Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rupp Pfalzgraf LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rupp Pfalzgraf LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rupp Pfalzgraf LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rupp Pfalzgraf LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rupp Pfalzgraf LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

1. PLAN DESCRIPTION

The following description of Rupp Pfalzgraf LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (“IRC”) and was established on August 1, 2000. The Plan is funded by employee and employer contributions and covers substantially all employees of Rupp Pfalzgraf LLC (the “Company” or “Plan Sponsor”). Employees must complete 180 days of service and be 21 years of age or older to become eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Participants may elect to contribute up to 100% of their eligible Plan defined compensation on an after-tax basis, or if elected by the participant, on a pre-tax basis limited to the IRC maximum. Additionally, participants age 50 or older can elect to make a catch-up contribution limited to the amount allowed by law.

The Plan Sponsor makes a safe-harbor contribution to all participant accounts equal to 3% of eligible wages. Elective contributions in excess of 3% are not matched by the Company. The Plan Sponsor also remitted a discretionary profit-sharing contribution in April and May 2025 and is payable to participants in the amount of approximately \$613,000 as of December 31, 2024. The Plan sponsor remitted a discretionary profit-sharing contribution in April 2024 and is payable to participants in the amount of approximately \$372,000 as of December 31, 2023.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Sponsor contributions, and the participant’s share of Plan earnings. Participant accounts are decreased by participant distributions and the participant’s share of Plan expenses and losses. The allocation of earnings and losses to participant accounts is based upon the value of an individual account in relation to the total assets of the Plan. Upon retirement or termination, a participant is entitled to the vested balance in his or her account.

Vesting – Participants are immediately vested in their elective deferral contributions, safe harbor contributions, and earnings thereon. All employer discretionary profit-sharing contributions are fully vested after six years of continuous service.

Forfeitures – Forfeited accounts may be used to pay Plan administrative expenses or to reduce safe harbor contributions made by the Plan Sponsor. Forfeitures of approximately \$19,700 and \$46,100 were utilized to offset Plan Sponsor safe harbor contributions for the years ended December 31, 2024 and 2023, respectively. Forfeitures of approximately \$12,900 were used to reduce Plan expenses for the year ended December 31, 2024. There were no forfeitures used to reduce Plan expenses for the year ended December 31, 2023. There were \$4 and \$1,723 of forfeitures available as of December 31, 2024 and 2023, respectively.

1. PLAN DESCRIPTION (continued)

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 with a maximum limited to 50% of the vested account balance not to exceed \$50,000. The notes are secured by the balance in the participant’s account, and bear interest at the then current prime rate plus 1%, which are commensurate with local prevailing interest rates. As of December 31, 2024, interest rates ranged from 4.25% to 9.50% and the loans mature through November 2029. Principal and interest are paid ratably through regular payroll deductions over a period not to exceed 60 months.

Administrative Expenses – Substantially all of the expenses of maintaining the Plan are paid by the Company or the Plan.

Payment of Benefits – A participant will be eligible for payment of benefits upon attaining normal retirement age of 65, disability, or death, prior to termination or severance date. Upon termination of service, a participant may receive distributions via a lump sum payment. Distributions will be made as soon as practical after a participant’s request.

Withdrawals and Distributions – Participating employees may make financial hardship withdrawals up to the value of their vested employee contributions. In addition, the Plan allows for in-service withdrawals for employees who attain normal retirement age.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – The Plan determines the fair value of assets and liabilities, which are subject to be reported at fair value based on U.S. generally accepted accounting standards. The standard establishes a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded, on an exchange. Level 2 inputs generally consist of market prices for identical assets, which are not actively traded, or market prices of similar assets or liabilities, which are actively traded, on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred followed by Level 2, and Level 3. Level 3 inputs are to be used when neither Level 1 nor Level 2 inputs are available.

An investment’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value as of December 31, 2024 and 2023:

Mutual funds: Valued based on quoted market prices available on an active market, which represents net asset values of the shares held by the Plan at year end.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Self-directed brokerage accounts: Valued at the daily closing price as reported by the securities held within the account. The securities are registered with the Securities and Exchange Commission and are traded on an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan presents in the statement of changes in net assets available for benefits, the net appreciation in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest is accrued when earned. Dividend income is recorded on the ex-dividend date.

Guaranteed Interest Account – This account is fully benefit-responsive and is valued based on contract value. Contract value represents contributions made under the contract plus credited interest less participant withdrawals.

Payment of Benefits – Benefits are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events – Management of the Plan has evaluated the effects of all subsequent events through August 18, 2025, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures (as discussed in Note 2). The following table sets forth, by level within the fair value hierarchy, the Plan's assets that are measured at fair value.

	2024	2023
<i>Level 1:</i>		
Mutual funds	\$ 19,462,940	\$ 14,818,701
Self-directed brokerage accounts	<u>5,546,093</u>	<u>5,432,503</u>
Total investments at fair value	<u>\$ 25,009,033</u>	<u>\$ 20,251,204</u>

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are issued or managed by Charles Schwab and Empower Life & Annuity Insurance Company. Empower Life & Annuity Insurance Company is the Plan's custodian and Charles Schwab manages the self-directed brokerage accounts held outside of the custodian ("Outside Accounts"), these transactions qualify as party-in-interest transactions.

5. INCOME TAX STATUS

The Plan is using a prototype plan developed by Rimkus, Marciano & Associates, Inc., which received a favorable determination letter from the Internal Revenue Service stating the Plan is qualified under applicable sections of the IRC, and; therefore, the related trust's net investment income is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications. The plan has obtained a favorable determination letter from the Internal Revenue Source ("IRS") dated June 30, 2020. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and the related trust's net investment income is tax exempt. Accordingly, no provision has been made for Federal income taxes in the accompanying financial statements.

6. CERTIFIED INVESTMENT INFORMATION

The following is a summary of unaudited information regarding the Plan included in the Plan's financial statements and supplemental schedule. The information was prepared by the custodian and furnished to the Plan Sponsor. Empower Life & Annuity Insurance Company has certified that the following information is complete and accurate:
