## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Eenhoorn, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Eenhoorn, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Eenhoorn, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Eenhoorn, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**EENHOORN, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Eenhoorn, LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

**General**

Effective January 1, 1995, Eenhoorn, LLC (the “Company”) implemented a defined contribution plan. The Plan covers substantially all employees of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has been amended from time to time to comply with current legislation and management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

**Eligibility**

Employees become eligible to participate on the first day of the month following completion of 6 months of service and the attainment of age 21. They may enter the Plan as of the first day of the month coincident with or following completion of these requirements. The Plan has an automatic enrollment feature.

**Contributions**

Participants may make voluntary contributions to the Plan of up to 100% of their annual eligible compensation, but not in excess of the maximum amount permitted by the Internal Revenue Code. The Company may elect to make a matching contribution, determined annually. The Company’s matching contribution totaled 25% of employee deferrals up to 15% of eligible compensation. The Company may also elect to make a special discretionary employer contribution. There was no special discretionary contribution for employees during 2024 or 2023.

**EENHOORN, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

**Participant accounts**

Upon enrollment in the Plan, or at any time subsequent, a participant may direct contributions into any of the available investment options. Each participant's account is credited with contributions in an amount equal to the salary reduction elected by that employee, the related matching contribution and, if applicable, a portion of the special discretionary contribution for employees equal to a percentage of each eligible individual's compensation. Earnings and administrative expenses are allocated based on the participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

**Vesting**

Each participant's account is credited with voluntary contributions and an allocation of Plan earnings based on the participant's account balance. Participants are immediately vested in their elective deferral, plus actual earnings. Employer contributions vest after a 3-year period.

**Loans**

The Plan does not allow participants to borrow money from the Plan.

**Forfeitures**

Forfeitures of non-vested Company matching or special discretionary employer contributions from terminated participant accounts are used to offset future Company matching contributions, future Company special discretionary employer contributions, or to pay expenses of Plan administration, as determined by Plan management.

**Benefit Payments**

Generally, benefits are paid to participants at termination. When the service period ends as a result of death or retirement, the participant or beneficiary will receive a lump sum distribution equal to the value of their accounts. Participants may elect to defer receipt of benefits. The Plan had obligations to terminated employees totaling \$1,101,661 and \$1,277,947 at December 31, 2024 and 2023, respectively.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

**Investment Options**

All investments are participant directed among various *Newport Trust Company, LLC / Ascensus, LLC* investment options at December 31, 2024 and 2023.

**Administrative Expenses**

Unless elected to be paid by the Company, administrative expenses incurred in connection with the Plan shall be paid from forfeitures, except for expenses related to distributions and other participant-initiated transactions, which are charged to the account of the participant.

Certain plan administrative fees are absorbed by the Company and certain administrative fees are paid by the Plan. Administrative fees paid by the Plan totaled \$64,535 and \$38,757 during 2024 and 2023, respectively.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Investment Valuation and Income Recognition**

All Plan investments at December 31, 2024 are held by the Plan custodian, *Ascensus, LLC (Newport Trust Company, LLC* at December 31, 2023) - and are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for further discussion and disclosure related to fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on the Plan's investments are included in net appreciation in the fair value of investments in the statements of changes in net assets available for benefits.

**EENHOORN, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
**(CONTINUED)**

**Payment of Benefits**

Benefits are recorded when paid.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 3 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, the Plan custodian shall hold the funds for distribution and distribute to the participants the full amount standing to their credit on the date of such termination, less the administrative cost to the custodian for such distribution, in accordance with the Plan provisions.

**EENHOORN, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 4 – TAX STATUS**

The Company's Board of Directors adopted the Volume Submitter Profit Sharing 401(k) Plan document. The Plan document has received an opinion letter dated November 30, 2020 from the Internal Revenue Service stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. The Plan is required to operate in conformity with the Code to maintain qualification.

Although the Plan has been amended since receiving the determination letter, management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes the Plan is qualified and the related trust is tax exempt.

The Plan has adopted the provisions of ASC Topic 740, *Income Taxes*, relating to uncertain tax positions. ASC Topic 740 provides a consistent framework to determine the appropriate level of tax reserves to maintain for uncertain tax positions. Specifically, the Plan must recognize a tax liability (or asset) if the Plan has taken an uncertain position that *more likely than not* would not be sustained upon examination by applicable taxing authorities.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements.

**NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS**

The Company provides certain accounting, recordkeeping, and administrative services for the Plan for which no compensation is received. Administrative expenses for legal, accounting and other services are rendered by parties-in-interest and are paid by the Company.

Certain plan assets are held in investment funds managed by *Ascensus, LLC* at December 31, 2024. *Ascensus, LLC* is the custodian of the Plan; therefore, transactions with *Ascensus, LLC* qualify as party-in-interest transactions.

**EENHOORN, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 6 – INVESTMENTS - UNAUDITED**

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Eenhoorn, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

The Plan custodians, *Newport Trust Company, LLC* (for the period January 1, 2023 through November 13, 2024) and *Ascensus, LLC* (for the period November 14, 2024 through December 31, 2024), have certified the completeness and accuracy of all investment information reflected in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the 2024 schedule of assets held at end of year, and the related investment activity reflected in the statements of changes in net assets available for benefits during 2024 and 2023.

**EENHOORN, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS**

FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). ASC Topic 820 requires fair value measurements to be separately disclosed by level within the fair value hierarchy.

The three levels of fair value hierarchy under ASC Topic 820 are described as follows:

Level 1: inputs to the valuation methodology are unadjusted quoted prices for *identical* assets or liabilities in active markets that the Plan has the ability to access.

Level 2: inputs to the valuation methodology include: quoted market prices for *similar* assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Valuation is generated from model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect the estimates of assumptions that market participants would use in pricing the asset or liability.

**EENHOORN, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)**

The following valuation methodologies were used to measure the fair value of the Plan's investments:

*Registered investment companies* include a portfolio of financial instruments that include U.S. equities, international equities, and short and intermediate-term investment funds. These are valued based on a quoted market price for identical assets in active markets that the Plan has the ability to access. Registered investment companies are included as Level 1 assets in the fair value hierarchy.

*Common collective trusts (CCT's)* consist of investments in open-ended mutual funds, insurance company separate accounts, and collective trust funds. CCT's are valued at the NAV of underlying portfolio fund shares at year-end. CCT holdings are included as Level 1 assets in the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**EENHOORN, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)**

The following tables set forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024 and 2023:

Description	Investments at fair value - December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 6,660,246	\$ -	\$ -	\$ 6,660,246
Common collective trusts	370,647	-	-	370,647
Total participant-directed investments, at fair value:	<b>\$ 7,030,893</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 7,030,893</b>

Description	Investments at fair value - December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 5,792,044	\$ -	\$ -	\$ 5,792,044
Common collective trusts	142,299	-	-	142,299
Total participant-directed investments, at fair value:	<b>\$ 5,934,343</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 5,934,343</b>

The Plan held no Level 3 (or Level 2) investments at December 31, 2024 or 2023. As a result, there are no changes in fair value of Level 3 investments to report for either year.

**NOTE 8 – EXCESS CONTRIBUTIONS PAYABLE TO PARTICIPANTS**

The Plan is subject to certain non-discrimination rules under ERISA and the Code. For the Plan year ended December 31, 2023, the Plan failed certain non-discrimination tests under the Code due to lower contribution percentages by non-highly compensated eligible employees relative to the contribution percentages of highly compensated eligible employees. In order to meet the requirements of the non-discrimination rules, the Plan refunded a portion of the contributions made by highly compensated participants, in accordance with applicable provisions of the Code.

The refund attributable to 2023 totaled \$12,466 - including investment income of \$1,297.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 and 2023**

**NOTE 9 – SUBSEQUENT EVENTS**

In accordance with ASC Topic 855, *Subsequent Events*, the Plan's management has evaluated subsequent events through July 11, 2025, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
