## INDEPENDENT AUDITOR'S REPORT

The 401(k) Plan Advisory Committee  
Campbell Companies

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Campbell Companies Bargaining Unit 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2024, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CAMPBELL COMPANIES**  
**BARGAINING UNIT 401(k) PLAN**  
Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

**(1) PLAN DESCRIPTION**

The Campbell Companies Bargaining Unit 401(k) Plan (the Plan) is a deferred compensation plan for union employees of Campbell Companies (the Company). Significant provisions of the Plan, including elective deferral contribution, eligibility, and vesting, are described below. Participants should refer to the Plan document for a more complete description of the provisions of the Plan.

**(a) General**

The Plan is a defined contribution plan, covering union employees under a collective bargaining agreement who have completed sixty days of service, and are age 18 or older. Any participant who subsequently fails to perform a full year of service will be placed on inactive status. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**(b) Contributions**

Participants may elect to contribute up to 100 percent of their gross annual income into the Plan up to a maximum of \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, through contributions to the Plan. Participants age 50 and over may contribute an additional \$7,500 and \$7,500 for the years ended December 31, 2024 and 2023. The Company matches 100 percent of employee contributions limited to two percent of each employee's qualifying income.

**(c) Vesting and Distribution of Benefits**

Participant and Company contributions and earnings thereon vest immediately. Participants or, if applicable, their beneficiaries, shall be entitled to receive the amount in their accounts upon the earliest of the participants' retirement, death, separation from service, or disability. Participants may choose to have their account paid under one or more of the optional forms available under the Plan.

**(d) Investment Options**

Participants may direct contributions to any of the investment options as detailed in the accompanying schedule of assets held (Schedule 1).

**(e) Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. A participant may have no more than one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at the rate of 4.25 to 10.50 percent.

Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

**(1) PLAN DESCRIPTION (CONTINUED)**

***(f) Allocation of Earnings***

The net increase or decrease in the value of the Plan's assets attributable to interest, dividends, and changes in market value is allocated to the participants' accounts according to their percentage of total assets by fund.

***(g) Plan Termination***

Although it has not expressed any intent to do so, the Company may terminate the Plan subject to provisions of ERISA. In the event the Plan is terminated, participants would become entitled to the full amount of their respective accounts.

***(h) Discretionary Profit Sharing and Forfeitures***

During the fiscal year, the Plan made a discretionary profit sharing contribution to employee accounts. Certain employees were found to be ineligible to the plan and their discretionary profit sharing contribution was forfeited. The forfeiture balance totaled \$99,410 and \$- for the years ended December 31, 2024 and 2023 respectively.

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***(a) Basis of Presentation***

The accompanying financial statements have been prepared on the modified-cash basis of accounting. The modified-cash basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP) under which asset additions and deletions are recognized based on cash receipts and disbursements, and investments are adjusted to fair value.

***(b) Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the term of the plan document.

**CAMPBELL COMPANIES**  
**BARGAINING UNIT 401(k) PLAN**  
Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***(c) Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value or its equivalent for which the fair value is not readily determinable. See Note 5 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

***(d) Other Income and Other Costs***

For the years ended December 31, 2024 and 2023, other income is comprised of investment fund management fees refunded to the Plan by Empower. Other costs consist of certain administrative custodial fees, loan fees, and professional fees from independent consultants.

***(e) Use of Estimates***

The preparation of the financial statements in conformity with the modified-cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and disclosure of liabilities (contingent or otherwise) at the date of the financial statements and the reported amounts of additions and deletions during the reporting period. Actual results could differ from those estimates.

***(f) Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

***(g) Risks and Uncertainties***

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

***(h) Subsequent Events***

Subsequent events have been evaluated through August 8, 2025, the date the financial statements were available to be issued.

**CAMPBELL COMPANIES**  
**BARGAINING UNIT 401(k) PLAN**  
Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

**(3) RELATED PARTY TRANSACTIONS**

Certain Plan investments are managed by Empower Annuity Insurance Company, the trustees of the Plan, and therefore qualify as party-in-interest. These party-in-interest transactions, as well as notes receivable from participants, are not considered prohibited transactions by statutory exemptions under ERISA regulations.

**(4) TAX STATUS OF THE PLAN**

The Plan uses a prototype plan document, which received an opinion letter from the IRS, dated March 31, 2008, stating that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS and the prototype has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

**(5) FAIR VALUE OF INVESTMENTS**

The Plan's investments are stated at fair value. Fair value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities;

Level 2 - Quoted prices for identical or similar assets or liabilities in markets that are not considered to be active or identical or similar financial instruments for which all significant inputs are observable, either directly or indirectly; and

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

**CAMPBELL COMPANIES**  
**BARGAINING UNIT 401(k) PLAN**  
Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

**(5) FAIR VALUE OF INVESTMENTS (CONTINUED)**

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. In periods of market inactivity, the observability of prices and inputs may be reduced for certain instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or from Level 2 to Level 3.

Registered Investment Companies (RIC)

Valued at the daily closing price as reported by the fund. RIC's held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The RIC's held by the Plan are deemed to be actively traded.

**(6) POOLED SEPARATE ACCOUNTS (PSA)**

Investments in PSA are valued at the net asset value of units held by the Plan at year end reflecting the closing price reported on the applicable active market on which the underlying investments in equity securities are traded. ASC 820 allows Net Asset Value (NAV) per share to serve as a practical expedient to estimate the fair value of a PSA as long as certain requirements are met. The Plan's PSA meet those requirements. The PSA can be redeemed at NAV on a daily basis. Unfunded commitments typically are found in private equity funds and therefore are not applicable to PSA.

For the Years Ended December 31, 2024 and 2023

**(7) GUARANTEED INCOME FUND**

The Guaranteed Income Fund (GIF) is a group annuity product issued by Empower Annuity Insurance Company (EAIC). Amounts contributed to the contract are deposited in EAIC's general account. Payment obligations and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of EAIC. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The contract is affected directly between the Plan Sponsor and the issuer. The repayment of principal and interest credited to participants is a financial obligation to the issuer. Given these provisions, EAIC considers this contract to be fully benefit responsive. Therefore, contract value is the only required measure.

**(8) COMMON COLLECTIVE TRUST**

Investments in common and collective trust funds are valued based upon the redemption price of units held by the Plan, which is based on the current fair value of the common and collective trust funds' underlying assets. Unit values are determined by the financial institution sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. The Plan holds the right to liquidate its positions in these common and collective trust funds at any time, subject to a reasonable notification period. No unfunded commitment existed with respect to these common and collective trust funds at December 31, 2024 and 2023.

**(9) INFORMATION CERTIFIED BY PLAN TRUSTEE**

The following data have been certified as complete and accurate by the Plan trustee as of and for the years ended December 31, 2024 and 2023:

- (a) Investments managed by the trustee included in the statement of net assets available for benefits (modified-cash basis) and the cost and market value information included in the accompanying supplemental schedule of assets (held at end of year) (modified-cash basis);
- (b) Investment income included in the statement of changes in net assets available for benefits (modified-cash basis) consisting of net appreciation/depreciation in fair value of investments, interest, and dividends.
