INDEPENDENT AUDITORS' REPORT

To the trustees of
Twin Boro Physical Therapy Associates, P.A.
Retirement Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Twin Boro Physical Therapy Associates, P.A. Retirement Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of November 1, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the period January 1, 2024 to November 1, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 1, 2024 and December 31, 2023 and for the period January 1, 2024 to November 1, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

TWIN BORO PHYSICAL THERAPY ASSOCIATES, P.A.
NOTES TO THE FINANCIAL STATEMENTS
NOVEMBER 1, 2024 AND DECEMBER 31, 2023

1. DESCRIPTION OF PLAN

General

The following description of the Twin Boro Physical Therapy Associates, P.A. Retirement Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is a defined contribution plan, which commenced April 1, 1985. Effective January 1, 2024, the Plan was amended to freeze further participation in the Plan. As such, there were no new eligible participants or deferrals allowed into the Plan. The Plan was merged into the PT Solutions Holdings, LLC 401(k) Plan on November 1, 2024 and is included in the statement of changes in net assets available for benefits as a plan merger.

Prior to January 1, 2024, all employees of Twin Boro Management, LLC (the Company) who were age 21 or older, except union employees, nonresident aliens and leased employees, were eligible to participate. Employees became eligible to participate after completing 1,000 hours of service within the first six months of employment or became eligible to participate after one year of service.

Contributions

Effective January 1, 2024, there were no contributions allowed under the terms of the Plan.

Participant Accounts

A separate investment account was maintained for each Plan participant. Participants directed the investment of their accounts into various funds specified by the Plan. Participant accounts in 2024 were credited with an allocation of Plan earnings (losses), and charged with an allocation of administrative expenses, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions and Company matching and profit-sharing contributions to the Plan.

Notes Receivable from Participants

Participants were able to borrow from their fund accounts a minimum of \$1,000. A participant could only have one loan outstanding at any time. The loans were secured by the balance in the participant's account and bore interest at rates commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest were paid ratably through monthly payroll deductions.

Payment of Benefits

Benefits were payable to the participant or beneficiary at the time of retirement, disability, termination or death. The Plan also allowed for in-service withdrawals due to hardship or upon reaching normal retirement age, as well as in-service withdrawals of rollover funds at any time.

Forfeitures

Employees who terminated employment and were not vested prior to January 1, 2024 forfeited the nonvested portion of their account balance to the Plan as specified in the Adoption Agreement. The forfeited nonvested account balance as of November 1, 2024 and December 31, 2023, was \$0 and \$7,594, respectively. Forfeitures were applied to reduce Company contributions or used to pay Plan expenses.

Administrative Expenses

Certain expenses of maintaining the Plan were paid directly by the Company and are excluded from these financial statements.

Management fees and other operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following policies were in effect prior to the Plan merger in November 2024.

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting.

The Plan accounts for all transactions on the modified cash basis. Security transactions are recorded on the settlement date, and the determination of gain or loss on securities sold is based on the average cost of the securities. Investment income (interest and dividends) is recorded on the date received. Expenses are recorded on the date of payment. Modified cash basis accounting represents a departure from accounting principles generally accepted in the United States of America (GAAP). It is not a prohibited method of accounting for employee benefit plans under the reporting requirements of ERISA. The result of the use of modified cash basis accounting is that dividends and interest receivable, security trades made but not settled, contributions receivable from the Company, and liabilities at December 31, 2023, were not included in the accompanying financial statements. Accordingly, the financial statements are not intended to present the financial position and changes in net assets in conformity with GAAP.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisors and the trustee. See Note 5 for discussion of fair value measurements.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Certain investment advisory related expenses are included in administrative expenses.

Payment of Benefits

Benefits are recorded when paid by the Plan.

3. INFORMATION CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements, including investments held as of December 31, 2023, and net appreciation in fair value of investments, dividend and interest income for the period January 1, 2024 to November 1, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the Ascensus Trust Company and Newport Trust Company, the custodians of the Plan.

4. INCOME TAX STATUS

The Plan uses a standardized prototype plan sponsored by Ascensus LLC. Ascensus LLC has received a favorable opinion letter from the Internal Revenue Service (IRS) for the prototype plan on June 30, 2020. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable

requirements of the Internal Revenue Code (IRC). Accordingly, the accompanying financial statements do not include a provision for income taxes.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that is more likely than not to be sustained upon examination by the IRS. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. FAIR VALUE MEASUREMENT

The Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

- Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
- Level 2 – Inputs consist of: quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual and money market funds – Valued at the closing price reported on the active market on which the individual securities are traded.

Common collective trust fund – Valued at the net asset value (NAV), as provided by the Administrator, used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV, as provided by the custodian of the fund, is valued and published daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

<u>December 31, 2023</u>	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 13,532,065	\$ 13,532,065
Total assets in the fair value hierarchy	<u>\$ 13,532,065</u>	13,532,065
Investments measured at net asset value*		
Common collective trust fund		<u>600,424</u>
Investments at fair value		<u>\$ 14,132,489</u>

*In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per unit (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. RELATED PARTY TRANSACTIONS

In 2023, certain Plan assets were shares of mutual funds managed by an affiliate of Ascensus Trust Company. As such, these transactions under the Plan qualified as party-in-interest transactions.

During the period January 1, 2024 to November 1, 2024, fees, including investment advisory fees, were paid by the Plan. These expenses, along with notes receivable from participants, qualify as party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall remain fully vested in their accounts.

8. SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 18, 2025, which is the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure under FASB ASC 855, *Subsequent Events*.
