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thomas Allen, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of **December 31, 2024** is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is a defined contribution plan covering all employees of Thomas Allen, Inc. who have completed one year of service and have attained age twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the administrator and sponsor of the Plan and has appointed Capital Bank and Trust Company and Empower Retirement as Trustee and recordkeeper of the Plan, respectively. The Plan's Investment Committee determines the appropriateness of the Plan's offerings, monitors investment performance, and reports to the Company's Board of Directors.

2. Contributions

The Company contributes annually to the Plan a discretionary amount determined by the Company's Board of Directors. Participants contribute through the 401(k) option of the Plan. Participants direct their contribution and their portion of the Company contribution into various investment options offered by the Plan. The Plan currently offers twenty three mutual funds and a money market account as investment options for participants.

3. Participant Accounts

Each participant's account is credited with the participant's contribution, catch-up contributions, Roth contributions, rollover contributions and allocations of (a) the Company's contribution; (b) Plan earnings; and, (c) forfeitures of terminated participants' earnings or account balances. Allocations are based on participant earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Vesting is based on years of continuous service. A year of service is defined as a Plan year in which the employee works at least 1,000 hours. A participant is 100 percent vested after six years of credited service. Participant contributions are immediately vested.

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments as defined in the Plan document. An active participant is allowed to receive a distribution from the Plan prior to termination of employment provided they have obtained age 59 1/2, normal retirement age, or in the event of a qualified hardship event, as defined in the Plan document. A terminated employee with a balance of less than \$5,000 may be automatically paid out by the Plan upon termination. In the event of termination of employment (other than for death, disability, or retirement after age 59 1/2), participants are entitled to all of their account balances.

6. Forfeited Accounts

As of **December 31, 2024** and 2023, forfeited nonvested accounts totaled **\$49,634** and \$8,873, respectively. Forfeitures shall be allocated for the Plan year in which the former participant receives a distribution of their entire account balance or incurs five consecutive one-year breaks in service. Forfeitures will be allocated to the remaining Plan participants in the following year or used to pay Plan expenses. During the year ended **December 31, 2024**, the amounts used to pay Plan expenses was **\$35,320**.

7. Administrative and Investment Management Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND USE OF ACCOUNTING ESTIMATES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
AND USE OF ACCOUNTING ESTIMATES (CONTINUED)****Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value using quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of **December 31, 2024** and 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution and not accrued upon termination of employment.

NOTE 3 FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no Level 2 inputs or Level 3 inputs available to the Plan. There has been no changes in the methodologies used at **December 31, 2024** and 2023.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

	<u>Total</u>	<u>Level 1</u>

Mutual Funds	\$ <u>9,439,598</u>	\$ <u>9,439,598</u>

Mutual Funds	\$ <u>10,879,268</u>	\$ <u>10,879,268</u>

NOTE 4 RELATED PARTY TRANSACTIONS

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee organization, or a relative of such persons mentioned.

Certain Plan investment options are investments offered by the Trustee of the Plan. Additionally, fees incurred by the Plan for investment manager services are included in investment income for the audit periods. The Plan also issues loans to participants that are secured by the vested balance in the participants' accounts. As such, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 5 NOTES RECEIVABLE FROM PARTICIPANTS

Participants in the Plan are eligible to borrow up to 50 percent of their vested interests in the Plan up to a maximum amount of \$50,000. The loans are repaid through biweekly payroll deductions over the term of the loan. As of **December 31, 2024** and 2023, the Plan had outstanding loans to participants in the amount of **\$115,144** and \$159,822, respectively. The loans include interest of **4.25** to **9.5** percent and are secured by the balance in the participant's account. Interest income earned on the loan balances for **2024** and 2023, was **\$9,077** and \$8,928, respectively.

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 7 BOND

The Company maintains a fidelity bond through an insurance agency that covers ten percent of the net assets available for benefits of the Plan.

NOTE 8 TAX STATUS

The trust established under the Plan to hold the Plan's assets is exempt from federal income tax under Section 501(c)(9) of the Internal Revenue Code. On June 30, 2020, the Plan adopted a prototype plan from Capital Bank and Trust Company. The Plan relies on Capital Bank and Trust Company to maintain the Plan in accordance with the Internal Revenue Code and maintain a favorable determination letter on the prototype plan. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires the Company to evaluate tax positions taken by the Plan. The effects of an uncertain tax position are recognized in the financial statements when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan and has concluded that as of **December 31, 2024** and 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 9 INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income and Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified by Capital Bank and Trust Company, the trustee, as of and for the years ended **December 31, 2024**.

The Plan trustee has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the Statement of Net Assets Available for Benefits as of **December 31, 2024** and the supplementary Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of **December 31, 2024**, and the related investment income reported in the Statement of Changes in Net Assets Available for Benefits for the year ended **December 31, 2024**.

NOTE 10 UNALLOCATED ASSETS

At **December 31, 2024** and 2023, unallocated assets consist of forfeitures and compensation recapture in the amount of **\$102,830** and \$74,417, respectively. The Plan receives funds from sub-transfer agency fees from the investments chosen. The Plan administrator may use these funds to pay Plan expenses. These funds are termed as compensation recapture. At **December 31, 2024** and 2023, the compensation recapture balance was **\$49,584** and \$37,910, respectively. During the year ended **December 31, 2024** and 2023, the net contribution was **\$11,674**.

NOTE 11 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market conditions, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan had investments of **\$5,336,352** and \$2,818,266 that were concentrated in five and two funds at **December 31, 2024** and 2023, respectively.

NOTE 12 RECONCILIATION OF FINANCIAL STATEMENTS

The Form 5500 has been prepared on the cash basis, and therefore does not include any amounts for Company or employee contributions receivable at year-end.

The Form 5500 includes deemed loan distributions in the distributions on the 5500. Therefore the loan balance does not include the deemed distributions at year-end.
