Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Aerzen USA Corp. Group Medical Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits and benefit obligations for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Aerzen USA Corp. Group Medical Plan as of June 30, 2024 and 2023, and the change in its net assets available for benefits and benefit obligations for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aerzen USA Corp. Group Medical Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aerzen USA Corp. Group Medical Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aerzen USA Corp. Group Medical Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aerzen USA Corp. Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**AERZEN USA CORP. GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 DESCRIPTION OF PLAN

The following description of Aerzen USA Corp. Group Medical Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan provides health benefits to eligible employees of Aerzen USA Corp. (the Company) and covered dependents. Eligible employees are all regular employees of the employer scheduled to work 30 or more hours per week on a full-time basis. Plan assets are held in a trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company makes contributions to the Plan as needed to fund claims and expenses in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Benefits

The Plan provides medical and prescription drug benefits to all eligible enrolled employees and enrolled dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured Benefits

All Plan benefits are self-insured, including medical and prescription drug benefits. The claims for self-insured benefits are processed by Aetna Life Insurance Company (Aetna) under administrative services only (ASO) arrangements. Aetna pays claims directly to or on behalf of participants and is then reimbursed by the Veris Benefits Consortium, LLC (Veris) from the claims funding account held by Veris. The Plan's trust then reimburses the claims funding account held by Veris. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-Loss Coverage

The Company has entered into a stop-loss insurance arrangement in an effort to limit their exposure for self-insured benefits (individual participant claims over a specified dollar amount, as well as aggregate exposure for all claims). The premiums are being paid by the Plan. The Company has elected to deposit all stop loss reimbursements into the trust. These reimbursements are included in contributions on the Statement of Changes in Net Assets Available for Benefits.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

**AERZEN USA CORP. GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Contributions

Contributions from the Company to cover administrative expenses are recorded in the period in which such expenses are incurred. Contributions from the Company to cover claims are recorded in the period in which the claims are paid by the Plan. Contributions from the Company are paid based upon the amount required to be funded under the provisions of the Plan. Employee contributions are recorded in the period in which they are withheld from payroll.

From time to time, management may prefund the Plan and deposits are held in an account owned by Benecon (service provider) until claims and expenses are incurred. This may result in a receivable from the service provider at year end. At June 30, 2024 and 2023, there were no receivables from the service provider.

Benefits

Claim payments are recorded when paid by the Plan.

Benefit Obligations

As of June 30, 2024 and 2023, there are many self-funded claims that have been incurred on which benefit payments have been and/or will be made subsequent to that date. Estimated claims payable represents unpaid claims at year-end that have been reported to the claims administrator and is based on information available regarding claims paid subsequent to the Plan year-end. Estimated claims incurred but not reported is based on information available to an actuary regarding claims incurred during the Plan year, claims lag history of the Plan, anticipated stop-loss coverage and similar restrictions on benefits, and other trend factors. The Plan does not provide postretirement benefits.

The deficiency of the Plan's net assets available for benefits over benefit obligations will be funded through future increases in employee contributions and Employer contributions on a pay-as-you-go basis.

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Employer on behalf of the Plan and are excluded from these financial statements.

**AERZEN USA CORP. GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentration of Credit Risk

The Plan's cash balances are held at one financial institution. Accounts at this institution are insured by a government agency up to \$250,000. At times the balances in these accounts may exceed the insured limit.

Subsequent Events

The Plan has evaluated subsequent events through July 8, 2025, the date the financial statements were available to be issued.

NOTE 3 TAX STATUS

The trust of the Plan is structured as a taxable trust to serve as a funding vehicle for the Plan under appropriate sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC. The trust has not generated taxable income during the year ended June 30, 2024.

Accounting policies generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions qualify as party in interest transactions, which are exempt from the prohibited transaction rules of ERISA.

**AERZEN USA CORP. GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 6 RISKS AND UNCERTAINTIES

The liability for claims payable and claims incurred but not reported (IBNR) at June 30, 2024 and 2023 were estimated by management using Plan provisions, the number of eligible participants, and the actual lag patterns of the Plan. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would-be material to the financial statements.

NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of June 30:
