INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator  
The Boring Company 401(k) Profit Sharing Plan and Trust  
Bastrop, TX

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of The Boring Company 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (collectively, the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Inspira Financial Trust, LLC as of December 31, 2024 and for the period from January 23, 2024 through December 31, 2024, and Matrix Trust Company as of December 31, 2023 and for the period from January 1, 2024 to January 22, 2024 stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules (1) Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions and (2) Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION

The following description of The Boring Company 401(k) Profit Sharing Plan and Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions. The Plan Document is controlling at all times.

General

The Plan was established on January 1, 2017 and recently amended and restated on January 3, 2024 to adopt a new prototype plan sponsored by CCH Incorporated, DBA ftwilliam.com (“CCH”). The Plan is a defined contribution plan covering substantially all employees of the Company. The purpose of the Plan is to provide employees with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). As defined in the Plan Document, an employee is eligible to participate in the Plan upon having attained the age of 21. The employee is automatically enrolled into the Plan immediately upon meeting the eligibility requirements unless the Company is notified otherwise by the employee. The Plan allows interns to participate once they have completed 1,000 service hours. Once the service requirement is met, interns are automatically enrolled into the Plan on January 1 and July 1 of each Plan year unless the Company is notified otherwise by the intern.

Contributions

Each year, participants may contribute from 1% to 100% of their pretax annual compensation, as defined in the Plan, through salary deductions; however, annual contributions may not exceed the maximum allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan also includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set an initial rate of 1% of eligible pretax annual compensation. Automatically enrolled participant contributions are invested in a designated fund until changed by the participant.

The Plan includes a Roth 401(k) feature which allows employees to contribute on a post-tax elective deferral basis, in addition to, or instead of, pre-tax elective deferrals. The Roth 401(k) feature allows for tax free growth and distribution provided the employee has reached the age of 59 ½.

The Company, at its discretion, may make discretionary matching contributions equal to a percentage of the participant’s elective deferrals. The Company also has the option to make profit-sharing contributions which are allocated to participants based on the relative compensation of all participants eligible to receive a discretionary profit-sharing contribution. For the year ended, December 31, 2024, no discretionary matching contributions or profit-sharing contributions were made.

Participant Accounts

Separate accounts are maintained for each participant. Participant accounts are credited with the participant contributions, rollover contributions, and allocations of Company contributions and investment earnings and losses and charged with withdrawals and administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

NOTE 1 – PLAN DESCRIPTION – CONTINUED

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, discretionary matching contributions, discretionary profit-sharing contributions, and actual earnings or losses thereon.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their accounts among various investment options provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan transactions are treated as a transfer between investment funds and the loan fund. Loan terms range from one to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Only one loan may be outstanding at any time for each participant. Loan repayments are made by check or payroll deduction.

Payment of Benefits and Withdrawals

Upon termination of service due to death, disability or normal retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's full account balance, regardless of years of credited service. For termination due to other reason, participants may receive the sum of their contributions and any earnings thereon, plus the vested portion of Company contributions. Payments of benefits are made in the form of a lump-sum distribution.

A hardship withdrawal, if approved can be made on employee deferral contributions to satisfy certain immediate and heavy financial needs, as defined, up to the amount of the participant's vested balance. An unrestricted withdrawal can be made upon normal retirement age of 65 on all or a portion of the participants' vested account. At the age of 70 ½, a participant is required to receive minimum required distributions from their account annually.

Partial or total withdrawals from employee rollovers can be made at any time.

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$2,240 and \$1,558, respectively. Forfeitures are retained in the Plan and may be used to reduce Company matching contributions, or to pay administrative expenses. For the year ended December 31, 2024, no forfeitures were used to reduce Company matching contributions, or to pay administrative expenses. Accumulated forfeitures will be applied to reduce Company matching contributions or reduce administrative expenses in 2025.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfers a liability in an orderly transaction between market participants at the measurement date. The net change in fair value of investments is reported in the statement of changes in net assets available for benefits in the period of the change.

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments measured at NAV as a practical expedient as of December 31, 2024 and 2023, respectively.

	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>

NOTE 4 – ADMINISTRATION OF PLAN ASSETS

For the year ended December 31, 2023, the Plan’s assets were held and certified by Matrix Trust Company (“Matrix”) and administrative functions were performed by Human Interest.

For the period January 1, 2024, through January 22, 2024, the Plan’s assets were held and certified by Matrix. For the period January 23, 2024 through December 31, 2024, the Plan’s assets were held and certified by Inspira Financial Trust, LLC (“Inspira”).

Matrix and Inspira are collectively hereafter referred to as the “Trustees”.

THE BORING COMPANY 401(k) PROFIT SHARING PLAN AND TRUST  
NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – ADMINISTRATION OF PLAN ASSETS – CONTINUED

For the period January 1, 2024 through January 11, 2024 administrative functions were performed by Human Interest. For the period January 12, 2024, through December 31, 2024 administrative functions were performed by MTG LLC d/b/a Betterment Securities (“Betterment”). Certain administrative expenses, including loan administration fees, are paid by the participants. Other administrative expenses, such as accounting and legal fees, are paid by the Company.

NOTE 5 – INFORMATION CERTIFIED BY THE TRUSTEES (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedules were obtained from data that has been prepared and certified to as complete and accurate by the Trustees.

	<u>2024</u>	<u>2023</u>
Cash and Cash Equivalents	\$ 2,240	\$ 9,463
Investments at Fair Value	3,721,622	2,560,883
Notes Receivable from Participants	53,576	28,469
Net Appreciation in Fair Value of Investments	302,922	324,034
Dividend Income	67,366	58,243
Interest Income on Notes Receivable from Participants	5,409	1,497

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan has notes receivable from participants at December 31, 2024 and 2023. As a result, these notes and all transactions related to these notes qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

The Plan’s investments are managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

The Plan incurs expenses related to general administration, recordkeeping, and investment advisory services. Fees paid by the Plan for these services totaled \$5,002 for the year ended December 31, 2024. These transactions are exempt from being prohibited transactions by ERISA.

NOTE 7 – FEDERAL INCOME TAX STATUS

The Plan is a Prototype Plan sponsored by CCH. CCH received a determination letter from the Internal Revenue Service (“IRS”), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Prototype Plan has been amended since receiving its determination letter. The Plan itself had not received a determination letter from the IRS. However, the Plan’s management and tax counsel believe that the Plan is currently designed and operated in complete compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

THE BORING COMPANY 401(k) PROFIT SHARING PLAN AND TRUST  
NOTES TO THE FINANCIAL STATEMENTS

NOTE 7 – FEDERAL INCOME TAX STATUS – CONTINUED

Accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan’s management believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their employer contributions.

NOTE 9 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities for its participants. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.
