**INDEPENDENT AUDITOR'S REPORT**

Board of Trustees and Management  
PeoplesBank, A Codorus Valley Company  
Employee Health Plan  
105 Leader Heights Road  
York, Pennsylvania 17403

**Opinion**

We have audited the accompanying financial statements of PeoplesBank, A Codorus Valley Company Employee Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of PeoplesBank, A Codorus Valley Company Employee Health Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PeoplesBank, A Codorus Valley Company Employee Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Basis of Accounting**

As described in Note B to the financial statements, the governing body of PeoplesBank, A Codorus Valley Company Employee Health Plan approved a plan of liquidation and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the accrual basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to that matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Responsibilities of Management for the Financial Statements (Continued)**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PeoplesBank, A Codorus Valley Company Employee Health Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards , we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PeoplesBank, A Codorus Valley Company Employee Health Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PeoplesBank, A Codorus Valley Company Employee Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**PEOPLESBANK, A CODORUS VALLEY COMPANY**  
**EMPLOYEE HEALTH PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**Note A: Description of Plan**

The following description of the PeoplesBank, A Codorus Valley Company Employee Health Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

**General**

The Plan provides access to medical benefits covering all eligible employees of PeoplesBank, A Codorus Valley Company. The Plan and related trust were established on August 1, 1989. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective July 1, 2024, PeoplesBank, A Codorus Valley Company, was acquired by a competing financial institution. Plan participants were moved to the acquiring institution's plan effective January 1, 2025.

**Consortium**

The Plan belongs to a Consortium, which is designed to provide cost effective employee benefit programs for members and is a self-funded group purchasing consortium that offers medical and prescription drug coverage for its members. Coverage programs are developed specific to each member's healthcare needs and the related premiums for coverage are determined through the application of uniform underwriting criteria. Variable plan options are available to members. These plans vary primarily by deductibles, coinsurance levels, office visit co-pays, and out-of-pocket maximums.

The Consortium is a self-insured program with stop loss and aggregate reimbursement arrangements in place to limit the liability of its members. The premium charged and collected from each of the members is fully funded.

The members pay fees that are based on the number of employees enrolled. These fees are charged to cover professional fees and other administrative expenses.

Members sign an agreement, which provides that each member agrees to pay all funding rates associated with the coverage it selects; as such, funding rates are set and billed to the members by various carriers, and premiums are billed and paid on a monthly basis. The assigned funding rates consist of administrative fees, stop loss and aggregate premium expense, expected claim costs, and reserves.

The Consortium has an agreement with Webber Advisors to provide agent management, underwriting, claims management, risk management, accounting, and system support services. Webber Advisors, in turn, has a Consulting Services Agreement with the Benecon Group, Inc. to provide insurance brokerage services for the Consortium.

Consortium members have an obligation to reimburse for all paid claims (less than the specific stop loss) up to the cumulative maximum liability limit (aggregate). The obligation to reimburse for any excess over the cumulative maximum liability limit is only to the extent that in any month there is a positive difference (monthly surplus) between cumulative paid claims and the cumulative maximum liability limit (aggregate). There is no obligation to pay any excess to the aggregate (cumulative monthly liability limit) other than through this funding arrangement. Monthly timing of paid claims may be such that a Consortium member may need to advance a payment that exceeds cumulative claims funds deposited to date until an aggregate claim reimbursement is received. Anticipated stop loss reimbursements are recorded as an operating receivable.

PEOPLESBANK, A CODORUS VALLEY COMPANY  
EMPLOYEE HEALTH PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023  
(CONTINUED)

**Note A: Description of Plan** (Continued)

**Benefits**

The Plan provides access to medical benefits to eligible employees of the Plan sponsor and to their beneficiaries and covered dependents. In general, you are an eligible employee if you are employed, on average, at least 30 hours of service per week (or 130 hours of service in a calendar month). The Plan also provides access to all regular part-time employees of the employer working at least twenty (20) hours per week that were hired prior to May 1, 2012 and enroll in coverage prior to January 1, 2013; retirees aged sixty (60) or older who have completed ten (10) years of service; and those covered through a Severance Agreement are eligible for coverage.

Effective January 1, 2015, the Company uses a look-back measurement method to determine who is a full-time employee for purposes of Plan coverage. The look-back measurement method is based on the Internal Revenue Service (IRS) final regulations under the Affordable Care Act (ACA). Its purpose is to provide greater predictability for Plan coverage determinations.

Medical benefits of active participants, dependents, and beneficiaries under the Plan are provided through insurance policies within the trust.

**Contributions**

Generally, the cost of the Plan will be paid in part by the employer from its general assets and in part by participants with pre-tax contributions.

**Note B: Summary of Significant Accounting Policies**

**Date of Management's Review**

Subsequent events were evaluated through July 31, 2025, which is the date the financial statements were available to be issued.

Effective July 1, 2024, PeoplesBank, A Codorus Valley Company, was acquired by a competing financial institution. Plan participants were moved to the acquiring institution's plan effective January 1, 2025.

**Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Valuation of Investments**

The Plan's investments are stated at fair value.

**Other Plan Benefits**

Plan obligations at December 31 for medical claims incurred by active participants but not reported at that date are estimated by the Plan's actuary in accordance with accepted actuarial principles.

PEOPLESBANK, A CODORUS VALLEY COMPANY  
EMPLOYEE HEALTH PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023  
(CONTINUED)

**Note B:** Summary of Significant Accounting Policies (Continued)

**Basis of Accounting**

The 2023 financial statements of the Plan are prepared under the accrual method of accounting. The 2024 financial statements of the Plan are prepared under the liquidation basis method of accounting.

**Note C:** Other Matters

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan as amended has not applied nor received a tax ruling determination letter from the IRS. The Plan sponsor believes that the trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

**Note D:** Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

The Plan's policy is to recognize transfer of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers of investments into or out of Level 3.

There have been no changes in the methodologies used or level designations at December 31, 2024 and 2023.

	<hr/>	<hr/>	<hr/>	<hr/>

**Level 1 Fair Value Measurements**

The fair value of the money market account is based on quoted market prices.

**Note E: Deferred Revenue**

Premiums collected in advance of applicable coverage years or reimbursements applied to plan costs are classified as deferred revenue.

**Note F: Benefit Obligations**

**Plan Benefits**

Plan obligations at December 31, 2024 and 2023 for medical claims incurred by active participants but not reported at that date, for accumulated eligibility of participants, have been estimated by the Plan's actuary in accordance with accepted actuarial principles. Plan obligations at December 31, 2024 and 2023 were estimated at \$0 and \$283,467.

**EMPLOYEE HEALTH PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**  
**(CONTINUED)**

**Note H: Risks and Uncertainties**

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions, which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

**Note I: Administrative Expenses**

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the trustee, and actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Certain administrative expenses are paid by the Company and excluded from these financial statements (see Note K).

**Note J: Termination of the Plan**

The Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA (see Note A).

**Note K: Related Party and Party-In-Interest Transactions**

Certain administrative functions of the Plan are performed by officers or employees of PeoplesBank. No such officer or employee receives compensation from the Plan.

The Plan's trust account is with Peoples Security Bank & Trust Company, which is used by the consortium and plan.

As described in Notes A and G, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

Administrative expenses paid by the plan consisted of \$70,857 of administrator fees and \$63,108 of management fees.

**Note L: Distribution of Surplus Funds**

Each year, after the Annual Aggregate report is completed, a member of the Consortium with surplus funds may or may not elect to distribute those funds in the form of a credit against future monthly funding cost.

**PEOPLESBANK, A CODORUS VALLEY COMPANY  
EMPLOYEE HEALTH PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023  
(CONTINUED)**

**Note M: Fidelity Bonding**

The Plan Sponsor has been advised by outside counsel that the Plan qualifies for an exemption from the ERISA fidelity bond requirements under both the statute and pursuant to regulation. The regulatory exemption is broader and provides that "banking institutions and trust companies" that are subject to regulations and examination by the OCC, FED, or FDIC are exempt from the requirement to obtain fidelity bond with respect to welfare or pension benefit plans subject to ERISA. Since each consortium member acts as fiduciary for its own plan, and since each member is subject to regulation and examination by one of the federal regulators, the plans are deemed to be exempt from the requirement to obtain and maintain a fidelity bond.

**Note N: Concentration of Credit Risk**

The Plan maintains investments in a money market account at financial institutions, which at times during the year exceed the federally insured limit of \$250,000. As of December 31, 2024 and 2023, the amount of deposits at the financial institutions in excess of the insured limits was \$0 and \$1,148,807, respectively.
