INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
IBEW Local 596 Vacation Fund
% American Benefit Corporation
9200 US Route 60
Ona, WV 25545

Opinion

We have audited the financial statements of IBEW 596 Vacation Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of IBEW 596 Vacation Fund as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBEW 596 Vacation Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW 596 Vacation Fund's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IBEW 596 Vacation Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW 596 Vacation Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1 – DESCRIPTION OF PLAN

The following description of the IBEW Local 596 Vacation Fund (“the Plan”), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan was formed under an agreement between the West Virginia - Ohio Valley Chapter National Electrical Contractors Association and the IBEW Local 596 Labor Union (the Union). The Plan covers all members of the Union employed under the terms of the collective bargaining agreement with the members of the contractors’ association. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions and Benefits – Contributions to the Plan are made by participating employers based on the negotiated contribution rates set forth in the collective bargaining agreements. The amount accumulated in each participant’s vacation account as of February 28 or 29 and August 31 of each year, is paid on or after June 1 and November 1 to the participant.

Investment Income - Investment income is credited monthly to each participant’s account on a pro rata basis. Administrative expenses are divided equally among participants each month.

Other - The Plan’s board of trustees has the right under the Plan to modify the benefits provided to participants. The Plan may be terminated only by joint agreement between the Union and the Contractors’ Association, subject to the provisions of ERISA.

2 – SUMMARY OF ACCOUNTING POLICIES

Date of Management’s Review - Subsequent events were evaluated through the date of the auditor’s report, which is the date the financial statements were available to be issued.

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions - Employers’ contributions receivable represents amounts due the Plan under the terms of the collective bargaining agreement. The Plan’s administrator has evaluated employer contributions receivable and has determined that an allowance for doubtful accounts was necessary in the amount of \$21,226 for 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

6 – TAX STATUS

The Plan obtained its latest determination letter on June 14, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code, Section 501(c)(9). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

7 – CONCENTRATION OF CREDIT RISK

All of the revenue and receivables shown on the financial statements are from electrical services. The Plan's ability to collect contributions and enter into contracts could be affected by fluctuations in the industry and the overall economy. At December 31, 2024 and 2023 over half of the plan's contributions were remitted by three employers.
