Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees and Participants of the
Arkansas Children's Retirement Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

To the Trustees and Participants of the
Arkansas Children's Retirement Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

To the Trustees and Participants of the
Arkansas Children's Retirement Plan

Other Matters (Continued)

Supplemental Schedule Required by ERISA (Continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Arkansas Children's Retirement Plan

Notes to Financial Statements December 31, 2024 and 2023

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Arkansas Children's Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The following employers participate in the Plan:

Arkansas Children's, Inc.	Arkansas Children's Foundation, Inc.
Arkansas Children's Hospital	Arkansas Children's Northwest, Inc.
Arkansas Children's Research Institute, Inc.	Arkansas Children's Medical Group, PLLC

Collectively, Arkansas Children's, Inc. (Plan Sponsor and Plan Administrator) and its related employers are hereinafter referred to as "the Employer."

Nature of Operations

The Plan is a tax-sheltered annuity plan (within the meaning of Internal Revenue Code (IRC) Section 403(b)), covering substantially all employees of the aforementioned employers. Employees are eligible to enroll in the Plan and begin making contributions upon the first date of employment. The Board of Directors (the "Board") of the Plan Sponsor adopted the Plan in 1980, in order to provide employees with funds for their retirement and with funds in the event of their disability or death. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and is administered by the Plan Sponsor.

Transamerica Retirement Solutions ("Transamerica" or "Plan Recordkeeper") serves as the record-keeper of the Plan and is responsible for the overall administration of the Plan, including maintaining participant account balances. The Plan's investment assets are held by State Street Bank and Trust Company ("State Street"), the Custodian, and Transamerica Financial Life Insurance Company ("TFLIC"), Transamerica Life Insurance Company ("TLIC") and Symetra Life Insurance Company ("Symetra"), the Insurance Carriers.

Contributions

Participants may contribute up to 100% of annual compensation, as defined in the Plan, not to exceed limitations imposed by the Internal Revenue Service (IRS). Employees are able to make elective deferrals immediately upon entry into the Plan. The Plan has an automatic enrollment provision, which provides that eligible employees are automatically enrolled as participants in the Plan at a salary deferral rate of 3% of eligible compensation, unless the employee elects otherwise.

The Employer may, at its discretion, contribute matching contributions to the Plan. The Employer matching contribution shall not exceed the lesser of (1) 50% of the eligible employee's elective deferrals, including Roth elective deferrals, for the payroll period or (2) 5% of the eligible employee's applicable compensation for the payroll period.

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Participants' Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Employer's contribution, and an allocation of Plan earnings and credits, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are generally based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants may direct the investment of their contributions in one or more investment options offered by Transamerica, including a guaranteed separate account group annuity contract, a stable fund and a variety of mutual funds that are structured for different levels of risk tolerance and time horizons. Participants may change their investment options at any time.

The Plan also maintains investments at Symetra that include a pooled separate account and a fixed fund; however, participants can no longer make contributions to these investments.

Vesting

Participants are fully vested at all times in their own contributions plus actual earnings thereon.

For employees who terminated employment prior to January 1, 2016, vesting in the Employer's contributions, plus earnings thereon, occurs according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

For employees who terminated employment on or after January 1, 2016, vesting in the Employer's contributions, plus earnings thereon, occurs according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Arkansas Children's Retirement Plan

Notes to Financial Statements December 31, 2024 and 2023

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed, as determined by the Plan Administrator. Principal and interest is paid through payroll deductions. Loan balances for active participants that have not had payments credited within 90 days are considered defaulted loans and are taxed as distributions to the participant.

Forfeitures

Participants withdrawing from the Plan forfeit the portion of their account balances in which they are not vested. Forfeitures will first be used, when required, to restore forfeited account balances for a reemployed participant, second to pay non-loan administration expenses of the Plan, if any, and any remaining amounts may be applied to reduce the Employer's contribution for the Plan year in which the forfeiture occurred. At December 31, 2024 and 2023, forfeited non-vested accounts available for future use totaled approximately \$788,000 and \$324,000, respectively. During the year ended December 31, 2024, there were no forfeitures used to pay administrative expenses or reduce employer contributions.

Payment of Benefits

Participants are entitled to benefits equal to their vested account balance upon retirement, death, disability, or termination from service. If the vested balance is \$1,000 or less, the participant or beneficiary will be paid in a lump sum amount. However, if the vested balance is greater than \$1,000 but less than \$5,000, the distribution will be paid in a direct rollover to an individual retirement account designated by the Plan Administrator unless the participant or beneficiary requests a lump sum distribution. Vested balances exceeding \$5,000 may be paid at the discretion of the participant or their beneficiary by single lump sum payment, direct transfer to an individual retirement account or another qualified plan, or through periodic payments.

Hardship Withdrawals

In case of immediate and heavy financial hardship, a participant may withdraw all or a portion of the participant's vested account balance. A withdrawal shall be deemed for purposes of an immediate and heavy financial hardship if the withdrawal is necessary for certain eligible expenses, such as medical care, the purchase of a principal residence for the participant, payment of tuition and related education fees for the next twelve months of post-secondary education, payments necessary to prevent eviction of the participant from his or her principal residence or to avoid foreclosure on said residence, payments for funeral or burial expenses or expenses to repair damage to the participant's principal residence.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Arkansas Children's Retirement Plan

Notes to Financial Statements December 31, 2024 and 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Custodian and Insurance Carriers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade dates. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Investment Contract with Insurance Company

TFLIC Fixed Fund

The Plan, through a group annuity contract, invests funds held in the forfeiture account in the TFLIC Fixed Fund, which is a benefit-responsive fund, with underlying investments in TFLIC's general account. Funds invested in the TFLIC Fixed Fund are maintained on a unit value basis. The Plan does not have a beneficial ownership in specific underlying securities or other assets in the TFLIC Fixed Fund, but has an interest therein represented by units valued as of the last business day of the period. The TFLIC Fixed Fund's earnings, such as dividends and interest, are automatically reinvested in additional units. The Plan may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the TFLIC Fixed Fund, plus earnings, less participant withdrawals.

TLIC Arkansas Children's Stable Fund (Guaranteed Non-Pooled Separate Account)

Participant accounts are invested in the TLIC Arkansas Children's Stable Fund (the "Stable Fund"). The Stable Fund is a guaranteed non-pooled separate account provided under a group annuity contract issued by TLIC. Deposits made to the contract are held in a separate account of Transamerica Life Insurance Company. The Plan has guaranteed benefits under the terms of the contract. The contract does not contain any type of market value formula or provision, and the Stable Fund does not have maturity dates. The Stable Fund is a benefit-responsive fund. Individual participant accounts invested in the Stable Fund are maintained on a unit value basis. Participants do not have a beneficial ownership in specific underlying securities or other assets in the various funds, but have an interest therein represented by units valued as of the last business day of the period. The funds' earnings, such as dividends and interest, are automatically reinvested in additional units. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Arkansas Children's Retirement Plan

Notes to Financial Statements December 31, 2024 and 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Contract with Insurance Company (Continued)

TLIC Arkansas Children's Stable Fund (Guaranteed Non-Pooled Separate Account) (Continued)

Contract value represents contributions made to the Stable Fund, plus earnings, less participant withdrawals. Generally, contributions to and withdrawal payments from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant. At the beginning of each calendar year, TLIC determines the declared interest rate ("portfolio rate") which will be credited to all monies invested in the Stable Fund during such calendar year.

Symetra Fixed Fund and Symetra Pooled Separate Account

The Plan's investment contract with Symetra is invested in a pooled separate account and a fixed fund issued by Symetra. The investment contract with Symetra is recorded at the contract value of the individual policies for which premium rates are established using 1983 group annuity mortality table. The Symetra Fixed Fund is a benefit-responsive fund with underlying investments in Symetra's general account. Funds invested in the Symetra Fixed Fund are maintained on a unit value basis. The Plan does not have a beneficial ownership in specific underlying securities or other assets in the Symetra Fixed Fund, but has an interest therein represented by units valued as of the last business day of the period. The Symetra Fixed Fund's earnings, such as dividends and interest, are automatically reinvested in additional units. The Plan may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Symetra Fixed Fund, plus earnings, less participant withdrawals. No contributions were made to the accounts held by Symetra during the year ended December 31, 2024.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. There were no amounts allocated to participants who had elected to withdraw their balances from the Plan but who had not yet been paid as of December 31, 2024 and 2023.

Arkansas Children's Retirement Plan

Notes to Financial Statements December 31, 2024 and 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain duties related to the administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services. Certain other expenses of maintaining the Plan, including legal and audit fees, are paid directly by the Plan Sponsor and are excluded from these financial statements. For the year ended December 31, 2024, expenses paid by the Plan Sponsor on behalf of the Plan totaled approximately \$15,500.

The Plan Sponsor has engaged the services of the Plan Recordkeeper to perform administrative duties as they relate to the Plan. The Plan Sponsor, at its discretion, pays the expenses of the Plan except where they relate to administering the participant loans. The Plan Recordkeeper charges participants a non-refundable set-up fee equal to \$75 per note receivable from the participant and a maintenance fee of \$6.25 per quarter, which are deducted from participants' accounts. In addition, an annual 1% loan administrative charge is deducted proportionately from each participant's loan repayment. During the year ended December 31, 2024, total loan administration fees charged to the participant's account and included in administrative expenses on the statement of changes in net assets available for benefits was approximately \$45,000.

There is a .25% Plan Service Fee (PSF) on all Vanguard group funds, which is deducted from the participants' accounts based on their balances in the Vanguard group funds as of the last day of each month. Other investment related expenses are included in net appreciation (depreciation) in fair value of investments.

The Plan Recordkeeper provides certain administrative services to the Plan pursuant to a recordkeeping services agreement between the Plan Sponsor and the Plan Recordkeeper. The Plan Recordkeeper receives revenue using the Fund Revenue Equalization Pricing method. Under this fee allocation method, fees are collected on the participant level and vary from each investment option. The fees collected are used to offset certain amounts owed for administrative services to the Plan. If the revenue collected by the Plan Recordkeeper for the fees received from such mutual fund service providers exceeds the amount owed for administrative services, the Plan Recordkeeper remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During the year ended December 31, 2024, there were no excess amounts. The Plan or Plan Sponsor may make a payment to the Plan Recordkeeper for administrative expenses not covered by revenue sharing.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Arkansas Children’s Retirement Plan

Notes to Financial Statements December 31, 2024 and 2023

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN AND INSURANCE CARRIERS

The Plan Administrator elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly as permitted under such election, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by State Street Bank and Trust Company, the Custodian, and Transamerica Financial Life Insurance Company, Inc., Transamerica Life Insurance Company, Inc. and Symetra Life Insurance Company, the Insurance Carriers, except for comparing such information certified by the Custodian and Insurance Carriers with information included in the Plan’s financial statements, notes and supplemental schedule.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Arkansas Children's Retirement Plan

Notes to Financial Statements December 31, 2024 and 2023

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

TFLIC Fixed Fund, TLIC Arkansas Children's Stable Fund, Symetra Fixed Fund and Pooled Separate Account – Symetra

The funds are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2024				
Mutual funds	\$405,917,448	\$405,917,448	\$ -	\$ -

	<u>\$385,061,291</u>	<u>\$351,306,885</u>	<u>\$ -</u>	<u>\$ -</u>

^(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

Notes to Financial Statements December 31, 2024 and 2023

NOTE 6: TAX STATUS (Continued)

The Prototype obtained its latest opinion letter on August 2, 2017, in which the IRS informed Document Agility, Inc. that the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however, there are currently no audits for any tax periods in progress.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan utilizes various investment securities, which are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. In addition, certain investment securities may include foreign debt and equity securities in their asset holdings. There are certain additional risks involved when investing in foreign securities that are not present with investments in domestic securities. These risks may involve foreign currency exchange rate fluctuations, adverse political and economic developments, and the possible prevention of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

NOTE 8: SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 7, 2025 the date that the financial statements were available to be issued.
