**INDEPENDENT AUDITORS' COMMUNICATION
ON INTERNAL CONTROLS**

August 6, 2025

Plan Administrator and Administrative Committee
IMPACT OF MINNESOTA, INC. 401(k) PLAN

Plan Administrator and Administrative Committee:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Impact of Minnesota, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2024, in accordance with auditing standards generally accepted in the United States of America, we considered Impact of Minnesota, Inc. 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Empower Retirement, LLC that prepared and certified the statements of information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in Impact of Minnesota, Inc. 401(k) Plan to be significant deficiencies:

Financial Reporting Deficiency – The internal control system, as defined by accounting standards, includes the system in place to prepare the financial statements, including applicable disclosure in accordance with generally accepted accounting principles. The Plan Sponsor relies on us to prepare the financial statements for the plan.

This communication is intended solely for the information and use of Plan Administrator and Administrative Committee, management, and other management personnel within the Plan, and is not intended to be and should not be used by anyone other than these specified parties.
