Independent Auditor's Report

To the Board of Trustees
Electrical Workers Local Union No. 369 Retirement Fund

Opinion

We have audited the financial statements of Electrical Workers Local Union No. 369 Retirement Fund (the "Fund"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits (modified cash basis) for the years ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (modified cash basis) of Electrical Workers Local Union No. 369 Retirement Fund as of December 31, 2022 and 2021, and the changes in net assets available for benefits (modified cash basis) for the years then ended in accordance with the cash basis of accounting described in Note B1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note B1 and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditor's Report (Continued)

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of administrative expenses and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements. The schedule of assets (held at end of year) is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Independent Auditor's Report (Continued)

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule of assets (held at end of year), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule of assets (held at end of year) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content of the schedule of assets (held at end of year) is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Electrical Workers Local Union No. 369 Retirement Fund
Notes to Financial Statements
Years Ended December 31, 2022 and 2021

Note A - Description of Plan

The following description of the Electrical Workers Local Union No. 369 Retirement Fund (the "Fund" or "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General: The Fund was established in 1978 under a collective bargaining agreement between Local Union No. 369 of the International Brotherhood of Electrical Workers and the Louisville Chapter of the National Electrical Contractors Association. Management of the Fund is vested in a Board of Trustees consisting of representatives of Local Union No. 369 and the Contractors Association. As of December 31, 2022, the Board was composed of the following trustees:

<u>Union trustees</u>	<u>Employer trustees</u>
Paul Deom	Justin Laswell
Ron Gresham	Josh Quinn
Steve Peters	Roger Brewer
Demetrius Babiak	Scott Daugherty

The Plan has qualified under Section 501 of the Internal Revenue Code as a tax-exempt organization and is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. Contributions: The Plan is financed by collectively bargained contributions from the employers based on hours worked and compensation earned by the employee. The Plan provides for the accumulation of contributions in the name of each qualified employee. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.
3. Participant Accounts: Each participant's account is credited with the employer's contribution and allocations of Plan earnings or losses and charged with an allocation of any administrative expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting: Participants are immediately vested in their individual account on the date they first complete one hour of covered service in covered employment.
5. Investment Options: Upon enrollment in the Plan, participants may direct the investment of their accounts into various investment options offered by the Plan. They may change their investment options among those investments provided at any time during the Plan year.
6. Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$25,000 or 25% of their vested account balance, whichever is less. No more than one loan may be outstanding at any one time. Participant loans are secured by the balance in the participant's account and bear interest at fixed rates ranging from 5.25% to 10.25%, which are based upon the prime rate as listed in the Wall Street Journal on the first day of the month in which the loan is made plus 2%. Principal and interest are paid in substantially equal installments based on monthly loan coupons received by the participants from Empower.

Note A - Description of Plan (Continued)

7. Payment of Benefits: On termination of service due to death, disability, retirement, or other reasons a participant or beneficiary may receive benefit payments in a lump sum, a 75% joint and survivor annuity with respect to an eligible surviving spouse; a single life annuity with respect to a surviving spouse; or monthly payments over 5, 10 or 15 years. Payment will occur no later than 60 days following the date on which a distribution is requested or is otherwise payable. In-service and hardship withdrawals are also allowed as defined in the Plan agreement.

Note B - Summary of Significant Accounting Policies

1. Basis of Accounting: The financial statements of the Plan are prepared using the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). Employer contributions and Plan expenses are recognized in the period received or paid. Consequently, no provision is made for contributions receivable or prepaid and accrued expenses. The Fund's share of office expenses is recognized as described in Note E. The Accounting Standards Codification ("ASC") as produced by the Financial Accounting Standards Board ("FASB") is the sole source of authoritative GAAP.
2. Use of Estimates: The preparation of financial statements in conformity with the modified cash basis requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
3. Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

4. Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.
5. Payment of Benefits: Benefits are recorded when paid.
6. Cash: Cash is maintained in interest and non-interest-bearing accounts. The Fund typically maintains balances in its bank account in excess of federally insured limits.
7. Administrative Expenses: Administrative expenses of the Plan are paid by the Fund as described in Note E.
8. Depreciation: Property and equipment are stated at cost and are being depreciated over their estimated useful lives. The cost of the building and certain equipment has been shared equally between the Retirement Fund and the Electrical Workers Local Union No. 369 Benefit Fund. These statements reflect the Retirement Fund's share of such assets. The building is being depreciated over 30 years on a straight-line basis. Equipment is being depreciated on a straight-line basis over five to eight years.

9. Subsequent Events: Subsequent events for the Plan have been considered through the date of the Independent Auditor's Report which represents the date the financial statements were available to be issued.

Note C - Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Collective trust fund: Valued at the net asset value ("NAV") of units held by the Plan at year end provided by the issuer of the fund. The NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying investment assets owned by the fund, minus its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are currently no redemption restrictions or unfunded commitments on these investments.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note C - Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2022:

	Assets at fair value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 368,928,521</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 368,928,521</u>
Investments measured at NAV (a)				<u>40,666,569</u>
Investments at fair value				<u>\$ 409,595,090</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2021:

	Assets at fair value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 456,118,735</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 456,118,735</u>
Investments measured at NAV (a)				<u>34,108,677</u>
Investments at fair value				<u>\$ 490,227,412</u>

(a) In accordance with FASB guidance, investments measured at fair value using NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to investments at fair value presented in the Statements of Net Assets Available for Benefits.

Note D - Fair Value of Investments in Entities that use NAV Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Collective trust fund - IBEW/NECA stable value fund	\$ 40,666,569	N/A	Daily	24 months
<u>December 31, 2021</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Collective trust fund - IBEW/NECA stable value fund	\$ 34,108,677	N/A	Daily	24 months

Note E - Due to Electrical Workers Benefit Fund

The Fund shares office space and personnel with the Electrical Workers Benefit Fund (the "Benefit Fund"). The Fund pays the Benefit Fund 20% of the total office salaries and expenses as reimbursement for its share of administrative expenses. The Fund pays 50% of employer audit fees and building insurance. Repairs, taxes and utilities expenses are paid directly by the Fund so they are no longer considered shared administrative expenses and are included in other deductions on the accompanying Statements of Changes in Net Assets Available for Benefits (Modified Cash Basis). The Fund reimburses the Benefit Fund for computer expenses and postage, based on actual expenses incurred. At December 31, 2022 and 2021 the Fund owed the Benefit Fund \$23,440 and \$22,790, respectively for these expenses.

Note F - Plan Expense Reimbursement

As part of the agreement with Empower (recordkeeper), Empower will reimburse the Fund a fee which is used to pay administrative expenses of the Fund. The amount reimbursed to the Plan totaled \$390,422 and \$384,580 for the years ended December 31, 2022 and 2021, respectively.

Note G - Related Party Transactions

The parties-in-interest include ISSI, computer support; Ledbetter Parisi, LLC, attorney; The Segal Company, benefit consultant; Segal Marco Advisors, investment consultant; Empower, record keeper; and State Street, custodian.

Note G - Related Party Transactions (Continued)

Amounts paid to related parties for the years ended December 31, 2022 and 2021, are as follows:

	2022	2021
Empower	\$ 585,445	\$ 587,742
ISSI	12,591	11,895
Ledbetter Parisi, LLC	51,715	61,986
The Segal Company	18,400	25,539
Segal Marco Advisors	51,000	46,750

Note H - Income Tax Status

The Internal Revenue Service has determined and informed the Fund by a letter dated March 4, 2016 that the Plan and related trust are designed in accordance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note I - Plan Termination

Although it has not expressed any intent to do so, under certain conditions the Plan may be terminated. In the event of termination of the Plan, each participant has a non-forfeitable right to receive a proportionate share of the remaining Plan assets after the payment of any Plan expenses.

Note J - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Note K - Subsequent Event

In January 2023, the Plan received notification from the U.S. Department of Labor ("DOL") regarding DOL's review of the Plan for compliance with Title 1 of ERISA for Plan years 2019 - 2021. As of the report date, the review is ongoing but management does not anticipate any material findings.
