Independent Auditors' Report

The Board of Trustees
Novatech, Inc. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Novatech, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 (in liquidation) and 2023 (ongoing), and the related statements of changes in net assets available for benefits for the years then ended December 31, 2024 (in liquidation) and 2023 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 1(a) to the financial statements, the Plan Sponsor approved a plan of liquidation during 2024 and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

NOVATECH, INC. 401(K) RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

(1) Description of plan

The following description of the Novatech, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was adopted on October 1, 2000 to provide retirement benefits for employees of Novatech, Inc. (the "Plan Sponsor"). The Plan covers substantially all employees who are age twenty-one or older and have completed two months of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2024, Carolina Business Equipment Retirement and Profit Sharing Plan merged into the Plan. As a result of this merger, \$4,670,853 was transferred to the Plan.

On August 6, 2024, the Plan Sponsor elected to terminate the Plan. As a result, the Plan changed its basis of accounting from the ongoing basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. All contributions to the Plan ceased as of August 30, 2024 and all participants were considered fully vested in their Plan assets.

(b) Contributions

Participants were able to voluntarily make qualified retirement contributions to the Plan which were deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants were able to contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. Unless a participant elected otherwise, he or she was automatically enrolled in the Plan after three months of employment with a deferral percentage of 6%. Participant contributions were permitted up to 100% of eligible compensation subject to certain IRC limitations.

The Plan permitted discretionary matching contributions by the Plan Sponsor. During 2024 and 2023, the Plan Sponsor matched an amount equal to 50% of each participant's contributions up to 6% of eligible compensation. Plan Sponsor and participant contributions could not exceed the maximum amount deductible for federal income tax purposes.

The Plan also provided that the Plan Sponsor may make discretionary profit sharing contributions each year. No such contributions were made in 2024 or 2023.

Notes to the Financial Statements

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

(c) Participant accounts

Each participant's account was credited (charged) with the participant's contributions and the Plan Sponsor's matching contribution, and allocations of Plan Sponsor profit sharing contributions, investment earnings (losses), and administrative expenses. Allocations were based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that could be provided from the participant's vested account.

(d) Vesting

Participants were immediately vested in their elective salary deferral plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's contributions were based on years of continuous service. Participants vested 20% each year until fully vested after five years of credited service. See Note 1.

(e) Notes receivable from participants

Participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans were secured by the balances in the respective participants' accounts and bore interest at fixed rates, which were commensurate with local prevailing rates at the time the loan was initiated as determined quarterly by the plan administrator. Principal and interest were collected ratably through payroll deductions.

(f) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant could elect to receive either a lump-sum payment or annual installments over a specified period equal to his or her entire account. For termination of service due to other reasons, a participant will be entitled to receive only the vested interest in his or her account.

(g) Forfeited accounts

Forfeitures were created when participants terminate employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures could be used to reduce administrative expenses of the Plan or could be used to reduce the Plan Sponsor's contributions to the Plan. During 2024 and 2023, forfeitures totaling \$40,599 and \$96,977 were used to reduce Plan Sponsor contributions, respectively.

Notes to the Financial Statements

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

(h) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance.

(i) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the applicable participants' accounts and are included in administrative expenses. Fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation (depreciation) in fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

As described in Note 1(a), the Plan was liquidated in 2024. In accordance with accounting principles generally accepted in the United States of America ("GAAP"), the Plan has changed its basis of accounting from the going concern basis of accounting to the liquidation basis of accounting as of and for the year ended December 31, 2024.

(b) Investment valuation and income recognition

Investments are stated at fair value, except for the fully benefit-responsive investment contract which was reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the plan document.

Notes to the Financial Statements

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2024 and July 21, 2025, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

The following information was certified as complete and accurate by American United Life Insurance Company ("AUL"), as of and for the years ended December 31, 2024 and 2023.

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ <u> -</u>	\$ <u>17,726,670</u>
Fully benefit-responsive investment contract, at contract value	\$ <u> -</u>	\$ <u>194,322</u>
Notes receivable from participants	\$ <u> -</u>	\$ <u>503,926</u>
Net change resulting from investment activity	\$ <u>2,844,828</u>	\$ <u>2,697,892</u>
Interest income on notes receivable from participants	\$ <u>19,464</u>	\$ <u>19,812</u>

(4) Investments measured at net asset value using the practical expedient

Certain investments were measured at net asset value ("NAV") as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

The following table summarizes investments for which the fair value was measured using the NAV practical expedient at December 31, 2023. There were no participant redemption restrictions for these investments.

<u>Description</u>	<u>Fair Value</u> <u>12/31/2023</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Frequency (if</u> <u>Currently Eligible)</u>	<u>Redemption</u> <u>Redemption</u> <u>Notice Period</u>
Pooled separate accounts	\$17,726,760	N/A	Daily	N/A

NOVATECH, INC. 401(K) RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

The Plan held various pooled separate accounts that are not direct filing entities. These pooled separate accounts had investment strategies that include: various target date and lifestyle funds, international and sector funds, equity and income funds.

(5) Fully benefit-responsive investment contract

The Plan had entered into a fully benefit-responsive investment contract with AUL. AUL maintained the Plan's contributions in a pooled account which was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract was included in the financial statements at contract value as reported to the Plan by AUL.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The value of the investment contract at December 31, 2023 was \$194,322. The earnings of the investment contract were based on the interest rate applied to each participant's outstanding balance. The interest rates were reviewed and are reset by the insurance company quarterly. The establishment of the guaranteed interest rate required estimation of the future earnings rates, the rate at which existing investments mature, and future cash flow.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator did not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The investment contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

(6) Income tax status

The Plan Sponsor adopted a non-standardized 401(k) profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on August 19, 2020, which stated that the non-standardized 401(k) profit sharing plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the adopted non-standardized 401(k) profit sharing plan is designed, as amended, and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

NOVATECH, INC. 401(K) RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related party transactions

The Plan's investments were managed by AUL, therefore, these transactions qualify as party-in-interest transactions. As described in Note 1, the Plan paid expenses to various service providers and also held notes receivable from participants which qualify as party-in-interest transactions.
