INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
IBEW Local 575 Pension Fund
% American Benefit Corporation
9200 US Route 60
Ona, WV 25545

Opinion

We have audited the financial statements of IBEW 575 Pension Fund an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of IBEW 575 Pension Fund as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBEW 575 Pension Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW 575 Pension Fund's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IBEW 575 Pension Funds internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW 575 Pension Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected

to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IBEW Local 575 Pension Fund

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1 – DESCRIPTION OF PLAN

The following description of the IBEW Local 575 Pension Fund (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a multi-employer collectively bargained defined contribution plan covering eligible employees who have worked and/or are working for any of the contributing employers as established by the agreements by and between the Portsmouth Division of the Central Ohio Chapter of the National Electrical Contractors Association, and the Union. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Contributions to the Plan are made by participating employers based on the negotiated contribution rates set forth in collective bargaining agreements.

Participant Accounts - Each participant's account is credited with the contribution by the contributing employer on an hours paid basis. The earnings generated in the selected investments are posted monthly to the participant's account. In addition, expenses of the Plan are prorated monthly across all of the participant accounts. Participants direct the investment of their account by designating the proportion of their account to be allocated to the separate investment options offered by the Plan. The Plan currently offers various mutual funds and collective investment trusts as investment options for participants. The benefit to which a participant is entitled is the benefit that can be provided from the balance in the participant's account.

Vesting - Participants are immediately vested in the entirety of their accounts.

Payment of Benefits - Participants, upon reaching age 52 and retiring from employment or after becoming permanently disabled at any time, may elect to receive the value of their account in a lump-sum or any percentage of their account balance in a lump-sum with the remainder in equal monthly payments for not less than 24 months nor more than 240 months (or the participant's life expectancy, if greater).

Upon the death of a participant, the value of his account shall be paid based upon options specified in the Plan.

In addition, any participant with an account balance of less than \$1,000 who has not worked in the jurisdiction of the IBEW Local Union No. 575 for a period of twelve consecutive months may receive the value of his account in its entirety.

2 – SUMMARY OF ACCOUNTING POLICIES

Date of Management's Review – Subsequent events were evaluated through the date of the auditor's report which is the date the financial statements were available to be issued.

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

IBEW Local 575 Pension Fund

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments - Investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Units of the collective investment trusts are valued at net asset value at year end.

Purchases and sales of investments are recorded on a trade date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Payment of Benefits – Benefits are recorded when paid.

Allowance for Doubtful Accounts – The Plan's Administrator has evaluated employer contributions receivable and has determined that an allowance for doubtful accounts was not necessary at December 31, 2024 and 2023, respectively, as all amounts are deemed to be fully collectible.

Reclassifications – Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported changes in net assets available for benefits. Amounts from employer contributions and recordkeeping fees were reclassified.

3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

IBEW Local 575 Pension Fund

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value:

Money market funds – Fair value is based on amortized cost or original cost plus accrued interest.

Mutual Funds – Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust – Valued at the NAV of units within the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the collective investment trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	2024			
	Fair Value Measurements			Total

IBEW NECA Equity Index Fund	20,152,615	None	None
Collective Investment Trust Funds	<u>\$ 32,344,929</u>		

4 – PLAN TERMINATION

Although neither has expressed any intent to do so, the Union or the Contractors Association has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the trust fund shall continue for the sole purpose of providing benefits as explained under the payment of benefits section of Note 1.

5 – INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan by letter dated January 28, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is being administered in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

IBEW Local 575 Pension Fund

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7 – PARTIES-IN-INTEREST

Parties-in-interest are defined under the Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan Sponsor and certain others. The Plan obtains investment advisory services from Atlanta Consulting Group Advisors, LLC, legal services from John F. Dascoli, PLLC, audit services from Gray, Griffith & Mays A.C. and Harris, Hardin & Company A.C., and third-party administrative services from American Benefit Corporation. The Plan's custodian of record is Vanguard.

8 – CONCENTRATION OF CREDIT RISK

All of the revenue and receivables shown on the financial statements are from companies that perform electrical services. The Plan's ability to collect contributions and enter into contracts could be affected by fluctuations in the electrical services industry and the overall economy.
